3. INJUNCTIVE RELIEF, REFORMULATION, TESTING AND WARNINGS

In consideration of the following covenants and conditions contained in this Agreement, the Parties have provided the releases as set forth in Section 6 below:

3.1 Beginning 60 days after the Effective Date (the “Compliance Date”), Titan Nutrition shall be permanently enjoined from manufacturing for sale in the State of California, “Distributing into the State of California,” or directly selling in the State of California, any Covered Product which exposes a person to a “Daily Lead Exposure Level” of more than 0.5 micrograms of lead per day unless it meets the warning requirements under Section 3.2.

3.1.1 As used in this Agreement, the term “Distributing into the State of California” shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that Titan Nutrition knows or has reason to know will sell the Covered Product in California.

3.1.2 For purposes of this Agreement, the “Daily Lead Exposure Level, ” shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of recommended daily servings appearing on the label), which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

3.2 Clear and Reasonable Warnings

If Titan Nutrition is required to provide a warning pursuant to Section 3.1, the following warning must be utilized (“Warning”):

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

Titan Nutrition shall use the phrase “cancer and” in the Warning if the “Daily Lead Exposure Level” is greater than 15 micrograms of lead as determined pursuant to the quality control methodology set forth in Section 3.4 or if Titan Nutrition has reason to believe that another Proposition 65 chemical is present at a level requiring the cancer warning.

The Warning shall be securely affixed to or printed upon the label of any Covered Product, and it must be set off from other surrounding information and enclosed in a box. In addition, for any Covered Product Titan Nutrition sells over the internet, the Warning shall appear on the product display page, or on the checkout page when a California delivery address is indicated for

Initials  

any purchase of any Covered Product. If the Warning appears on the checkout page, an asterisk or other identifying method must be utilized to identify which product on the checkout page is subject to the Warning. In no event shall any internet or website Warning be contained in or made through a link.

If a Covered Product is being sold by an online third-party seller, known to and authorized to sell such Covered Product by Titan Nutrition, and Titan Nutrition cannot itself post the warning on the authorized online third-party seller's website, then Titan Nutrition must notify the authorized online third-party seller of its duty to provide an internet warning. Titan Nutrition shall comply with this obligation to notify authorized online third-party sellers by complying with 27 C.C.R. § 25600.2 (2024) and providing the information required by 27 C.C.R. § 25600.2 (2024) to any such authorized online third-party seller that is subject to California Health and Safety Code § 25249.6.

With respect to any downstream reseller customers of Titan Nutrition who are subject to Proposition 65, Titan Nutrition may give written notice, including labels, labeling, shelf signs, or tags bearing the Warning, and all other necessary warning materials, to the authorized agent of such downstream reseller customers. Such written notice shall instruct the downstream reseller customers that the labels, labeling, shelf signs, or tags bearing the Warning must be displayed on or in proximity to the Covered Products with such conspicuousness, as compared with other words, statements or designs as to render the Warning likely to be seen, read, and understood by an ordinary individual prior to sale. The written notice shall comply with all of the requirements set forth in 27 C.C.R. § 25600.2 (2024).

The Warning shall be at least the same size as the largest of any other health or safety warnings also appearing on the website or on the label and the word "WARNING" shall be in all capital letters and in bold print. No statements intended to or likely to have the effect of diminishing the impact of, or reducing the clarity of, the Warning on the average lay person shall accompany the Warning. Further, no statements may accompany the Warning that state or imply that the source of the listed chemical has an impact on or results in a less harmful effect of the listed chemical.

Titan Nutrition must display the above Warning with such conspicuousness, as compared with other words, statements or designs on the label, or on its website, as applicable, to render the Warning likely to be read and understood by an ordinary individual under customary conditions of purchase or use of the product. Where a sign or label used to provide the Warning for a Covered Product includes consumer information about the Covered Product in a language other than English, the Warning must also be provided in that language in addition to English.

For purposes of this Agreement, the term "label" means a display of written, printed or graphic material that is printed on or affixed to a Covered Product or its immediate container or wrapper.

If subsequently enacted changes to Proposition 65 or its implementing regulations require

Initials 

the use of additional or different information on any warning specifically applicable to the Covered Products (the “New Safe Harbor Warning”), the Parties agree that the New Safe Harbor warning may be utilized in place of or in addition to, as applicable, the warnings set forth in this Section.

3.3 Conforming Covered Products

A Conforming Covered Product is a Covered Product for which the “Daily Lead Exposure Level” is no greater than 0.5 micrograms of lead per day as determined by the exposure methodology set forth in Section 3.1.2 and the quality control methodology described in Section 3.4, and that is not known by Titan Nutrition to contain other chemicals that violate Proposition 65’s safe harbor thresholds.

3.4 Testing and Quality Control Methodology

3.4.1 Beginning within one year of the Effective Date, Titan Nutrition shall arrange for lead testing of the Covered Products at least once a year for a minimum of five (5) consecutive years by arranging for testing of three (3) randomly selected samples of the Covered Products, in the form intended for sale to the end-user, which Titan Nutrition intends to sell or is manufacturing for sale in California, directly selling to a consumer in California or “Distributing into the State of California.” If tests conducted pursuant to this Section demonstrate that no Warning is required for the Covered Products during each of the five (5) consecutive years, then the testing requirements of this Section will no longer be required as to the Covered Products. However, if during or after the five-year testing period, Titan Nutrition changes ingredient suppliers for the Covered Products and/or reformulates the Covered Products, Titan Nutrition shall test that Covered Product annually for at least four (4) consecutive years after such change is made.

3.4.2 For purposes of measuring the “Daily Lead Exposure Level,” the highest lead detection result of the three (3) randomly selected samples of the Covered Products will be controlling.

3.4.3 All testing pursuant to this Agreement shall be performed using a laboratory method that complies with the performance and quality control factors appropriate for the method used, including limit of detection and limit of quantification, sensitivity, accuracy, and precision that meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry (“ICP-MS”) achieving a limit of quantification of less than or equal to 0.005 mg/kg.

3.4.4 All testing pursuant to this Agreement shall be performed by an independent third-party laboratory certified by the California Environmental Laboratory Accreditation Program or an independent third-party laboratory that is registered with the United States Food & Drug Administration.

3.4.5 Nothing in this Agreement shall limit Titan Nutrition’s ability to conduct,

Initials 

or require that others conduct, additional testing of the Covered Products, including the raw materials used in their manufacture.

3.4.6 Within thirty (30) days of ERC's written request, Titan Nutrition shall deliver lab reports obtained pursuant to Section 3.4, and related documentation, to ERC. Titan Nutrition shall retain all such lab reports and related documentation for a period of five years from the date of each test. Any request by ERC for lab reports and related documentation shall be made prior to the expiration of the five-year time period identified in this section 3.4.6.

3.4.7 The testing and reporting requirements of Section 3.4 do not apply to any Covered Product for which Titan Nutrition is providing a Warning, continuously and without interruption from the Compliance Date, pursuant to Section 3.2 of this Agreement. In the event a Warning is provided after the Compliance Date but Titan Nutrition thereafter ceases to provide the Warning, the testing and reporting requirements of Section 3.4 of this Agreement shall apply beginning within one year after the date the Warning ceases to be provided, unless Titan Nutrition can show to the satisfaction of ERC that the cessation in providing the Warning was a temporary error that was resolved when discovered.

3.5 Nothing in Section 3 of this Agreement shall prevent or preclude ERC from obtaining and relying upon its own testing for purposes of enforcement, so long as such testing meets the requirements of Sections 3.4.3 and 3.4.4. Nothing in Section 3.4 of this Agreement is intended by either Party to set a precedent for the level of lead or other chemicals that is permissible in consumer products under Proposition 65.

4. Titan Nutrition shall make a total payment of \$40,000.00 ("Total Settlement Amount") by wire transfer to ERC's account in four periodic payments (the "Periodic Payments") according to the following payment schedule ("Due Dates"):

- Payment 1 -- \$10,000.00 within 15 days of the Effective Date
- Payment 2 -- \$10,000.00 within 30 days of the Effective Date
- Payment 3 -- \$10,000.00 within 45 days of the Effective Date
- Payment 4 -- \$10,000.00 within 60 days of the Effective Date

Titan Nutrition shall make these Periodic Payments by wire transfer to ERC's account, for which ERC will give Titan Nutrition the necessary account information. The Total Settlement Amount shall be allocated as follows:

a. \$5,000.00 shall be considered a civil penalty pursuant to California Health and Safety Code §25249.7(b)(1). ERC shall remit 75% (\$3,750.00) of the civil penalty to the Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety Code §25249.12(c). ERC will retain the remaining 25% (\$1,250.00) of the civil penalty.

b. \$6,645.05 shall be considered a reimbursement to ERC for its costs incurred as a

Initials 

result of bringing this matter to Titan Nutrition’s attention and negotiating a settlement.

c. \$28,354.95 shall be distributed to ERC for its in-house legal fees.

d. In the event that Titan Nutrition fails to remit, in full, any of the Periodic Payments owed under Section 4 of this Agreement on or before the applicable Due Date, Titan Nutrition shall be deemed to be in material breach of its obligations under this Agreement. ERC shall provide written notice of the delinquency to Titan Nutrition via electronic mail. If Titan Nutrition fails to deliver the delinquent payment within five days from the written notice, the Total Settlement Amount, less any amounts previously paid pursuant to Section 4, shall become immediately due and payable and shall accrue interest at the statutory judgment interest rate provided in the Code of Civil Procedure section 685.010. Additionally, Titan Nutrition agrees to pay ERC’s reasonable attorneys’ fees and costs for any efforts to collect the payment due under this Agreement.

5. Except as expressly set forth in Section 4, the Parties shall bear their own costs, expenses, and attorneys’ fees related to the Notices.

6. Binding Effect; Claims Covered and Released

6.1. This Agreement is a full, final, and binding resolution between ERC, on behalf of itself, and Titan Nutrition and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, suppliers, franchisees, licensees, customers (not including private label customers of Titan Nutrition), distributors, wholesalers, retailers, and all other upstream and downstream entities in the distribution chain of any Covered Product, and the predecessors, successors, and assigns of any of them (collectively, “Released Parties”). Online third-party sellers and downstream reseller customers of Titan Nutrition that do not provide the Warning after being instructed or notified by Titan Nutrition to do so, as outlined in Section 3.2, are not released from liability for violations of Proposition 65.

6.2 ERC, on behalf of itself only, hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted from the handling, use, or consumption of the Covered Products, as to any alleged violation of Proposition 65 or its implementing regulations arising from the failure to provide Proposition 65 warnings on the Covered Products up to and including the Compliance Date. Online third-party sellers and downstream reseller customers of Titan Nutrition that do not provide the Warning after being instructed or notified by Titan Nutrition to do so, as outlined in Section 3.2, are not released from liability for violations of Proposition 65.

6.3 ERC, on its own behalf only, and Titan Nutrition on its own behalf only, further waive and release any and all claims they may have against each other for all actions or statements made or undertaken in the course of seeking or opposing enforcement of Proposition 65 in connection with the Notices up through and including the Compliance Date, provided,

Initials 

however, that nothing in Section 6 shall affect or limit any Party's right to seek to enforce the terms of this Agreement.

6.4 It is possible that other claims not known to the Parties, arising out of the facts alleged in the Notices, and relating to the Covered Products, will develop or be discovered. ERC, on behalf of itself only, and Titan Nutrition, on behalf of itself only, acknowledge that this Agreement is expressly intended to cover and include all such claims up through and including the Compliance Date, including all rights of action therefore. ERC and Titan Nutrition acknowledge that the claims released in Sections 6.2 and 6.3 above may include unknown claims, and the Parties nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

(i) A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

ERC, on behalf of itself only, and Titan Nutrition, on behalf of itself only, acknowledge and understand the significance and consequences of this specific waiver of California Civil Code section 1542.

6.5 Compliance with the terms of this Agreement shall be deemed to constitute compliance with Proposition 65 by any of the Released Parties regarding alleged exposures to lead in the Covered Products as set forth in the Notices.

6.6 Nothing in this Agreement is intended to apply to any occupational or environmental exposures arising under Proposition 65, nor shall it apply to any of Titan Nutrition's products other than the Covered Products.

7. Nothing herein shall be construed as diminishing Titan Nutrition's continuing obligations to comply with Proposition 65.

8. All notices required to be given to either Party to this Agreement by the other shall be in writing and sent to the following agents listed below via first-class mail, or via electronic mail where required. Courtesy copies of notices sent via first-class mail may also be sent via email.
