

SETTLEMENT AND RELEASE AGREEMENT

1. **INTRODUCTION**

1.1. **Keep America Safe and Beautiful and Riega Foods, LLC:**

This Settlement Agreement is entered into by and between Keep America Safe and Beautiful ("KASB"), represented by its attorneys KJT Law Group, LLP on the one hand, and Riega Foods, LLC ("Riega"), on the other hand, with KASB and Riega collectively referred to as the "Parties."

1.2. **General Allegations**

KASB alleges that Riega manufactured, distributed, and offered for sale in the State of California Superfoods containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. **Product Description**

The product covered by this Settlement Agreement is defined as Riega Organic – Superfoods – Raving Red Combo – UPC #: 8 10062 81028 4, that Riega has sold, offered for sale, manufactured, or distributed in California. All such items shall be referred to herein as the "Covered Product."

1.4. **Notice of Violation**

On January 26, 2024, KASB served Riega and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided Riega and such public

enforcers with notice that Riega was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers that the Covered Product exposed users in California to lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. **No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Riega's compliance with Proposition 65. Specifically, Riega denies the allegations contained in KASB's Notice and maintains that all products that it has placed for sale and distribution in California, including the Covered Product, have been and are in compliance with Proposition 65 and all other statutes, regulations, and common law and equitable doctrines. Nothing in this Settlement Agreement shall be construed as an admission by Riega of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Riega of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Riega. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Riega under this Settlement Agreement.

1.6. **Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. **INJUNCTIVE RELIEF:**

2.1 Beginning on the Effective Date, Riega shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California any Covered Product that expose a person to a "Daily

Lead Exposure Level" of more than 0.5 micrograms of lead per day, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that Riega knows or has reason to know will sell the Covered Product in California. The injunctive relief in Section 2 does not apply to any Covered Product that has left the possession, and is no longer under the control of Riega prior to the Effective Date, and all claims as to such Covered Product are released in this Settlement Agreement.

For purposes of this Settlement Agreement, the "Daily Lead Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of recommended daily servings appearing on the label), which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

2.2 Clear and Reasonable Warnings

If Riega is required to provide a warning pursuant to Section 2.1, one of the following warnings must be utilized ("Warning").

Option 1:

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause [cancer and], birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

Option 2:

WARNING: [Cancer and] Reproductive Harm <http://www.p65warnings.ca.gov/food>

Riega shall use the phrase "cancer and" in the Warning if the exposure level is greater than 15 micrograms of lead per day.

The Warning shall be securely affixed to or printed upon the label of each Covered Product and must be set off from other surrounding information. For purposes of this Settlement Agreement, the term "label" means a display of written, printed or graphic material that is printed on or affixed to a Covered Product or its immediate container or wrapper. The Warning must be set off from other surrounding information, enclosed in a box. If consumer information on the package is in a foreign language, the Warning must also be provided in the foreign language. In addition, for any Covered Product sold over the internet, the Warning shall appear on the checkout page in full text or through a clearly marked hyperlink using the word "**WARNING**" in all capital and bold letters when a California delivery address is indicated for any purchase of any Covered Product. If a hyperlink is used, the hyperlink must go directly to a page prominently displaying either the Option 1 Warning or the Option 2 Warning without content that detracts from the Warning. An asterisk or other identifying method must be utilized to identify which products on the checkout page are subject to the Warning. If the Office of Environmental Health Hazard Assessment adopts new warning regulations applicable to the Covered Product and

chemical at issue, Riega may provide a warning in compliance with such newly-adopted regulations.

3. CONSIDERATION

In settlement of all the claims referred to in this Settlement Agreement, the Parties reached an accord on the compensation due, under the private attorney general doctrine and principles of contract law. Under these legal principles, Riega shall pay \$15,000.00 as settlement and for fees and costs, incurred as a result of investigating and bringing this matter to Riega's attention.

6. RELEASE OF ALL CLAIMS

6.1. Release of Riega, Downstream Customers and Upstream Vendors

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 through 6 above, KASB, on behalf of itself, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Covered Product, including, without limitation, all actions, and

causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) against Riega, its equity owners, parent companies, corporate affiliates, subsidiaries, predecessors, successors and assigns (collectively "Releasees") and each of its distributors, wholesalers, licensors, licensees, auctioneers, retailers, including but not limited to Amazon.com Services, LLC, for any alleged violations of Proposition 65, or any other alleged violations of statutory or common law, arising from alleged exposure to lead in relation to the Covered Product, up through the Effective Date.

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Product will develop or be discovered. This Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. KASB, in its capacity, expressly waives and relinquishes any and all rights and benefits which it has, or may have in the future under, or which may be conferred on it by the provisions of California Civil Code section 1542, as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters. KASB acknowledges and understands the significances and consequence of its specific waiver of California Civil Code section 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 or its implementing regulations are repealed or are otherwise rendered inapplicable by reason of law generally, or as to the Covered Product, then Riega may modify this Settlement Agreement to reflect such changes to the law, as set forth in Section 11.
