

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Eva’s Esthetics, Inc. (“EE”), on the other hand, with EHA and EE each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that EE is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that EE manufactures, sells, and/or distributes for sale in California, gel products that contain diethanolamine (“DEA”) and that it does so without first providing the health hazard warning required by Proposition 65. DEA is listed pursuant to Proposition 65 as a chemical known to cause cancer and developmental/reproductive harm. EE denies these allegations.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and expressly limited to Tuel Clear It Blemish Control Gel and Berodin Blemish Control Gel (“Covered Products”), that are manufactured, sold and/or distributed for sale in California by EE.

1.4 Notice of Violation

On or around February 9, 2024, EHA served EE, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that EE had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to DEA contained in Covered Products.

To the best of the parties’ knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

EE denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws as confirmed by independent accredited laboratory testing. Nothing in this Settlement Agreement shall be construed as an admission by EE of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by EE of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by EE. This Section shall not, however, diminish or otherwise affect EE's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

2. INJUNCTIVE RELIEF

2.1 Reformulation Standard

Beginning sixty (60) days after the Effective Date ("Compliance Date"), EE shall be permanently enjoined from manufacturing, distributing, or directly selling in the State of California any Covered Product that has a DEA content above the Reporting Limit of fifty (50 mg/kg) when analyzed pursuant to liquid chromatography/tandem mass spectrometry (LC/MS/MS), inductively coupled mass-spectroscopy (ICP-MS) or other method of analysis utilized by the International Organization for Standardization (ISO) for qualitative and quantitative screening of cosmetics and cosmetic raw materials.

In the event the Office of Environmental Health Hazard Assessment at any time adopts a safe harbor level for DEA that is different than the reformulation level in this Agreement, EE shall be permitted to use the safe harbor level without further notice to EHA. Moreover, should EHA reach a settlement with another manufacturer, distributor or reseller alleging a violation of Proposition 65 with respect to DEA, EE may comply with the reformulation standard in that settlement and will be deemed in compliance with Proposition 65.

2.2 General Warning Requirements

Commencing on the Compliance Date, EE agrees any Covered Product sold or distributed for sale in California, shall contain a Proposition 65 warning unless it meets the reformulation standard of Section 2.1. EE agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Products sold in California by EE, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

- 1)  **WARNING:** This product can expose you to [chemicals including] diethanolamine ("DEA") which is known to the state of California to cause cancer. For more information go to www.P65Warnings.ca.gov.
OR
- 2)  **WARNING:** Cancer- www.P65Warnings.ca.gov

The triangle above shall be yellow on the warning statement. This warning statement shall be prominently displayed on the Covered Products, on the packing of the Covered Products, or on a placard, shelf tag, or sign provided that the statement is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. If the warning statement is displayed on the Covered Products' packaging, it must be in a type size no smaller than the largest type size used for other consumer information on the product. In no case shall a warning statement displayed on the Covered Products' packaging appear in a type size smaller than 6-point type. If the Covered Products' packaging contains consumer information in a foreign language, a warning statement in

that language is required. The same warning shall be posted on any e-commerce websites under the exclusive control of EE where Covered Products are sold into California. EE shall instruct any third-party website to which it directly sells its Covered Products to include the same warning where Covered Products are sold into California; however, EE does not assume any duty to monitor any third-party websites for compliance. Such warning shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for any Covered Products in existing inventory that had not been reformulated and were distributed and/or sold by EE or any of the Releasees after the Effective Date. There shall be no obligation for EE to provide a warning for Covered Products that entered the stream of commerce prior to the Compliance Date, and the Section 4 release applies to all such Covered Products.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, EE shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in this product or DEA are no longer required, a lack of warning by EE will not thereafter be a breach of this Agreement.

2.3 Grace Period for Existing Inventory of Covered Products

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Compliance Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, EE agrees to pay two thousand

(\$2,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by EHA. Shall issue two separate checks for the initial civil penalty payment to (a) "OEHHA" and (b) Environmental Health Advocates, Inc. as follows:

3.2 Attorney Fees and Costs

The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, EE agrees to pay twenty thousand dollars (\$20,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter the attention of EE, and negotiating a settlement. The

twenty thousand (\$20,000.00) in Attorney's Fees and Costs shall be payable to Entorno Law, LLP as follows:

- One payment of \$8,000.00, due fourteen (14) days after the Effective Date.
- One payment of \$10,000.00, due forty-five (45) days after the Effective Date.
- One payment of \$2,000.00, due seventy-five (75) days after the Effective Date. Entorno Law, LLP agrees to waive this payment if the first two payments are timely made.

All payments required under this Section shall be delivered to:

Noam Glick
Entorno Law, LLP
225 Broadway, Suite 1900
San Diego, CA 92101

3.3 Tax Documentation

EE agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that EE cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after EE receives the requisite W-9 forms from EHA's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of EE

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and EE for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against EE and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom EE directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, resellers, customers, retailers including but not limited to Jared and Alana Incorporated, franchisees,

cooperative members and licensees (“Releasees”), based on the failure to warn about exposures to DEA required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by EE before the Compliance Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against EE and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to any Proposition 65-listed chemicals required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by EE, before the Compliance Date.

4.2 EE's Release of EHA

EE, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and EE on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

EHA and EE each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5. DEEMED COMPLIANCE WITH PROPOSITION 65

The Parties agree that compliance by EE with this Settlement Agreement constitutes compliance with Proposition 65 with regard to exposure to DEA from use of the Covered Products.

6. PUBLIC BENEFIT

It is EE's understanding that the commitments it has agreed to herein, and actions to be taken by EE under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of EE that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to EE's alleged failure to provide a warning concerning actual or alleged exposure to DEA prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that EE is in material compliance with this Settlement Agreement.

7. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

8. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

9. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

10. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

11. COUNTERPARTS; FACSIMILE SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.
