

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Clean Product Advocates, LLC and Evershing International Trading

This Settlement Agreement is entered into by and between Clean Products Advocates, LLC ("CPA"), on the one hand, and Evershing International Trading, Inc. ("Evershing"), on the other hand, with CPA and Evershing collectively referred to as the "Parties."

1.2. General Allegations

CPA alleges that Evershing manufactured and distributed and offered for sale in the State of California "Tapioca Sheet" containing Lead, and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"). California has identified and listed Lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as Tapioca Sheet (NOV 2024-01830), Tapioca Stick Bun Xao (NOV 2024-01840) and Tapioca Flour Strips (NOV 2024-03947) that Evershing has manufactured, imported, sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On 05/10/2024 CPA served Hoa Binh Garden Grove Supermarket and Evershing International Trading (NOV 2024-01830), on 05/12/2024 CPA served Hoa Binh Garden Grove Supermarket and Evershing International Trading (NOV 2024-01840), on 09/23/2024 CPA served Trang Intl. Trading Inc., Evershing Int'l Trading, Inc. and Hoa Binh Garden Grove Supermarket (NOV 2024-03947) and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Evershing and such public enforcers with notice that Evershing was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to Lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Evershing's compliance with Proposition 65. Evershing denies the material factual and legal allegations contained in CPA's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Evershing of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Evershing of any fact, binding, conclusion, issue of law, or violation of law, such being specifically denied by Evershing on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Evershing under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, Evershing, at its sole discretion, agrees to either (a) cease selling, offering for sale or distributing the Products in California, (b) manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, or (c) provide a clear and reasonable Proposition 65 warning on the Products pursuant to Section 2.2 below.

2.1. Reformulation Standards

The Products shall be deemed to comply with Proposition 65 with regard to Lead and be exempt from any Proposition 65 warning requirements for Lead if the Products does not exceed 0.5 micrograms of Lead per day ("Reformulated Products"). Products that were supplied or contracted to be supplied to third parties by Evershing prior to 6 months after the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

For the Purpose of this Agreement, the amount of Lead a person is exposed to form the Covered Product shall be calculated using the following formula: micrograms of Lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings in recommended dosage appearing on the product label), which equals micrograms of Lead exposure per day.

2.2. Warning Option

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning requirement shall

only be required as to Products that are manufactured, distributed, marketed, imported, sold, shipped for sale or offered for sale to consumers by Evershing in the State of California.
