

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1 Parties

This settlement and release agreement (“Settlement Agreement”) is entered into by and between Consumer Rights Advocates, LLC (“CRA”) on the one hand, and Mexicorp, LLC (“MEXICORP”) on the other hand, with CRA and MEXICORP, each individually referred to herein as a “Party” and collectively as the “Parties.”

#### 1.2 General Allegations

CRA alleges that MEXICORP manufactures, imports, distributes, offers for sale, and/or sells certain sauce and paste products in California containing lead without warning under California Health and Safety Code sections 25249.5 *et seq.* (“Proposition 65”). Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer, birth defects, or other reproductive harm.

#### 1.3 Covered Products

The products covered by this Settlement Agreement are defined below. Such items shall be referred to herein as the “Covered Products”:

1. Rogelio Bueno Mole Sauce; UPC No.: 0-4477411400-6
2. Rogelio Bueno Adobo Paste; UPC No.: 044774301000

#### 1.4 Notices of Violation

CRA served MEXICORP and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the State of California, two (2) 60-day Notices of Violation pursuant to Cal. Health & Safety Code § 25249.5, *et seq.*, Notices of Violation No. 2024-00435; and 2024-00436 dated January 29, 2024 (the “Notices”) alleging that MEXICORP was in violation of Proposition 65 for failing to warn consumers and customers that the Covered Products exposed users in California to unlawful amounts of lead. To the best of the Parties’ knowledge, no public enforcer has commenced or is diligently prosecuting an action to enforce the violations alleged in the Notices.

#### 1.5 No Admission

The Parties enter into this Settlement Agreement to settle the disputed claims between them as set forth herein and in the Notices concerning MEXICORP’s compliance with Proposition 65. MEXICORP denies the material factual and legal allegations in the Notices and maintains that all the Products it has manufactured, offered for sale and/or distributed for sale in California, including the Covered Products, have been and are in compliance with Proposition 65 and all other applicable statutory, regulatory, common law, or equitable doctrines. Nothing in this Settlement Agreement shall be construed as an admission by MEXICORP or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, licensors, joint venture partners, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by MEXICORP or any

of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, licensors, joint venture partners, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by MEXICORP. Neither the existence nor terms of this Settlement Agreement shall be offered or admitted as evidence in any administrative or judicial proceeding or litigation in any court, agency, or forum. This Section shall not, however, diminish or otherwise affect MEXICORP's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date on which a complete and fully executed copy of this Settlement Agreement is exchanged by the Parties' counsel.

## **2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION**

As of the Effective Date, MEXICORP shall not "distribute into the State of California" or directly sell in the State of California any Covered Products that expose a person to more than 0.5 micrograms of lead per day based on the recommended serving size on the Covered Products' label, unless the Covered Products bears a warning meeting the warning requirements under Section 2.1 & 2.2.

For the purpose of this Settlement Agreement, exposure level shall be measured in micrograms and shall be calculated using the following formula: micrograms of lead per gram of Products, multiplied by grams of Products per serving of the Products as stated on the label, multiplied by servings of the Products per day stated on the label, which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one. Any testing of the Covered Products' exposure level shall be undertaken by a laboratory accredited by the State of California, a federal agency, or a nationally recognized accrediting organization.

As used in this Settlement Agreement, the term "distribute into the State of California" shall mean to directly ship the Covered Products into California for sale in California or to sell the Covered Products to a distributor that MEXICORP knows will sell the Covered Products in California. The term "distribute into the State of California" does not encompass unauthorized sales of the Covered Products by third parties.

### **2.1 CLEAR AND REASONABLE WARNINGS**

As of the Effective Date, and to the extent that MEXICORP is required to provide a warning, MEXICORP agrees to provide a clear and reasonable warning on the Covered Products in compliance with the requirements of Proposition 65. This requirement shall only be required for Covered Products that are distributed into the State of California by MEXICORP.

No Proposition 65 warning shall be required for any Covered Products already in the stream of commerce as of the Effective Date, and the injunctive requirements of this Agreement shall not apply to any such Covered Products. Further, any Covered Products already in the stream of commerce as of the Effective Date are expressly subject to the releases provided in Section 4 of this Settlement Agreement, are deemed to be exempt from Proposition 65 enforcement, and shall be permitted to be sold through as previously manufactured, packaged and/or labeled.

PT

## 2.2 GENERAL WARNING REQUIREMENTS

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Covered Products sold or distributed in California by MEXICORP that contains one of the following warning statements:

### OPTION 1:

**WARNING:** Consuming this Product can expose you to [chemicals including] lead, which is [are] known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information, go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

OR MEXICORP may, but is not required to, use the following Short-Form warning:

### OPTION 2:

**WARNING:** [Cancer and] Reproductive Harm – [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

MEXICORP may include the word “cancer” at its discretion in either label option. MEXICORP may include the phrase “chemicals including” at its discretion in label Option 1.

The warning shall be securely affixed to or printed upon the label of each product, and it must be set off from other surrounding information and enclosed in a box. In addition, the same warning shall be posted on any website under the exclusive control of MEXICORP, where the Covered Products is sold directly to consumers located in California. The warning requirements of this section shall be satisfied if the forgoing warning appears either (a) on the same web page on which Covered Products is displayed and/or described by providing a clearly marked hyperlink using the word “WARNING”; (b) on the same page as the price for the Covered Products, or (c) on one or more web pages displayed to a purchaser prior to purchase during the checkout process.

The warning shall be at least the same size as the largest of any other health or safety warnings also appearing on the website or on the label, and the word “WARNING” shall be in all capital letters and in bold print. No statements intended to or likely to have the effect of diminishing the impact of the warning on the average layperson shall accompany the warning. Further, no statements may accompany the warning that state or imply that the source of the listed chemical has an impact on or results in a less harmful effect of the listed chemical. If there is “consumer information” (as defined in 27 CCR section 25600.1(c)) on the product's packaging that is in a foreign language, the warning must also be in the foreign language.

## 2.3. CHANGES IN WARNING REGULATIONS, STATUTES OR OTHER GOVERNING AUTHORITY

In the event that (a) the Office of Environmental Health Hazard Assessment or another authorized agency promulgates one or more regulations, (b) legislation is enacted by the California legislature, United States Congress, or the voters, or (c) a published opinion is issued by a court of competent jurisdiction in the State of California, requiring, permitting or establishing warning text and/or methods of transmission different than those set forth above or an alternative

P)

means of calculating exposure for purposes of Proposition 65 other than that set forth herein, MEXICORP shall be entitled to use, at its discretion, such other warning text, method of transmission, or means of calculating exposure, without being deemed in breach of this Settlement Agreement. If regulations, legislation, or judicial rulings are enacted or issued, providing that a Proposition 65 warning for the Products is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

### **3. CONSIDERATION**

#### **3.1 Total Settlement Amount**

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 CRA Release of MEXICORP, Downstream Customers, and Upstream Vendors**

This Settlement Agreement is a full, final, and binding resolution of all claims under Proposition 65 between CRA, on its own behalf and not on behalf of the public, and MEXICORP of any violation of Proposition 65 that was or could have been asserted by CRA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees (collectively, "Releasers"), against MEXICORP and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and each entity to whom MEXICORP directly or indirectly distributes, offers for sale or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees, including, but not limited to, Sunrise Supermarket (collectively, "Releasees") based on the failure or alleged failure to warn about exposures under Proposition 65 in the Covered Products manufactured, imported, distributed, sold or offered for sale in California by MEXICORP before the Effective Date, as alleged in the Notices.

In further consideration of the promises and agreements herein contained, CRA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors, and assignees hereby provides a release to MEXICORP and Releasees and waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against MEXICORP and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert and attorneys' fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures required under Proposition 65 in the Covered Products manufactured, imported, distributed, sold or offered for sale by MEXICORP, before the Effective Date.

CRA and its attorneys represent and warrant that they have not filed and are not contemplating filing, that they are not aware of any other person who has filed or is contemplating filing, and that they have not engaged and do not intend to engage in any advertising or solicitation to locate additional persons to file, any form of complaint against the Releasees.

#### **4.2 CRA's California Civil Code Section 1542 Waiver**

CRA, on behalf of itself and all other Releasors, acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

CRA, on behalf of itself and all other Releasors, expressly waives and relinquishes any and all rights and benefits that they may have under, or which may be conferred on them, by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that Releasors may lawfully waive such rights or benefits pertaining to the released matters. The Parties agree that compliance with the terms of this Settlement Agreement shall constitute compliance by any Releasee with Proposition 65.

#### **4.3 MEXICORP's Release of CRA**

MEXICORP, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, waives any and all claims against CRA, its attorneys, and other representatives for any and all actions taken or statements made (or those that could have been taken or made) by CRA and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Covered Products.

#### **4.4 Binding Settlement Agreement**

This Settlement Agreement shall apply to, be binding upon, and inure to the benefit of CRA and the Releasees.

#### **4.5 Public Benefit**

---

Settlement Agreement Between Consumer Rights Advocates, LLC and Mexicorp, LLC

PT

It is the Parties' belief that the terms of this Settlement Agreement confer a significant benefit to the general public as set forth in California Code of Civil Procedure section 1021.5 and California Administrative Code title 11, section 3201. As such, it is the intent of the Parties that to the extent any other private party initiates an action alleging that the Covered Products is somehow in violation of Proposition 65, such private party action would not confer a significant benefit on the general public, so long as MEXICORP is in material compliance with the terms of this Settlement Agreement.

**5. ENFORCEMENT**

If CRA alleges that MEXICORP has failed to comply with this Settlement Agreement, prior to filing an action or a Notice of violation as to any Releasee, CRA shall first provide MEXICORP sixty (60) days advance written Notices of the alleged violation(s). CRA shall provide testing results, lot numbers, and photographs of the Covered Products packaging for the Covered Products at issue. The Parties shall meet and confer during such sixty (60) day period in an effort to resolve the matter informally without the need for litigation. If the matter is not resolved within sixty (60) days, CRA can file litigation, and the prevailing party can recover applicable costs and attorneys' fees, if any.

**6. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Covered Products, then MEXICORP shall have no further obligations pursuant to this Settlement Agreement

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature or electronically, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document. Signatures by scanned and emailed image, electronic, or facsimile transmission shall have the same force and effect as original signature and as an electronic record adopted and executed by a Party with

the intent to sign the electronic record pursuant to California Civil Code sections 1633.1 *et seq.*

**9. COMPLIANCE WITH HEALTH AND SAFETY CODE §25249.7(f)**

CRA and its attorneys agree to comply with the reporting form requirements referenced in California Health and Safety Code section 25249.7(f) and shall report this Settlement Agreement to the California Attorney General's Office within five (5) days of the Effective Date.

**10. ENTIRE AGREEMENT**

This Settlement Agreement contains the sole and entire agreement and understanding of the Parties with respect to the entire subject matter hereof, and all related prior discussions, negotiations, commitments, and understandings. No other agreements, oral or otherwise, exist to bind any of the Parties.

**11. SEVERABILITY & MODIFICATION**

If after execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected. This Settlement Agreement may be modified only by a written agreement signed by the Parties.

**12. INTERPRETATION**

No inference, assumption, or presumption shall be drawn, and no provision of this Settlement Agreement shall be construed against any Party, based upon the fact that one of the Parties or their counsel prepared or drafted any portion of this Agreement. The Parties waive the provisions of California Civil Code section 1654. It is conclusively presumed that the Parties participated equally in drafting this Settlement Agreement.

**13. AUTHORIZATION**

Each Party represents that its signatory to this Settlement Agreement has the full legal authority to enter into and legally bind it to the terms herein. Each Party further represents that it has read, understood, and agreed to all the terms and conditions of this Settlement Agreement.
