

# SETTLEMENT AGREEMENT

## 1. INTRODUCTION

### 1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Shandong Glassware Corporation (“Shandong Glassware”), with Johnson and Shandong Glassware each individually referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Johnson alleges that Shandong Glassware is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

### 1.2 General Allegations

Johnson alleges that Shandong Glassware manufactures, sells, and/or distributes for sale in California, glass measuring cups with exterior designs containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Johnson alleges that Shandong Glassware failed to provide the health hazard warning required by Proposition 65 for exposures to lead.

### 1.3 Product Description

The products covered by this Settlement Agreement are specifically defined as, and limited to, the *Dollar General Glass “Floral” Measuring Cup, UPC: 4 30002 00629 6*, that are manufactured, sold, or distributed for sale in California by Shandong Glassware (hereinafter referred to as “Products”).

### 1.4 Notices of Violation

On April 26, 2024, Johnson served Dollar General Corporation and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that the notice recipients violated Proposition 65 by failing to warn customers and consumers in

California of the health hazards associated with exposures to lead from the Products. Shandong Glassware was subsequently identified as the manufacturer/supplier of the Products.

On September 27, 2024, Johnson served Shandong Glassware and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that the notice recipients violated Proposition 65 by failing to warn customers and consumers in California of the health hazards associated with exposures to lead from the Products. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notices.

### **1.5 No Admission**

Shandong Glassware denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Shandong Glassware of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Shandong Glassware of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Shandong Glassware. This Section shall not, however, diminish or otherwise affect Shandong Glassware's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean January 21, 2025.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulation/Warning Commitment**

As of the Effective Date, Shandong Glassware shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless: (i) the

Products are Reformulated Products pursuant to Section 2.2; or (ii) Shandong Glassware provides a clear and reasonable warning pursuant to Section 2.3. The Parties agree and intend that Shandong Glassware's compliance with the terms of this Settlement Agreement shall constitute compliance by Shandong Glassware with Proposition 65 with respect to exposures to Lead from the Products.

## **2.2 Reformulated Products.**

"Reformulated Products" are defined as those Products that: (a) contain no more than 90 parts per million ("ppm") lead in any decoration, colored artwork, designs and/or marking on the surface of the Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; and (b) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol. or equivalent methodologies used by state and federal agencies to determine lead content on a solid substance.

If the decoration is tested after it is affixed to the Product, the percentage of the lead by weight must relate only to the decorating materials and must not include any quantity attributable to non-decorating material (e.g., ceramic substrate).

## **2.3 Warnings.**

To the extent that Products manufactured, imported, or otherwise acquired by Shandong Glassware after the Effective Date do not meet the standard for Reformulated Products, a clear and reasonable warning shall be provided, as set forth herein.

**2.3.1 Warning Content.** For purposes of this Settlement Agreement, the parties agree that a clear and reasonable warning shall consist of either of the following warning statements:

 **WARNING:** Risk of cancer and reproductive harm from exposure to lead. See [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

OR

 **WARNING:** Can expose you to lead, a carcinogen and reproductive toxicant. See [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

The above warning statements must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”.

### **2.3.2 Method of Transmission**

**Product Labeling.** Shandong Glassware shall affix one of the foregoing warning statements to the packaging, labeling or directly to a specific Product. The warning statement shall be affixed to the Product, Products’ packaging or labeling and placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. Where the short-form warning statement is provided on the label, the entire warning must be in a type size no smaller than the largest type size used for other consumer information on the product label. In no case shall the short-form warning statement appear in a type size smaller than six-point type.

**Internet.** In addition to the product labeling, where Shandong Glassware offers Products to California customers via its own proprietary internet website or any third-party website over which Shandong Glassware has control, Shandong Glassware shall provide a clear and reasonable internet web page warning to customers located in California. The warning statement shall appear either: (i) on the same web page on which a Product is displayed and/or described; (ii) on the same page as

the price for the Product; or (iii) on one or more web pages displayed to a California purchaser prior to completion of the checkout process. Alternatively, the warning statement shall be provided using a clearly marked hyperlink using the word “WARNING” on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. If the product label warning is provided using the short-form warning statement, the warning provided on the website may use the same content. A warning is not prominently displayed if the purchaser must search for it in the general content of the website. Where Shandong Glassware does not have control over the content of third-party internet sellers, Shandong Glassware shall provide such sellers with written notice, in accordance with Title 27, California Code of Regulation, Section 25600.2, of their warning obligations. Third-party internet sellers who receive notice pursuant to Section 25600.2 and fail to provide a clear and reasonable Proposition 65 warning pursuant to this section, shall not be deemed in compliance with this Settlement Agreement and shall not receive any benefit or protection afforded hereunder.

**Catalog.** In addition to the product labeling, if Shandong Glassware sells Products via its own proprietary catalog or any third-party catalogue over which Shandong Glassware has control, to customers located in California, one of the foregoing warnings statements must also be provided in the catalog in a manner that clearly associates it with the *specific* item being purchased. The catalog warning statement shall be placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase. If a short-form warning is being provided on the label, the warning provided in the catalog may use the same content. Where Shandong Glassware does not have control over the content of third-party catalog sellers, Shandong Glassware shall provide such sellers with written notice, in accordance with Title 27, California Code of Regulation, Section 25600.2, of their warning obligations. Third-

party catalog sellers who receive notice pursuant to Section 25600.2 and fail to provide a clear and reasonable Proposition 65 warning pursuant to this section, shall not be deemed in compliance with this Settlement Agreement and shall not receive any benefit or protection afforded hereunder.

**Languages.** Where a label or tag used to provide a warning statement includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

**2.3.3 Safe Harbor Warnings.** The parties acknowledge that the warnings required by this section are not the exclusive methods of providing Proposition 65 warnings and agree that Shandong Glassware may utilize “safe harbor” warning language and methods promulgated by the Office of Environmental Health Hazard Assessment and contained in 27 CCR §§ 25602-25603, applicable to lead and the Products, in effect on or after the Effective Date, without being deemed in breach of this Settlement Agreement.

#### **3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, Shandong Glassware agrees to pay \$2,500 in civil penalties no later than the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson. Shandong Glassware shall make its payment in two checks, delivered to the address in section 3.3, as follows: (1) “OEHHA” in the amount of \$1,875; and (2) “Dennis Johnson” in the amount of \$625.

### **3.2 Attorneys' Fees and Costs**

The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to his counsel, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Shandong Glassware expressed a desire to resolve Johnson's fees and costs. The Parties reached an accord on the compensation due to Johnson's counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, Shandong Glassware agrees to pay, no later than the Effective Date, \$17,000, in the form of a check made payable to "Voorhees & Bailey, LLP," for all fees and costs incurred investigating, bringing this matter to the attention of Shandong Glassware's management, and negotiating a settlement.

### **3.3 Payment Address and Tax Documentation**

Shandong Glassware may also make the payment due hereunder via a single wire transfer in the amount of \$19,500. Johnson's counsel will then distribute the appropriate amount to OEHHA and Johnson. All checks under this Settlement Agreement shall be delivered to the following address and shall, thereafter, be delivered by Johnson to the respective payees:

Voorhees & Bailey, LLP  
839 Emerson Street  
Palo Alto, CA 94301

Johnson shall provide IRS W-9 forms for: (i) "Office of Environmental Health Hazard Assessment", (ii) Dennis Johnson, and (iii) Voorhees & Bailey, LLP. Shandong Glassware shall issue complete IRS 1099 forms to each payee for their respective payment amount.

#### **4. CLAIMS COVERED AND RELEASED**

##### **4.1 Johnson's Release of Proposition 65 Claims**

##### **4.2 Johnson's Individual Release of Claims**

Johnson, in his individual capacity only and not in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities, and demands of Johnson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, including but not limited to all failure to warn claims, arising out of alleged or actual exposures to lead in the Products manufactured, imported, distributed, or sold by Shandong Glassware prior to the Effective Date. The Parties understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Shandong Glassware. Nothing in this Section affects Johnson's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Shandong Glassware's Products.

### **4.3 Shandong Glassware's Release of Johnson**

Shandong Glassware, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Johnson and his attorneys and other representatives, for any and all actions taken or statements made by Johnson and his attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.
