

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and George Delallo Company, Inc. (“Delallo”), on the other hand, with EHA and Delallo each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Delallo is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that Delallo manufactures, sells, and/or distributes for sale in California, gnocchi products that contain lead and cadmium and that it does so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and reproductive toxicity. Cadmium is listed pursuant to Proposition 65 as a chemical known to cause reproductive toxicity.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and expressly limited to Delallo Chickpea Gnocchi (“Covered Products”), that are manufactured, sold and/or distributed for sale in California by Delallo.

1.4 Notice of Violation

On or around October 13, 2024, EHA served Delallo, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that Delallo had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to lead and cadmium contained in Covered Products.

To the best of the parties' knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

Delallo denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Delallo of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Delallo of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Delallo. This Section shall not, however, diminish or otherwise affect Delallo's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

1.7 Compliance Date

For purposes of this Settlement, the term "Compliance Date" means 30 days from the Effective Date.

2. INJUNCTIVE RELIEF

2.1 Reformulation Standard

Beginning on or before the Compliance Date, Delallo agrees not to distribute for sale in the state of California any Covered Product that exposes a person to (a) a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead per day or (b) a "Daily Cadmium Exposure Level" of more than 4.1 micrograms of cadmium per day based on a single serving per day, unless such Covered Products comply with the warning requirements of Section 2.2. The "Daily Lead Exposure Level" and "Daily Cadmium Exposure Level" shall be calculated by multiplying the recommended serving size in Covered Product by the concentration of lead and cadmium in Covered Products. As used in this Section 2, "distribute for sale in CA" means to directly ship Covered Products into California or to sell Covered Products to a distributor Delallo knows will sell Covered Products in California.

2.2 General Warning Requirements

Commencing on the Compliance Date, Delallo agrees any Covered Product sold that was not reformulated pursuant to paragraph 2.1 shall contain a Proposition 65 warning. Delallo agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Products sold in California by Delallo, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

1) **WARNING:** Consuming this product can expose you to chemicals including lead and cadmium, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov/food.

OR

2) **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov/food.

This warning statement shall be prominently displayed on the Covered Products, on the packing of the Covered Products, or on a placard, shelf tag, or sign provided that the statement is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. If the warning statement is displayed on the Covered Products' packaging, it must be in a type size no smaller than the largest type size used for other consumer information on the product. In no case shall a warning statement displayed on the Covered Products' packaging appear in a type size smaller than 6-point type. If the Covered Products' packaging contains consumer information in a foreign language, a

warning statement in that language is required. The same warning shall be posted on any websites under the exclusive control of Delallo where Covered Products are sold into California. Such warning shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for any Covered Products in existing inventory that had not been reformulated and were distributed and/or sold by Delallo or any of the Releasees after the Effective Date. There shall be no obligation for Delallo to provide a warning for Covered Products that entered the stream of commerce prior to the Effective Date, and the Section 4 release applies to all such Covered Products. If EHA alleges that any Covered Product fails to adhere to this Settlement Agreement, then EHA shall inform Delallo in a reasonably prompt manner by written notice, including information sufficient to permit Delallo to identify the Covered Product at issue and investigate. Delallo shall have thirty (30) days following such written notice to provide EHA with testing information demonstrating Delallo's compliance, evidence that the omission of the warning was due to the Covered Product entering the stream of commerce prior to the Effective Date, or evidence that the omission of the warning was due to Dellalo distributing the product to a state other than California. The Parties shall first attempt to resolve the matter prior to EHA taking any legal action.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, Delallo shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead and cadmium in this product are no longer required, a lack of warning by Delallo will not thereafter be a breach of this Agreement. Delallo shall instruct any third-party website to which it sells its Covered Products to include the same warning as a condition of selling the Covered Products.

2.3 Grace Period for Existing Inventory of Covered Products

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Effective Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Delallo agrees to pay two thousand (\$2,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. Shall issue two separate checks for the initial civil penalty payment to (a) “OEHHA” and (b) Environmental Health Advocates, Inc. as follows:

- One payment of \$1,500.00 to OEHHA, due 14 (fourteen) days after the Effective Date.
- One payment of \$500.00 to EHA, due 14 (fourteen) days after the Effective Date.

3.2 Attorney Fees and Costs

The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Delallo agrees to pay twenty three thousand dollars (\$23,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter the attention of Delallo, and negotiating a settlement. This payment shall be due fourteen (14) days after the Effective Date and payable to Entorno Law, LLP as follows:

All payments required under this Section shall be delivered to:

Noam Glick
Entorno Law, LLP

3.3 Tax Documentation

Delallo agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that Delallo cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Delallo receives the requisite W-9 forms from EHA's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of Delallo

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and Delallo for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Delallo and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members,

employees, attorneys, and any entity, including, but not limited to each entity to whom Delallo directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors (including but not limited to KeHE Distributors, LLC), wholesalers, customers, retailers (including but not limited to Sprouts Farmers Market, Inc., SF Markets, LLC, and their parents, subsidiaries, and affiliated entities), franchisees, cooperative members and licensees (“Releasees”), based on the failure to warn about exposures to lead and cadmium required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by Delallo before the Effective Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Delallo and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to lead and cadmium required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by Delallo, before the Effective Date.

4.2 Delallo's Release of EHA

Delallo, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and Delallo on behalf of itself only, on the other hand, acknowledge that

this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

EHA and Delallo each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5 PUBLIC BENEFIT

It is Delallo's understanding that the commitments it has agreed to herein, and actions to be taken by Delallo under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Delallo that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Delallo's alleged failure to provide a warning concerning actual or alleged exposure to lead and cadmium prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Delallo is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of

California and apply within the State of California.

8. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

9. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

10. COUNTERPARTS; FACSIMILE SIGNATURES
