

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties. This Settlement Agreement is entered into by and between Michael DiPirro (referred to herein as “DiPirro”), and WM. K. Walthers, Inc. (referred to herein as “Noticed Party”). DiPirro is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Noticed Party employs ten or more persons and allegedly is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations. DiPirro alleges that the Noticed Party manufactures, imports, sells, or distributes for sale, in the State of California products containing lead without first providing the clear and reasonable exposure warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical that is known to the State of California to cause cancer and birth defects or other reproductive harm (hereinafter the “Listed Chemical”).

1.3 Product Description. The products covered by this Settlement Agreement are Lead weights; moldable lead; and lead putty containing the Listed Chemical that are manufactured, sold, or distributed for ultimate sale to consumers in the State of California by the Noticed Party, including, but not limited to, the: A-Line Moldable Lead – 1oz 28.3g (the “Products”).

1.4 Notice of Violation. On or about November 21, 2023, DiPirro served Noticed Party and certain requisite public enforcement agencies with a 60-Day Notice of Violation (the “Notice”), a document that informed the recipients of DiPirro’s allegation that Noticed Party violated Proposition 65 by failing to warn its customers and consumers in California that the Products expose users to the Listed Chemical. To the best of DiPirro’s knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission. Noticed Party denies the material, factual, and legal allegations contained in the Notice and maintain that all of the products they have manufactured, sold, or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by the Noticed Party of any fact, finding, conclusion of law, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by the Noticed Party of any fact, finding, conclusion of law, issue of law, or violation of law, the same being specifically denied by the Noticed Party. This section shall not, however, diminish or otherwise affect the Noticed Party’s obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the day the final requisite signature is applied to the Settlement Agreement.

2. INJUNCTIVE RELIEF: PRODUCT WARNINGS

2.1 Product Warnings. Commencing within sixty (60) days of the Effective Date, for any of the Noticed Party's Products that contain more than 0.1 percent (1,000 parts per million) of the Listed Chemical and are shipped to any California resident consumer, or any agent, distributor, or affiliated company working on behalf of Noticed Party, for sale to California consumers, Noticed Party shall provide a clear and reasonable warning on the label of each Product as set forth in Section 2.3. Each warning shall be displayed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be seen, read and understood by an ordinary individual under customary conditions of purchase or use.

2.2 Internet Warnings. In addition to the warning specified in Section 2.1 above, for all Products that the Noticed Party offers for sale directly to consumers in California via the internet, the Noticed Party shall provide a warning for such Products to the California consumer by including the warning set forth below in Section 2.3 on one or more of the following: (a) on the same web page on which a Covered Product is displayed; (b) on the same web page as the order form for a Covered Product; (c) on the same web page as the price for any Covered Product; or (d) on one or more web pages displayed to a purchaser during the checkout process. The internet warning described above can also be delivered through a hyperlink using the word "[California Prop 65] WARNING" (language in brackets optional), which then takes the user to a display of the warning set out in Paragraph 2.3.

2.3 Text of the Warning. The Noticed Parties shall use the warning set forth below, which shall include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline as shown below (the symbol may be black or white if the color yellow is otherwise not used on the Product's packaging):

 **WARNING:** This product can expose you to chemicals including Lead and lead compounds, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Or

 **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

The Parties agree that the Noticed Party shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning regulations adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") applicable to the Product and the exposures at issue after the Effective Date. No Proposition 65 warning shall be required as to any Products that are already in the stream of commerce or inventory as of the Effective Date.

2.4 Foreign Language Requirement. Where a product sign, label or shelf tag used to provide a warning includes consumer information in a language other than English, the Warning must also be provided in that language in addition to English.

3. PENALTIES & PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

3.1 Civil Penalty Payment Pursuant to Health & Safety Code § 25249.7(b). The Noticed Party shall make a civil penalty payment of \$1,000 as a component of this settlement. The penalty payment will be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) & (d), with 75% of the penalty funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty remitted to DiPirro. Counsel for DiPirro agree to forward such funds to OEHHA in a timely manner.

4. REIMBURSEMENT OF FEES AND COSTS

The parties acknowledge that DiPirro and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee issue to be resolved after the material terms of the agreement had been settled. The Noticed Party then expressed a desire to resolve the fee and cost issue shortly after the other settlement terms had been finalized. The parties then attempted to (and did) reach an accord on the compensation due to DiPirro and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. The Noticed Party shall pay a total of \$42,500 for fees and costs incurred as a result of investigating, working with toxicology experts, bringing this matter to the Noticed Party’s attention, document preparation, and negotiating a settlement in the public interest.

5. PAYMENT AND FORM 1099

5.1 Payment. The complete settlement payment in the amount of \$43,500 shall be sent within fifteen (15) days of the Effective Date, to the bank account of Jeremy Fietz, Attorney at Law (via wire transfer, or ACH payment; number provided upon request) or by physical check to the office of Jeremy Fietz, Attorney at Law, 4241 Montgomery Drive, #123, Santa Rosa CA 95405, and for the latter option shall be in the form of a check made payable to: “Jeremy Fietz, Attorney at Law”. For any payment that is returned for any reason, including insufficient funds, a payment must be made by Noticed Party in form of a cashier’s check within three (3) calendar days of notification of insufficient funds, plus a 5% service fee paid to DiPirro’s attorneys. Counsel for DiPirro agree to forward the portions of the settlement payment allocable to OEHHA and Mr. DiPirro in a timely manner.

5.2 Issuance of 1099 Form. The Noticed Party shall provide DiPirro’s counsel, Jeremy Fietz, Attorney-at-Law, with one 1099 form for the entire settlement amount filed after the year pursuant to IRS guidelines. Such 1099 shall be made on the Form 1099 MISC with the amount reported in box 10 (“Gross proceeds paid to an attorney”). The Noticed Party acknowledges that 1099 shall NOT be issued under form 1099 NEC. A W9 shall be provided by Jeremy Fietz, Attorney-at-Law after this Settlement Agreement has been fully executed by the Parties to this agreement.

6. CLAIMS COVERED AND RELEASED

6.1 DiPirro's Release of Noticed and Related Parties. This Settlement Agreement is a full, final, and binding resolution between DiPirro and the Noticed Party of any violation of Proposition 65 that was or could have been asserted by DiPirro, on behalf of himself, or on behalf of his past and current agents, representatives, attorneys, successors, and assignees, against any of the Noticed Party, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, attorneys, and each entity to whom either Noticed Party directly or indirectly obtains, distributes or sells the Products ("Releasees"), including its downstream distributors and retailers and upstream manufacturers and suppliers including, without limitation, Amazon.com.

In further consideration of the promises and agreements herein contained, DiPirro, on his own behalf and on behalf of his past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action, and releases all claims that he may have against the Noticed Party and Releasees, including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses, including, without limitation, investigation fees, expert fees, and attorneys' fees arising under Proposition 65 for exposures to the Listed Chemical from Products distributed, sold, or distributed for sale in California by the Noticed Party prior to the Effective Date.

This Release shall also cover any Products that were in the stream of commerce or in inventory prior to the Effective Date.

6.2 Noticed Party's Release of DiPirro. Each Noticed Party, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims that it may have against DiPirro and his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by DiPirro and his attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

7. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

8. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then the Noticed Party may provide written notice to DiPirro of any asserted change in the law, and have no further obligations pursuant to this Settlement Agreement, with respect to, and to the extent that, the Products are so affected. Nothing in this Settlement Agreement shall be interpreted to

relieve Noticed Party from any obligation to comply with any pertinent state or federal toxics control laws.
