

# SETTLEMENT AGREEMENT

## 1. INTRODUCTION

### 1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Evriholder Products, LLC (“Evriholder”), with Johnson and Evriholder each individually referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Johnson alleges that Evriholder is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

### 1.2 General Allegations

Johnson alleges that Evriholder manufactures, sells, and/or distributes for sale in California, glass measuring cups with exterior decorations containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Johnson alleges that Evriholder failed to provide the health hazard warning required by Proposition 65 for exposures to lead.

### 1.3 Product Description

The products covered by this Settlement Agreement are glass measuring cups with exterior designs that are manufactured, sold, or distributed for sale in California by Evriholder including, but not limited to, the *Glass Measuring Cup; UPC: 7 14415 45162 2*, (hereinafter referred to as “Products”).

### 1.4 Notice of Violation

On March 6, 2024, Johnson served Evriholder, The TJX Companies, Inc., and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that the notice recipients violated Proposition 65 by failing to warn customers and consumers

in California of the health hazards associated with exposures to lead from the Products. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

### **1.5 No Admission**

Evriholder denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Evriholder of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Evriholder of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Evriholder. This Section shall not, however, diminish or otherwise affect Evriholder's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date that Evriholder receives an executed version of this Settlement Agreement from Johnson.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulation Commitment**

As of the Effective Date, Evriholder shall not manufacture, import, distribute, sell, or offer the Products for sale in the state of California unless: (i) the Products are Reformulated Products pursuant to Section 2.2; or (ii) Evriholder provides a clear and reasonable warning pursuant to Section 2.3. The Parties agree and intend that Evriholder's compliance with the terms of this Settlement Agreement shall constitute its compliance with Proposition 65 with respect to exposures to lead from the Products.

## 2.2 Reformulation Standards

“Reformulated Products” are defined as those Products that: (a) contain no more than 90 parts per million (“ppm”) lead in any “Exterior Decorations” defined as colored artwork, designs and/or marking on the exterior surface of the Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; and (b) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol.

If the decoration is tested after it is affixed to the Product, the percentage of the lead by weight must relate only to the decorating materials and must not include any quantity attributable to non-decorating material (e.g., glass substrate).

## 2.3 Warnings.

To the extent that Products imported after the Effective Date do not meet the standard for Reformulated Products, a clear and reasonable warning shall be provided, as set forth herein. Provided, however, that there shall be no obligation to provide a Proposition 65 warning for Products that entered the stream of commerce prior to the Effective date, as those Products have been included in the calculation of civil penalties.

**2.3.1 Warning Content.** For purposes of this Settlement Agreement, the parties agree that a clear and reasonable warning shall consist of either of the following warning statements:

**⚠ WARNING:** Reproductive Harm- [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

OR

**⚠ WARNING:** This product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

The above warning statements must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The above warning statements may also

include the safe harbor warning for cancer. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”.

### **2.3.2 Method of Transmission**

**Product Labeling.** Evriholder shall affix one of the foregoing warning statements to the packaging, labeling or directly to a specific Product. The warning statement shall be affixed to the Product, or the Products’ packaging or labeling, and placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. Where the short-form warning statement is provided on the label, the entire warning must be in a type size no smaller than the largest type size used for other consumer information on the product label. In no case shall the short-form warning statement appear in a type size smaller than six-point type.

**Internet.** In addition to the product labeling, where Evriholder offers Products to California customers via its own proprietary internet website or any third-party website over which Evriholder has control, Evriholder shall provide a clear and reasonable internet web page warning to customers located in California. The warning statement shall appear either: (i) on the same web page on which a Product is displayed and/or described; (ii) on the same page as the price for the Product; or (iii) on one or more web pages displayed to a California purchaser prior to completion of the checkout process. Alternatively, the warning statement shall be provided using a clearly marked hyperlink using the word “**WARNING**” on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. If the product label warning is provided using the short-form warning statement, the warning provided on the website may use the same content. A warning is not

prominently displayed if the purchaser must search for it in the general content of the website. Where Evriholder does not have control over the content of third-party internet sellers, Evriholder shall provide such sellers with written notice of their warning obligations.

**Catalog.** In addition to the product labeling, if Evriholder sells Products via its own proprietary catalog or any third-party catalogue over which Evriholder has control, to customers located in California, one of the foregoing warnings statements must also be provided in the catalog in a manner that clearly associates it with the *specific* Product being purchased. The catalog warning statement shall be placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase. If a short-form warning is being provided on the label, the warning provided in the catalog may use the same content. Where Evriholder does not have control over the content of third-party catalog sellers, Evriholder shall provide such sellers with written notice of their warning obligations.

**Languages.** Where a label or tag used to provide a warning statement includes consumer information about a product in a language other than English, the warning must also be provided in that language, in addition to English.

**2.3.3 Safe Harbor Warnings.** The parties acknowledge that the warnings required by this section are not the exclusive methods of providing Proposition 65 warnings and agree that Evriholder may utilize “safe harbor” warning language and methods, promulgated by the Office of Environmental Health Hazard Assessment, and contained in 27 CCR §§ 25602-25603, applicable to lead and the Products, in effect on or after the Effective Date, without being deemed in breach of this Settlement Agreement.

### **3. MONETARY SETTLEMENT TERMS**

#### **3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, Evriholder agrees to pay \$1,700 in civil penalties within fourteen days of the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson. Evriholder shall make its payment in two checks, delivered to the address in section 3.3, as follows: (1) “OEHHA” in the amount of \$1,275; and (2) “Dennis Johnson” in the amount of \$425.

#### **3.2 Attorneys’ Fees and Costs**

The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to his counsel, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Evriholder expressed a desire to resolve Johnson’s fees and costs. The Parties reached an accord on the compensation due to Johnson’s counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, Evriholder agrees to pay, within fourteen days of the Effective Date, \$15,300, in the form of a check made payable to “Voorhees & Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of Evriholder’s management, and negotiating a settlement.

#### **3.3 Payment Address and Tax Documentation**

All checks under this Settlement Agreement shall be delivered to the following address and shall, thereafter, be delivered by Johnson to the respective payees:

Voorhees & Bailey, LLP  
839 Emerson Street  
Palo Alto, CA 94301

Johnson shall provide IRS W-9 forms for: (i) “Office of Environmental Health Hazard Assessment”; (ii) Dennis Johnson; and (iii) Voorhees & Bailey, LLP.

Evriholder shall issue complete IRS 1099 forms to each payee for their respective payment amount.

#### **4. CLAIMS COVERED AND RELEASED**

##### **4.1 Johnson’s Release of Proposition 65 Claims**

Johnson acting on her own behalf, and not on behalf of the public, releases Evriholder its parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents employees, attorneys, and each entity to whom Evriholder directly or indirectly distributes or sells Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers including, but not limited to The TJX Companies, Inc., franchisees, cooperative members, importers, and licensees (collectively, “Releasees”), from all claims for violations of Proposition 65 through the Effective Date relating to unwarned exposures to lead in the Products. The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Evriholder.

##### **4.2 Johnson’s Individual Release of Claims**

Johnson, in his individual capacity only and not in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys’ fees, damages, losses, claims, liabilities, and demands of Johnson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, arising out of alleged or actual exposures to lead in the Products manufactured, imported,

distributed, or sold by Evriholder prior to the Effective Date. The Parties further understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Evriholder.

#### **4.3 Evriholder's Release of Johnson**

Evriholder, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Johnson and his attorneys and other representatives, for any and all actions taken or statements made by Johnson and his attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

#### **4.4 California Civil Code §1542**

The Parties acknowledge that the claims released in Sections 4.1-4.3 may include unknown claims. The Parties further acknowledge that they are familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Parties hereby expressly waive and relinquish any and all rights and benefits which they may have under, or which may be conferred on them by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the releases.

In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Evriholder may provide written notice to Johnson of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
