

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and United Natural Foods, Inc. (“UNFI”) and Green Organic Vegetables, Inc. (“GOV”) on the other hand, with EHA and UNFI and GOV each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that UNFI and GOV are persons in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that UNFI and GOV manufactures, sells, and/or distributes for sale in California, mushroom products that contain lead and cadmium and that it does so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer, developmental toxicity, and reproductive toxicity. Cadmium is listed pursuant to Proposition 65 as a chemical known to cause cancer, developmental toxicity, and reproductive toxicity.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and expressly limited to Woodstock Organic Shiitake Mushrooms (“Covered Products”), that are manufactured, sold and/or distributed for sale in California by UNFI and GOV.

1.4 Notice of Violation

On or around March 8, 2024, EHA served UNFI, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that UNFI had violated Proposition 65 by failing to sufficiently warn

consumers in California of the health hazards associated with exposures to lead and cadmium contained in Covered Products.

To the best of the parties' knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

UNFI and GOV deny the material, factual, and legal allegations in the Notice and maintain that all of the products they sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by UNFI and GOV of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by UNFI and GOV of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by UNFI and GOV. This Section shall not, however, diminish or otherwise affect UNFI and GOV's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

1.7 Compliance Date

For purposes of this Settlement, the term "Compliance Date" means 90 days from the Effective Date.

2. INJUNCTIVE RELIEF

2.1 Reformulation Standard

Beginning on or before the Compliance Date, UNFI and GOV shall be permanently enjoined from manufacturing, distributing, or directly selling in the State of California, any Covered Product that exposes a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of Lead based on a single serving per day and a "Daily Cadmium Exposure Level" of more than 4.1 micrograms of Cadmium based on a single serving per day unless such Covered Products comply with the warning requirements of Section 2.2. The "Daily Lead Exposure Level" shall be calculated

by multiplying the recommended serving size in Covered Product by the concentration of lead in Covered Products. The “Daily Cadmium Exposure Level” shall be calculated by multiplying the recommended serving size in Covered Product by the concentration of Cadmium in Covered Products. UNFI and GOV may manufacture, distribute, or directly sell in the State of California a reformulated Covered Product. A Reformulated Product is identical in substance and labeling to the Covered Product, but with a product’s component(s) harvested in different location(s) or grown/manufactured with different (from the Covered Product(s)) methods that have resulted in reduced or eliminated presence of the violative chemicals Lead and Cadmium below the level specified in this Section 2.1. As used in this Section 2, “distributed for sale in CA” means to directly ship Covered Products into California or to sell Covered Products to a distributor UNFI and GOV knows will sell Covered Products in California.

2.2 General Warning Requirements

Commencing on the Compliance Date, UNFI and GOV agrees any Covered Product sold that was not reformulated pursuant to paragraph 2.1 shall contain a Proposition 65 warning. UNFI and GOV agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Product sold in California by UNFI and GOV, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

- 1) WARNING:** Consuming this product can expose you to chemicals including Lead and Cadmium, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov/food.

OR

**2) WARNING: Cancer and Reproductive Harm –
www.P65Warnings.ca.gov/food.**

This warning statement shall be enclosed in a box and prominently displayed on the Covered Products, on the packaging of the Covered Products, or on a placard, shelf tag, or sign provided that the statement is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. If the warning statement is displayed on the Covered Products' packaging, it must be in a type size no smaller than the largest type size used for other consumer information on the product. In no case shall a warning statement displayed on the Covered Products' packaging appear in a type size smaller than 6-point type. If the Covered Products' packaging contains consumer information in a foreign language, a warning statement in that language is required. The same warning shall be posted on any websites under the exclusive control of UNFI and GOV where Covered Products are sold into California in either one or all of the following manners: (a) on the same web page on which a Covered Product is displayed and/or described; (b) on the same page as the price for the Covered Product is displayed; or (c) on one or more web pages displayed to a purchaser prior to completion of purchase during the checkout process. Such warning shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for any Covered Products in existing inventory that had not been reformulated and were distributed and/or sold by UNFI and GOV or any of the Releasees after the Effective Date. There shall be no obligation for UNFI and GOV to provide a warning for Covered Products that entered the stream of commerce prior to the Effective Date, and the Section 4 release applies to all such Covered Products.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, UNFI and GOV shall be entitled to use, at its discretion, such other warning

text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead and cadmium in this product are no longer required, a lack of warning by UNFI and GOV will not thereafter be a breach of this Agreement. UNFI and GOV shall instruct any third-party website to which it sells its Covered Products to include the same warning as a condition of selling the Covered Products.

2.3 Grace Period for Existing Inventory of Covered Products

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Effective Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

3. MONETARY SETTLEMENT TERMS

3.1 Settlement Payment

In satisfaction of all claims for civil penalties and attorneys' fees and costs and damages related to the Notice, UNFI and GOV shall pay or cause to be paid a total settlement amount of \$28,000.00 (the "Settlement Amount") within 14 days of the Effective Date by wire transfer to EHA's counsel escrow account, for which EHA's counsel will give Company the necessary account information no later than two days after the Effective Date.

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, \$3,000 shall be considered a "civil penalty." The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by EHA. UNFI and GOV shall ensure two separate checks are issued for the initial civil penalty payment to (a) "OEHHA" and (b) Environmental Health Advocates, Inc. as follows:

- One payment of \$2,250.00 to OEHHA, due fourteen (14) days after the Effective Date.
- One payment of \$750 to EHA, due fourteen (14) days after the Effective Date.

All payments owed to OEHHA (EIN: 68-0284486), pursuant to this Section shall be delivered directly to OEHHA (Memo Line "Prop 65 Penalties") at the following addresses:

For United States Postal Service Delivery:

Mike Gyurics
Fiscal Operations Branch Chief
Office of Environmental Health Hazard Assessment
P.O. Box 4010
Sacramento, CA 95812-4010

For Non-United States Postal Service Delivery:

Mike Gyurics
Fiscal Operations Branch Chief
Office of Environmental Health Hazard Assessment
1001 I Street
Sacramento, CA 95814

All penalty payments owed to EHA shall be sent to:

Isaac Fayman
Environmental Health Advocates
225 Broadway, Suite 1900
San Diego, CA 92101

The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, UNFI and GOV agrees to pay \$25,000 to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of UNFI and GOV, and negotiating a settlement. This payment shall be payable to Entorno Law, LLP by wire transfer to EHA's counsel escrow account, due 14 days after the later of: (1) the Effective Date, or (2) the date on which EHA's counsel provides the required wire information for the payment.

Except as expressly set forth in this Section 3, the Parties shall bear their own costs, expenses, and attorneys' fees related to this Matter.

3.3 Tax Documentation

UNFI and GOV agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that UNFI and GOV cannot issue any settlement payments pursuant to Section 3 above until after UNFI and GOV receives the requisite W-9 forms from EHA's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of UNFI and GOV

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and UNFI and GOV for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against UNFI and GOV and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom UNFI and GOV directly or indirectly distributes or sells the Covered Products, including, but not limited to, their upstream suppliers, and their downstream distributors, wholesalers, customers, retailers (including but not limited to Whole Foods Market California, Inc.), franchisees, cooperative members and licensees ("Releasees"), based on the failure to warn about exposures to lead and cadmium required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by UNFI and GOV before the Effective Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against UNFI and GOV and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with

respect to the alleged or actual failure to warn about exposures to lead and cadmium required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by UNFI and GOV, before the Effective Date.

4.2 UNFI and GOV's Release of EHA

UNFI and GOV, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and UNFI and GOV on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims.

5 PUBLIC BENEFIT

It is UNFI and GOV's understanding that the commitments it has agreed to herein, and actions to be taken by UNFI and GOV under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of UNFI and GOV that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to UNFI and GOV's alleged failure to provide a warning concerning actual or alleged exposure to lead and cadmium prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private

party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that UNFI and GOV is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. ENFORCEMENT

If a dispute should arise concerning a modification of this Agreement, then the Parties shall meet and confer in good faith to attempt to resolve the dispute, but if it cannot be resolved in that manner, either Party may present the dispute to the court for resolution. In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

9. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

Any Party may, from time to time, specify in writing to the other a change of address to which all notices and other communications shall be sent.

10. INTERPRETATION

No inference, assumption or presumption shall be drawn, and no provision of this Agreement shall be construed against any of the Parties, based upon the fact that one of the Parties' and/or one of the Parties' attorneys prepared and/or drafted all or any portion of this Agreement. It is conclusively presumed that the Parties participated equally in the preparation and drafting of this Agreement.

11. BINDING

This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective owners, principals, shareholders, members, managers, officers, directors, employees, successors, and assigns.

12. MODIFICATION

Except as provided in Section 2.2(i), this Agreement may be modified only by a written agreement of the Parties. If a dispute should arise concerning a modification of this Agreement, then the Parties shall meet and confer in good faith to attempt to resolve the dispute, but if it cannot be resolved in that manner, either Party may present the dispute to the court for resolution.

13. ENTIRE AGREEMENT

This Agreement contains the entire agreement between the Parties with regard to settlement of this Matter, and supersedes all prior or contemporaneous agreements or understandings, written or oral, with regard to the matters set forth in this Agreement.

14. COUNTERPARTS; FACSIMILE SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

15. **COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)**

EHA and its attorneys agree to comply with the reporting form requirements referenced in California Health and Safety Code § 25249.7(f).

16. **AUTHORIZATION**

The undersigned are authorized to execute this Settlement Agreement on behalf of their respective Parties and have read, understood, and agree to all of the terms and conditions of this Settlement Agreement.
