

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Rifle, LLC (“Rifle”), on the other hand, with EHA and Rifle each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Rifle is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that Rifle and/or Barnes & Noble, Inc., Barnes & Noble Booksellers, Inc. (collectively, “Barnes & Noble”) manufacture, sell, and/or distribute for sale in California, key ring products that contain lead and that they do so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer, developmental toxicity, and reproductive toxicity.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and expressly limited to key rings, including but not limited to Garden Party Key Ring (“Covered Products”), that are manufactured, sold and/or distributed for sale in California by Rifle.

1.4 Notice of Violation

On or around March 21, 2024, EHA served Rifle, Barnes & Noble, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that Rifle and Barnes & Noble had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to lead contained in Covered Products.

To the best of the parties’ knowledge, no public enforcer has commenced or is otherwise

prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them, and between Barnes & Noble and EHA, as set forth herein and in the Notice. The Parties agree that Rifle is fully defending, indemnifying and holding Barnes & Noble harmless with respect to any and all claims set forth in the Notice and that Rifle is responsible to EHA for all matters set forth therein. Rifle denies for itself and on behalf of Barnes & Noble the material, factual, and legal allegations in the Notice and maintains that all of the products that are or have been sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Rifle or Barnes & Noble of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Rifle or Barnes & Noble of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Rifle for itself and on behalf of Barnes & Noble. This Section shall not, however, diminish or otherwise affect Rifle's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF

2.1 Reformulation of Products

Commencing on the Effective Date, Rifle agrees that any Covered Product sold or distributed for sale in California, shall either be (a) Reformulated Products pursuant to paragraph 2.2, below; or (b) labeled with a clear and reasonable exposure warning pursuant to paragraph 2.3, below. For purposes of this Settlement Agreement, a "Reformulated Product" is any Covered Product that is in compliance with the standard set forth in paragraph 2.2, below. The warning requirement set forth in paragraph 2.3 shall not apply to any Reformulated Product.

2.2 Reformulation Standard

“Reformulated Products” shall mean any Covered Product shall produce a wipe test result no higher than 1 microgram (μg) of lead when analyzed pursuant to NIOSH method no. 9100.

2.3 General Warning Requirements

Commencing on the Effective Date, Rifle agrees that any Covered Product sold or distributed that was not reformulated pursuant to paragraph 2.1 and 2.2 shall contain a Proposition 65 warning. Rifle agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Products sold in California by Rifle, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

- 1) **WARNING:** This product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

OR

- 2) **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov.

The triangle above shall be yellow on the warning statement, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. This warning statement shall be prominently displayed on the Covered Products, on the packing of the Covered Products, or on a placard, shelf tag, or sign provided that the statement is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. If the warning statement is displayed on the Covered Products’ packaging, it must be in a type size no smaller than the largest type size used

for other consumer information on the product. In no case shall a warning statement displayed on the Covered Products' packaging appear in a type size smaller than 6-point type. If the Covered Products' packaging contains consumer information in a foreign language, a warning statement in that language is required. The same warning shall be posted on any websites under the exclusive control of Rifle where Covered Products are sold into California. Rifle shall instruct any third-party website to which it sells its Covered Products to include the same warning as a condition of selling the Covered Products. Such warning shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for any Covered Products in existing inventory that had not been reformulated and were distributed and/or sold by Rifle or any of the Releasees after the Effective Date. There shall be no obligation for Rifle or any of its downstream distributors, retailers, or sellers, including Barnes & Noble, to provide a warning for Covered Products that entered the stream of commerce prior to the Effective Date, and the Section 4 release applies to all such Covered Products.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, Rifle shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in this product are no longer required, a lack of warning by Rifle will not thereafter be a breach of this Agreement.

2.3 Grace Period for Existing Inventory of Covered Products

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Effective Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Rifle agrees to pay two thousand (\$2,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. Shall issue two separate checks for the initial civil penalty payment to (a) “OEHHA” and (b) Environmental Health Advocates, Inc. as follows:

Under these legal principles, Rifle agrees to pay eighteen thousand dollars (\$18,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter the attention of Rifle, and negotiating a settlement. The eighteen thousand dollars (\$18,000.00) in Attorney's Fees and Costs shall be payable to Entorno Law, LLP as one payment of \$18,000.00, due fourteen (14) days after the Effective Date.

3.3 Tax Documentation

Rifle agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that Rifle cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Rifle receives the requisite W-9 forms from EHA's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of Rifle, Barnes & Noble, and Downstream Customers and Entities, Including Distributors, Retailers, and Sellers

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and Rifle for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Rifle and each of its respective parents, subsidiaries, affiliated entities, predecessors, partners, owners, investors, shareholders, marketplaces, directors, officers, members, employees, contractors, attorneys, successors and assignees, including without limitation Rifle Holdings, LLC, and any entity, including, but not limited to each entity to whom Rifle directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers

(including but not limited to Rifle Holdings, LLC and Barnes & Noble), franchisees, cooperative members, marketplaces, and licensees, and their respective subsidiaries, affiliates and parents, franchisees, cooperative members, and licensees (“Releasees”), based on or relating to the failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, imported, sold or distributed for sale in California by Rifle, Barnes & Noble, and the Releasees before the Effective Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, and on behalf of its past and current agents, representatives, attorneys, successors and assignees, hereby covenants not to sue and waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Rifle, Barnes & Noble, and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by Rifle, Barnes & Noble, and the Releasees, before the Effective Date.

4.2 Rifle's Release of EHA

Rifle, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and Rifle on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may

include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

EHA and Rifle each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5 PUBLIC BENEFIT

It is Rifle's understanding that the commitments it has agreed to herein, and actions to be taken by Rifle under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Rifle that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Rifle's alleged failure to provide a warning concerning actual or alleged exposure to lead prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Rifle is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

9. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

10. COUNTERPARTS; FACSIMILE SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

11. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)
