

## SETTLEMENT AGREEMENT

### **1. INTRODUCTION**

#### **1.1 Parties**

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Nuvi Global Corporation (“Nuvi”), on the other hand, with EHA and Nuvi each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California allegedly serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Nuvi is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

#### **1.2 General Allegations**

EHA alleges that Nuvi manufactures, sells, and/or distributes for sale in California, a dietary supplement referred to as Nuvi Fiber that contain lead and that it does so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer.

#### **1.3 Product Description**

The products covered by this Settlement Agreement are defined as, and expressly limited to Nuvi Fiber - Peach Flavor (“Covered Products”), that are manufactured, sold or distributed for sale in California by Nuvi.

#### **1.4 Notice of Violation**

On or around August 10, 2023, EHA served Nuvi, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that Nuvi had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to lead contained in Covered Products.

To the best of the parties' knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

### **1.5 No Admission**

Nuvi denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Nuvi of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Nuvi of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Nuvi. This Section shall not, however, diminish or otherwise affect Nuvi's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulation Standard**

Beginning ninety (90) days after the Effective Date and subject to Section 2.3, Nuvi Global Corporation shall be permanently enjoined from manufacturing, distributing, or directly selling in the State of California, any Covered Product that exposes a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of Lead based on a single serving per day unless such Covered Products comply with the warning requirements of Section 2.2. The "Daily Lead Exposure Level" shall be calculated by multiplying the recommended serving size in Covered Product by the concentration of lead in Covered Products. As used in this Section 2, "distributed for sale in CA" means to directly ship Covered Products into California or to sell Covered Products to a distributor Nuvi Global Corporation knows will sell Covered Products in California.

### **2.2 General Warning Requirements**

Commencing on the Effective Date, Nuvi agrees any Covered Product sold that was not

reformulated pursuant to paragraph 2.1 shall contain a Proposition 65 warning. Nuvi agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Products sold in California by Nuvi, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

- 1) **WARNING:** Consuming this product can expose you to chemicals including Lead and lead compounds, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

OR

- 2) **WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

This warning statement shall be prominently displayed on the Covered Products, on the packing of the Covered Products, or on a placard, shelf tag, or sign provided that the statement is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. If the second warning statement is provided (the “short-form warning”) and the warning statement is displayed on the Covered Products’ packaging, it must be in a type size no smaller than the largest type size used for other consumer information on the product. In no case shall a short-form warning statement displayed on the Covered Products’ packaging appear in a type size smaller than 6-point type. If the Covered Products’ packaging contains consumer information in a foreign language, a warning statement in that language is required. The same warning shall be posted on any websites under the

exclusive control of Nuvi where Covered Products are sold into California. Such warning shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for any Covered Products in existing inventory that had not been reformulated and are in Nuvi's inventory, stream of commerce, or were distributed and/or sold by Nuvi or any of the Releasees through ninety (90) days after the Effective Date. There shall be no obligation for Nuvi to provide a warning for Covered Products that are in Nuvi's inventory or entered the stream of commerce prior to the Effective Date through ninety (90) days after the Effective Date, and the Section 4 release applies to all such Covered Products.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, Nuvi shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in the Covered Products are no longer required, a lack of warning by Nuvi will not thereafter be a breach of this Agreement. Nuvi shall instruct any third-party website to which it sells its Covered Products to include the same warning as a condition of selling the Covered Products.

**2.3 Grace Period for Existing Inventory of Covered Products**

The injunctive requirements of Section 2 shall not apply to Covered Products that are in Nuvi's inventory or are already in the stream of commerce prior to the Effective Date through ninety day (90) days after the Effective Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

**3. MONETARY SETTLEMENT TERMS**

**3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Nuvi agrees to pay three thousand (\$3,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. Shall issue two separate checks for the initial civil penalty payment to (a) “OEHHA” and (b) Environmental Health Advocates, Inc. as follows:

- One payment of \$2,250.00 to OEHHA, sent 14 (fourteen) days after the Effective Date.
- One payment of \$750.00 to EHA, sent 14 (fourteen) days after the Effective Date.

### **3.2 Attorney Fees and Costs**

The Parties reached an accord on the compensation due to EHA and its counsel under the

private attorney general doctrine and principles of contract law. Under these legal principles, Nuvi agrees to pay twenty seven thousand dollars (\$27,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter the attention of Nuvi, and negotiating a settlement. The twenty seven thousand dollars (\$27,000.00) in Attorney's Fees and Costs shall be payable to Entorno Law, LLP as follows:

- One payment of \$7,000.00, sent fourteen (14) days after the Effective Date.
- One payment of \$10,000.00, sent forty-five (45) days after the Effective Date.

### **3.4 Tax Documentation**

Nuvi agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that Nuvi cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Nuvi receives the requisite W-9 forms from EHA's counsel.

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 EHA's Release of Nuvi**

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and Nuvi for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Nuvi and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom Nuvi directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees and

any upstream suppliers or manufacturers of the Covered Products or components of the Covered Products (“Releasees”), based on the failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by Nuvi before the Effective Date, as alleged in the Notice, or for any other reason. This release shall also cover any Covered Products that were in the stream of commerce or in inventory prior to the Effective Date through ninety (90) days after the Effective Date.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Nuvi and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by Nuvi, before the Effective Date through ninety (90) days after the Effective Date.

#### **4.2 Nuvi's Release of EHA**

Nuvi, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

#### **4.3 California Civil Code Section 1542**

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and Nuvi on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through

the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

EHA and Nuvi each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

**5 PUBLIC BENEFIT**

It is Nuvi's understanding that the commitments it has agreed to herein, and actions to be taken by Nuvi under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Nuvi that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Nuvi's alleged failure to provide a warning concerning actual or alleged exposure to lead prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Nuvi is in material compliance with this Settlement Agreement.

**6. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. **ENFORCEMENT**

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

9. **NOTICE**

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:
