

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Pilot Travel Centers LLC (“Pilot”) and Ramy Eden (“Eden”). Pilot and Eden are individually referred to as a “Party” and are collectively referred to as the “Parties.” Eden is an individual who resides in the State of California and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances present at commercial establishments as well as those contained in consumer products. Eden alleges that Pilot is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Eden alleges that without first providing individuals the health hazard exposure warning required by Proposition 65, Pilot potentially exposed individuals to the chemical “Unleaded Gasoline” at the Subject Location (defined in Section 1.3 below). Unleaded Gasoline is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer.

1.3 Description of Subject Location. The location covered by this Settlement Agreement is the service station located at 1850 Main Street, Brawley, California (“Subject Location”).

1.4 Notice of Violation. On or about November 9, 2023, Eden served Pilot and various public enforcement agencies with a notice of violation which was assigned Attorney General No. 2023-03530. The notice of violation alleged that Pilot was in violation of California Health & Safety Code § 25249.6, for failing to provide the requisite warnings to customers and other individuals who came onto the premises of the Subject Location. No public enforcer has diligently prosecuted the allegations set forth in the notice of violation.

1.5 No Admission. Pilot denies the material, factual, and legal allegations contained in the notice of violation and maintains that, to the best of its knowledge, the Subject Location has been, and presently is, in compliance with all laws. Nothing in this Settlement Agreement shall

SETTLEMENT AGREEMENT

be construed as an admission by Pilot of any fact, finding, conclusion, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Pilot of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Pilot. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties under this Settlement Agreement. Notwithstanding the allegations in the notice of violation, Pilot maintains it has not violated Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date fourteen (14) days following the date this Settlement Agreement is executed by Eden and returned to Pilot.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Clear and Reasonable Warning. As of the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this § 2.1 must be provided at the Subject Location so long as Pilot is doing business there. The warning shall consist of the following text:

 **WARNING:** Breathing the air in this area or skin contact with petroleum products can expose you to chemicals including benzene, motor vehicle exhaust and carbon monoxide, which are known to the State of California to cause cancer and birth defects or other reproductive harm. Do not stay in this area longer than necessary. For more information go to www.P65Warnings.ca.gov/service-station

The words “**WARNING:**” shall be in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the words “**WARNING:**” shall be a black exclamation point in a yellow equilateral triangle with a black outline. The symbol must be in a size no smaller than the height of the words “**WARNING:**”.

The warning shall be posted on a sign at each gas pump at the Subject Location and the warning must be printed in no smaller than 22-point type and be enclosed in a box. If other signage at the Subject Location is provided for the public in a language other than English, the warning must be provided in English, and that other language.

SETTLEMENT AGREEMENT

2.2 Compliance with Warning Regulations. The Parties agree that Pilot shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2.1 of this Settlement Agreement or by providing warnings that comply with Health and Safety Code § 25249.6 or by complying with warning requirements adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") after the Effective Date.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

Pursuant to California Health and Safety Code § 25249.7(b)(2), and in settlement of all the claims alleged in the Notices or referred to in this Settlement Agreement, Pilot shall pay a total of eight thousand dollars (\$8,000.00) as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Eden. The Civil Penalty payments shall be delivered to the addresses identified in § 3.2, below.

3.1 Date for Payment of Civil Penalty. Within seven (7) days of the Effective Date, Pilot shall issue two separate checks for the Civil Penalty payment: (a) one check made payable to "OEHHA" in the amount of six thousand dollars (\$6,000.00); and (b) one check made payable to "Ramy Eden" in the amount of two thousand dollars (\$2,000.00). 4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Eden and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Eden and his counsel under general contract principles and the private attorney general doctrine and

SETTLEMENT AGREEMENT

principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the settlement of this matter. Under these legal principles, Pilot shall reimburse Eden's counsel for fees and costs incurred as a result of investigating and bringing this matter to Pilot's attention and negotiating a settlement in the public interest. Within ten (10) business days of the Effective Date, Pilot shall issue one check payable to "Jarrett Charo APC" in the amount of ten thousand dollars (\$10,000.00) and deliver it to the address identified in Jarrett Charo APC's IRS Form W-9.

5. RELEASE OF ALL CLAIMS

5.1 Release of Pilot and all affiliated entities. This Settlement Agreement is a full, final and binding resolution between Eden, acting on his own behalf, and Pilot of any violation of Proposition 65 that Eden asserted or could have asserted for himself for or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns ("Releasers") against Pilot and its respective parents, subsidiaries, assigns, predecessors, successors, affiliated entities, directors, officers, members, marketplaces, employees, agents, and attorneys and all refiners, suppliers and distributors of the unleaded gasoline to Pilot at the Subject Location and all their respective parents, subsidiaries, assigns, predecessors, successors, affiliated entities, directors, officers, members, employees, agents, and attorneys (collectively ("Releasees")), based on the alleged failure to warn about exposures to the listed chemical under Proposition 65 at the Subject Location up through the Effective Date, as alleged in the notice of violation. Compliance with the terms of this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to the listed chemical at the Subject Location, as set forth in the notice of violation.

5.2 Pilot's Release of Eden. Pilot, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waive any and all claims against Eden, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Eden and/or his attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce

SETTLEMENT AGREEMENT

Proposition 65 against them in this matter, or with respect to the Subject Location.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the notice of violation and relating to alleged violations of Proposition 65 at the Subject Location will develop or be discovered. Eden on behalf of himself only, on one hand, and Pilot, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Eden and Pilot each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.5. Public Benefit. Pilot understands that the commitments agreed to in this Settlement Agreement, and actions to be taken by them under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in California Code of Civil Procedure § 1021.5 and California Code of Regulations tit. 11, § 3201. As such, it is Pilot's intent that, to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Pilot's alleged failure to provide Proposition 65 service station warnings at the Subject Location, such private party action would not confer a significant benefit on the general public as to the Subject Location, provided that Pilot is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of

SETTLEMENT AGREEMENT

this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. **GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed, preempted, or is otherwise rendered inapplicable or limited by reason of law generally, or as to the listed chemical referenced in the notice of violation, then Pilot may provide written notice to Eden of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Subject Location is so affected.

8. **NOTICES**

Unless specified in this Settlement Agreement, all correspondence and notices required to be provided pursuant to this Settlement Agreement to any party to the agreement shall be in writing and personally delivered or sent to that party—via: (i) first-class registered or certified mail with return receipt requested; or (ii) overnight or two-day courier—at the following addresses:

9. COUNTERPARTS: SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile, .pdf signature, or DocuSign signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Eden agrees to comply with the reporting requirements referenced in California Health & Safety Code

§ 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties that references

the Settlement Agreement.

12. POTENTIAL CLAIMS OF VIOLATION

If a party to this Settlement Agreement intends to file a lawsuit against the other party for any alleged violation of the Settlement Agreement, the party intending to file the lawsuit must first notify the other party in writing of its intent. The writing must include a brief description of the alleged violation, and an offer to meet by telephone, video conference or in person to resolve any dispute over the alleged violation. If within 15 days of receiving the writing describing the violation the other party agrees to meet and confer within the following 30 days, the party alleging the violation may not file its lawsuit until after the 30-day period has elapsed.

13. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related the Settlement Agreement shall be deemed to have been merged within it. No representations or terms of agreement other than

those contained in this Settlement Agreement exist or have been made by either party to the agreement to the other party regarding the Settlement Agreement’s subject matter.
