

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between CalSafe Research Center, Inc. ("CRC"), on the one hand, and Montalbano USA, Inc. ("Montalbano") on the other hand, with CRC and Montalbano each individually referred to as a "Party" and collectively as the "Parties."

1.2 General Allegations

CRC alleges that Montalbano sells and/or distributes in California certain products, specified in Section 1.3 below, containing lead without a warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm. Montalbano denies these allegations.

1.3 Product Descriptions

The product covered by this Settlement Agreement is defined as, and expressly limited to "Organics, Plant Based Organic Pesto Sun Dried Tomato (UPC# 079893124575)" (the "Product") that is manufactured, sold, or distributed for sale in California by Montalbano.

1.4 Notice of Violation

On March 22, 2024, CRC served a 60-Day Notice of Violation ("the Notice") on Albertsons Companies, Inc., the California Attorney General and the other requisite public enforcers, alleging that Albertsons Companies, Inc. and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Product.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

Montalbano denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Montalbano or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers (including but not limited to Albertsons Companies, Inc.) of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Montalbano or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Montalbano. This Section shall not, however, diminish or otherwise affect Montalbano's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean ten (10) days following the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF

2.1 Clear and Reasonable Warnings

Beginning on the Effective Date, Montalbano shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, Product that exposes a person to a "Daily Lead Exposure Level" an exposure level of more than 0.5 micrograms of lead per serving, with serving size measured by the serving size specified on the label of the Product, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship the Product into California for sale in California or to sell the Product to a distributor that Montalbano knows or has reason to know will sell the Product in California. If Proposition 65 or its implementing regulations (including but not limited to the published "no significant risk level" and "maximum allowable dose level" for lead set forth at Cal. Code Regs., tit. 27, sections 25705 and 25805 or any "alternative risk level" adopted by regulation or by a court of competent jurisdiction) are changed from their terms as they exist on the Effective Date, Montalbano shall be entitled to reformulate, at its discretion, the Product to such levels without being deemed in breach of this Settlement.

2.2 General Warning Requirements

Montalbano agrees that if and only if the Daily Lead Exposure Level in the Product is more than 0.5 micrograms, each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use.

For the purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Product sold or distributed in California by Montalbano that contains one of the following statements:

1) **WARNING:** Consuming this product can expose you to lead which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food;

2) **WARNING:** Reproductive Harm-www.P65Warnings.ca.gov/food.

The warning shall be offset in a box with black outline.

For internet purchases, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word "**WARNING**" on the Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase.

For Product that Montalbano provides for a downstream entity to sell on the internet, Montalbano shall include an instruction that the entity comply with the warning requirements of this section.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Montalbano shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Product is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Product that is already in the stream of commerce as of the Effective Date or to Product that is supplied or contracted to be supplied to third parties within, or prior to, nine (9) months after the Effective Date, which Product is expressly subject to the releases provided in Section 4.1.

3. MONETARY SETTLEMENT TERMS

3.1 Total Settlement Payment

In full satisfaction of all potential civil penalties, attorneys' fees, and costs, Montalbano shall make a total settlement payment of Ten-Thousand Dollars (**\$10,000.00**) ("Total Settlement Amount"). The Total Settlement Amount shall be apportioned into a Civil Penalty and Attorney's Fees and Costs as set forth in Sections 3.2 and 3.3 below.

3.2 Civil Penalty Payment

Pursuant to Health and Safety Code§ 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Montalbano agrees to pay One Thousand Dollars (**\$1,000.00**) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code§§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by CRC. Within ten (10) days of the Effective Date, Montalbano shall issue a check to "OEHHA" in the amount of Seven Hundred and Fifty Dollars (**\$750.00**) and shall, pursuant to the instructions below, wire to CRC the amount of Two Hundred and Fifty Dollars (**\$250.00**).

All payments owed to OEHHA (EIN: 68-0284486) pursuant to this Section shall be delivered directly to OEHHA (Memo Line "Prop 65 Penalties") at the following addresses:

4. CLAIMS COVERED AND RELEASED

4.1 CRC's Release of Montalbano

CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges Montalbano and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors (the

“Montalbano Releasees”) and all entities to which Montalbano Releasees directly or indirectly distribute or sell the Product, and any other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees including, but not limited to, Albertsons Companies, Inc. (collectively, the "Released Parties" and individually, a “Released Party”). CRC, on behalf of itself and its officers, directors, shareholders, employees, agents, parent companies, subsidiaries and divisions hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted based on or related to the handling, use, sale, distribution or consumption of the Product in California, as to any alleged violation of Proposition 65 or its implementing regulations, including without limitation any failure to provide Proposition 65 warnings on the Product or on Internet sites in connection with the sale of Product with respect to exposures to lead.

4.2 Montalbano’s Release of CRC

Montalbano on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all claims against CRC and its attorneys and other representatives, for any and all actions taken, or statements made by CRC and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Product.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties, arising out of the Notice or relating to the Product, will develop or be discovered. CRC on behalf of itself, its past and current agents, representatives, attorneys, and successors and/or assign, and Montalbano on behalf of itself only, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore. CRC and Montalbano acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The terms of this Settlement Agreement shall be governed by the laws of the State of California, without regard to its conflicts of law principals.

7. NOTICE

When any Party is entitled to receive any notice under this Settlement Agreement, the notice shall be sent by first class mail or electronic mail to the address set forth in this paragraph.
