

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Banza LLC (“Banza”), on the other hand, with EHA and Banza each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Banza is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that Banza manufactured, sold, and/or distributed for sale in California, a chickpea rice products that contained lead and that it did so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and reproductive harm.

1.3 Product Description

The product covered by this Settlement Agreement is defined as, and expressly limited to Banza Chickpea Rice – Chipotle Tomato (“the Covered Product”), that was manufactured, sold and/or distributed for sale in California by Banza.

1.4 Notice of Violation

On or around November 9, 2023, EHA served Banza, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that Banza had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to lead contained in the Covered Product.

To the best of the parties’ knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

The Parties enter into this Settlement Agreement to settle disputed claims concerning compliance with Proposition 65. Banza denies that a warning is required on the Covered Product under Proposition 65 or any otherwise applicable law. Banza further denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Covered Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Banza of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Banza of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Banza. This Section shall not, however, diminish or otherwise affect Banza's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Settlement Agreement is executed by the Parties.

1.7 Compliance Date

For purposes of this Settlement, the term “Compliance Date” means 30 days from the Effective Date.

2. INJUNCTIVE RELIEF

2.1 Reformulation Standard

Banza no longer manufactures, distributes, or sells the Covered Product and does not intend to do so in the future. If, in the future, Banza manufactures, distributes, or sells the Covered Product, Banza shall not sell in or distribute for consumer sale in the State of California the Covered Product unless reformulated in compliance with the Reformulation Standard (defined below), without providing a warning compliant with Section 2.2. For this purpose, “distribute for consumer sale into the State of California” means to directly ship into California or to sell to a distributor Banza knows will sell the Covered Product in California. Beginning on or before the Compliance Date, Banza shall refrain from manufacturing, distributing, or directly selling in the State of California, any Covered Product that

exposes a person to a “Daily Lead Exposure Level” of more than 0.5 micrograms of Lead based on a single serving per day (“Reformulation Standard”), unless such Covered Products comply with the warning requirements of Section 2.2. The “Daily Lead Exposure Level” shall be calculated by multiplying the recommended serving size in Covered Product by the concentration of lead in Covered Products..

2.2 General Warning Requirements

Commencing on the Compliance Date, Banza agrees any package of the Covered Product sold that does not comply with the Reformulation Standard shall contain a Proposition 65 warning. Banza agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Product shall consist of a warning affixed to the label, tag of each package of a Covered Product sold in California by Banza, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

1) WARNING: Consuming this product can expose you to chemicals including Lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov/food.

OR

2) WARNING: Cancer and Reproductive Harm – www.P65Warnings.ca.gov/food.

This warning statement shall be prominently displayed on the Covered Product, on the packing of the Covered Product, or on a placard, shelf tag, or sign provided that the statement is displayed with such conspicuousness, as compared with other words, statements, or designs as to

render it likely to be read and understood by an ordinary individual prior to sale. If the warning statement is displayed on the Covered Product's packaging, it must be in a type size no smaller than the largest type size used for other consumer information on the Covered Product label. In no case shall a warning statement displayed on the label appear in a type size smaller than 6-point type. If the Covered Product's label contains consumer information in a foreign language, a warning statement in that language is required. The same warning shall be posted on any websites under the exclusive control of Banza where the Covered Product is sold into California. Such warning shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Product for any Covered Product in existing inventory that has not been reformulated and were distributed and/or sold by Banza or any of the Releasees after the Effective Date. There shall be no obligation for Banza to provide a warning for the Covered Product that entered the stream of commerce prior to the Effective Date, and the Section 4 release applies to all such packages of the Covered Product.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Product and the chemical at issue, which are different than those set forth above, Banza shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in this product are no longer required, a lack of warning by Banza will not thereafter be a breach of this Agreement. Banza shall instruct any third-party website to which it sells the Covered Product to include the same warning as a condition of selling the Covered Product.

2.3 Grace Period for Existing Inventory of Covered Product

The injunctive requirements of Section 2 shall not apply to the Covered Product that are already in the stream of commerce as of the Effective Date. Such packages are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, packages of the Covered Product

in the stream of commerce specifically include, but are not limited to, Covered Product in the process of manufacture.

Under these legal principles, Banza agrees to pay twenty thousand dollars (\$20,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of Banza, and negotiating a settlement. This payment shall be due fourteen (14) days after the Effective Date and shall be payable to Entorno Law, LLP as follows:

All payments required under this Section shall be delivered to:

3.3 Tax Documentation

Banza agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that Banza cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Banza receives the requisite W-9 forms from EHA's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of Banza

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and Banza for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Banza and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom Banza directly or indirectly distributes or sells the Covered Product, including, but not limited to, its downstream distributors, wholesalers, customers, retailers (including but not limited to Amazon.com, Inc.), franchisees, cooperative members and licensees ("Releasees"), based on the

failure to warn about exposures to lead required under Proposition 65 in the Covered Product manufactured, sold or distributed for sale in California by Banza before the Effective Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Banza and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to lead required under Proposition 65 in the Covered Product manufactured, distributed, sold or offered for sale by Banza, before the Effective Date.

4.2 Banza's Release of EHA

Banza, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Product.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Product will develop or be discovered. EHA on behalf of itself only, on one hand, and Banza on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

EHA and Banza each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5. PUBLIC BENEFIT

It is Banza's understanding that the commitments it has agreed to herein, and actions to be taken by Banza under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Banza that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Banza's alleged failure to provide a warning concerning actual or alleged exposure to lead prior to use of the Covered Product it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to the Covered Product addressed in this Settlement Agreement, provided that Banza is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.
