

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Red Wing Brands of America, Inc. (“RWBA”), on the other hand, with EHA and RWBA each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that RWBA is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that RWBA manufactures, sells, and/or distributes for sale in California, antique brass shoehorns products that contain lead and that it does so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer, developmental toxicity, and reproductive toxicity. RWBA denies EHA’s allegations that any of its products require Proposition 65 warnings.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and expressly limited to, Antique Brass Shoehorns (“Covered Products”) that are manufactured, sold and/or distributed for sale in California by RWBA.

1.4 Notice of Violation

On or around March 18, 2024, EHA served RWBA, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that RWBA had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to lead contained in

Covered Products.

To the best of the Parties' knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

RWBA denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by RWBA of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by RWBA of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by RWBA. This Section shall not, however, diminish or otherwise affect RWBA's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean fourteen (14) days following the execution of this Settlement Agreement by the Parties. "Compliance Date" shall mean thirty (30) days after the Effective Date.

2. INJUNCTIVE RELIEF; REFORMULATION/WARNINGS

2.1 Reformulation/Warning Commitment

Beginning on the Compliance Date, RWBA shall not manufacture, distribute, directly sell or offer for sale in the State of California the Covered Products unless they are Reformulated Products pursuant to Section 2.2 or contain appropriate warnings pursuant to Section 2.3 below. The Parties agree and intend that compliance with the terms of this Settlement Agreement shall constitute compliance with Proposition 65 with respect to exposures to lead from the Covered Products. As used in this Section 2, "distribute, directly sell or offer for sale in California" means to directly ship Covered Products into California or to sell Covered Products to a distributor or retailer RWBA knows will sell Covered Products in California.

2.2 Reformulation Standards

For purposes of this Settlement Agreement and determining RWBA's compliance with Proposition 65, "Reformulated Products" are defined as those Products that yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol.

2.3 General Warning Requirements

Commencing on the Compliance Date, RWBA agrees any Covered Product sold or distributed for sale in California, shall contain a Proposition 65 warning. RWBA agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

If RWBA is required to provide a warning pursuant to Section 2.1, such warning for the Covered Products shall consist of one of the following statements affixed to the packaging, label, tag, or directly to each Covered Products sold in California by RWBA, or on a placard, shelf tag, sign or electronic device or automatic process:

- 1)  **WARNING:** This product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

OR

- 2)  **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov.

The triangle above shall be yellow on the warning statement. This warning statement shall be prominently displayed on the Covered Products, on the packing of the Covered Products, or on a placard, shelf tag, or sign provided that the statement is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood

by an ordinary individual prior to sale. The bolded and capitalized words “**CALIFORNIA PROPOSITION 65**,” “**CA PROP 65**” or “**PROPOSITION 65**” may be added prior to the word “**WARNING**.” If the warning statement is displayed on the Covered Products’ packaging, it must be in a type size no smaller than the largest type size used for other consumer information on the product. In no case shall a warning statement displayed on the Covered Products’ packaging appear in a type size smaller than 6-point type. If the Covered Products’ packaging contains consumer information in a foreign language, a warning statement in that language is required. The same warning shall be posted on any websites under the exclusive control of RWBA where Covered Products are sold into California. RWBA shall instruct any third-party website to which it sells its Covered Products to include the same warning as a condition of selling the Covered Products. Such warning shall constitute compliance with Proposition 65 with respect to the listed chemical in the Covered Products for any Covered Products in existing inventory that had not been reformulated and were distributed and/or sold by RWBA or any of the Releasees after the Compliance Date. There shall be no obligation for RWBA to provide a warning for Covered Products that entered the stream of commerce prior to the Compliance Date, and the Section 4 release applies to all such Covered Products.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, RWBA shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in this product are no longer required, a lack of warning by RWBA will not thereafter be a breach of this Agreement.

2.4 Grace Period for Existing Inventory of Covered Products

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Effective Date, which Covered Products are expressly

subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, RWBA agrees to pay three thousand (\$3,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. RWBA shall issue two separate checks for the initial civil penalty payment to (a) “OEHHA” and (b) Environmental Health Advocates, Inc. as follows:

- One payment of \$2,250.00 to OEHHA, due fourteen (14) days after the Effective Date.

3.2 Attorney Fees and Costs

The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, RWBA agrees to pay twenty-five thousand five hundred dollars (\$25,500.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter the attention of RWBA, and negotiating a settlement. The twenty-five thousand five hundred dollars (\$25,500.00) in Attorney's Fees and Costs shall be payable to Entorno Law, LLP as one payment of \$25,500 due fourteen (14) days after the Effective Date.

All payments required under this Section shall be delivered to:

Noam Glick

3.3 Tax Documentation

RWBA agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that RWBA cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after RWBA receives the requisite W-9 forms from EHA's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of RWBA

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and RWBA for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against RWBA and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, successors and assigns of such persons or entities, and any entity, including,

but not limited to each entity to whom RWBA directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees (“Releasees”), based on the failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by RWBA before the Compliance Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against RWBA and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by RWBA, before the Compliance Date.

4.2 RWBA’s Release of EHA

RWBA, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and RWBA on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through

the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

EHA and RWBA each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5. PUBLIC BENEFIT

It is RWBA's understanding that the commitments it has agreed to herein, and actions to be taken by RWBA under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of RWBA that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to RWBA's alleged failure to provide a warning concerning actual or alleged exposure to lead prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that RWBA is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

9. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:
