

# SETTLEMENT AGREEMENT

## 1. INTRODUCTION

### 1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Bass Pro Outdoor World, L.L.C. (“Bass Pro”), with Johnson and Bass Pro each individually referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Johnson alleges that Bass Pro is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

### 1.2 General Allegations

Johnson alleges that Bass Pro manufactures, sells, and/or distributes for sale in California, cellphone wallet cases containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Johnson alleges that Bass Pro failed to provide the health hazard warning required by Proposition 65 for exposures to lead.

### 1.3 Product Description

The products covered by this Settlement Agreement are specifically defined as, and limited to, the *Wallet Cases with PVC Components, UPC: 810047835103*, manufactured, sold, or distributed for sale in California by Bass Pro (hereinafter the “Products”).

### 1.4 Notice of Violation

On August 3, 2023, Johnson served Bass Pro and the requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), alleging that the notice recipients violated Proposition 65 by failing to warn customers and consumers in California of the

health hazards associated with exposures to DEHP from the Products. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

### **1.5 No Admission**

Bass Pro denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Bass Pro of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Bass Pro of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Bass Pro. This Section shall not, however, diminish or otherwise affect Bass Pro's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean October 27, 2023.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulation Standards**

"Reformulated Products" are defined as those Products that: (a) contain no more than 90 parts per million ("ppm") lead in any accessible component of the Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; and (b) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol.

### **2.2 Reformulation/Warning Commitment**

No later than thirty (30) days after the Effective Date, Bass Pro shall not manufacture, import, distribute, sell or offer the Products for sale in the State of

California unless they are Reformulated Products pursuant to Section 2.1 or contain appropriate health hazard warnings pursuant to Section 2.3 below. The Parties agree and intend that compliance with the terms of this Settlement Agreement shall constitute compliance with Proposition 65 with respect to exposures to Lead from the Products.

### **2.3 Product Warnings**

No later than thirty (30) days after the Effective Date, all Products Bass Pro sells and/or distributes for sale in California that do not qualify as Reformulated Products, shall bear a clear and reasonable warning pursuant to this Section. Bass Pro further agrees that the warning shall be prominently placed with such conspicuousness when compared with other words, statements, designs or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of use. For purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed directly to the product or product packaging, label, or tag, for Products sold in California, and contain one of the following statements:

 **WARNING:** Reproductive Harm- [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

**OR**

 **WARNING:** This product can expose you to chemicals including lead, which are known to the State of California to cause birth defects and other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

The above warning statements shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING.”

Where a sign or label used to provide a warning includes consumer information about a Product in a language other than English, the warning shall also be provided in that language in addition to English.

If Bass Pro sells Products via its own proprietary internet website to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; (c) on one or more web pages displayed to a California purchaser prior to completion of the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

The parties acknowledge that the warnings required by this section are not the exclusive methods of providing Proposition 65 warnings and agree that Bass Pro may utilize “safe harbor” warning language and methods of transmission, applicable to lead and the Products, promulgated by the Office of Environmental Health Hazard Assessment without being deemed in breach of this Settlement Agreement.

### **3. MONETARY SETTLEMENT TERMS**

#### **3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, Bass Pro agrees to pay \$1,600 in civil penalties no later than seven (7) business days after the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson. Bass Pro shall make its payment in two checks, delivered to the address in Section 3.3, as follows: (1) to “OEHHA” in the amount of \$1,200; and (2) to “Dennis Johnson” in the amount of \$400. Johnson’s counsel shall

provide counsel for Bass Pro with an executed IRS Form W-9 for Johnson and OEHHA within five (5) days of the Effective Date.

### **3.2 Attorneys' Fees and Costs**

The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to his counsel, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Bass Pro expressed a desire to resolve Johnson's fees and costs. The Parties reached an accord on the compensation due to Johnson's counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, Bass Pro agrees to pay, no later than seven (7) business days after the Effective Date, \$14,400, in the form of a check made payable to "Voorhees & Bailey, LLP," for all fees and costs incurred investigating, bringing this matter to the attention of Bass Pro's management, and negotiating a settlement. Johnson's counsel shall provide counsel for Bass Pro with an executed IRS Form W-9 for Voorhees & Bailey, LLP within five (5) days of the Effective Date.

### **3.3 Payment Address**

All payments under this Settlement Agreement shall be delivered to the following address:

Voorhees & Bailey, LLP  
990 Amarillo Avenue  
Palo Alto, CA 94303

Johnson, in his individual capacity only and not in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys’ fees, damages, losses, claims, liabilities, and demands of Johnson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, including but not limited to all failure to warn claims, arising out of alleged or actual exposures to lead in the Products manufactured, imported, distributed, or sold by Bass Pro prior to the Effective Date. The Parties understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Bass Pro. Nothing in this Section affects Johnson’s right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Bass Pro’s Products.
