

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Clean Product Advocates, LLC and Premium Gold Flax Products, Inc.

This Settlement Agreement is entered into by and between Clean Products Advocates, LLC ("CPA"), on the one hand, and Premium Gold Flax Products, Inc. ("Premium Gold Flax Products"), on the other hand, with CPA and Premium Gold Flax Products collectively referred to as the "Parties."

1.2. General Allegations

CPA alleges that Premium Gold Flax Products manufactured and distributed and offered for sale in the State of California "Organic Golden Flaxseed" containing Cadmium, and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"). California has identified and listed Cadmium under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as Organic Golden Flaxseed that Premium Gold Flax Products has manufactured, imported, sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On 02/25/2024 CPA served Premium Gold Flax Products, Inc.; Walmart Inc.; Wal-Mart.com USA, LLC and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Premium Gold Flax Products and such public enforcers with notice that Premium Gold Flax Products was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to Cadmium. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Premium Gold Flax Products' compliance with Proposition 65. Premium Gold Flax Products denies the material factual and legal allegations contained in CPA's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 and any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Premium Gold Flax Products of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Premium Gold Flax Products of any fact, binding, conclusion, issue of law, or violation of law, such being specifically denied by Premium Gold Flax Products on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Premium Gold Flax Products under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, Premium Gold Flax Products, at its sole discretion, agrees to either (a) cease selling, offering for sale or distributing the Products in California, (b) manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, or (c) provide a clear and reasonable Proposition 65 warning for the Products pursuant to Section 2.2 below.

2.1. Reformulation Standards

The Products shall be deemed to comply with Proposition 65 with regard to Cadmium and be exempt from any Proposition 65 warning requirements for Cadmium in the Products if the exposure does not exceed 4.1 micrograms of Cadmium per day as calculated below ("Reformulated Products").

For the Purpose of this Agreement, the amount of Cadmium a person is exposed to from the Covered Product shall be calculated using the following formula: micrograms of Cadmium per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings in recommended dosage appearing on the product label), which equals micrograms of Cadmium exposure per day.

Products that were supplied or contracted to be supplied to third parties or otherwise placed into the stream of commerce by Premium Gold Flax Products prior to 12 months after the Effective Date ("Compliance Date") shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.2. Warning Option

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning requirement shall only be required as to Products that are manufactured, distributed, marketed, imported, sold, shipped for sale or offered for sale to consumers by Premium Gold Flax Products in the State of California. No Proposition 65 warning shall be required for any Products that are manufactured, supplied or contracted to be supplied to third parties by Premium Gold Flax Products prior to the Compliance Date, and all such Products are hereby deemed to be exempt from Proposition 65 enforcement.
