

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Initiative for Safer Cosmetics and Horizon Beauty Group, LLC

This Settlement Agreement is entered into by and between Initiative for Safer Cosmetics ("IFSC"), on the one hand, and Horizon Beauty Group, LLC ("Horizon Beauty Group"), on the other hand, with IFSC and Horizon Beauty Group collectively referred to as the "Parties."

1.2. General Allegations

IFSC alleges that Horizon Beauty Group manufactured and distributed and offered for sale in the State of California skin moisture/cream under the label TAHARI body butter containing Diethanolamine (DEA), and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"). California has identified and listed Diethanolamine under Proposition 65 as a chemical known to the State of California to cause cancer.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as skin moisture/cream under the label TAHARI body butter that Horizon Beauty Group has manufactured, imported, sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On 05/25/2024 IFSC served Elie Tahari New Jersey, LLC.; Bluestar Alliance, LLC.; Horizon Beauty Group, LLC and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Horizon Beauty Group and such public enforcers with notice that Horizon Beauty Group was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to Diethanolamine. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Horizon Beauty Group's compliance with Proposition

65. Horizon Beauty Group denies the material factual and legal allegations contained in IFSC's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Horizon Beauty Group of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Horizon Beauty Group of any fact, binding, conclusion, issue of law, or violation of law, such being specifically denied by Horizon Beauty Group on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Horizon Beauty Group under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, and continuing thereafter, Products that Horizon Beauty Group directly manufactures, imports, distributes, sells, or offers for sale in California shall either be: (a) reformulated Products pursuant to § 2.1, below; or (b) labeled with a clear and reasonable exposure warning pursuant to §§ 2.2 and 2.3, below. For purposes of this Settlement Agreement, a "DEA Free Reformulated Product" is a Product that is in compliance with the standard set forth in § 2.1, below. The warning requirements set forth in §§ 2.2 and 2.3 shall not apply to any DEA Free Reformulated Product or to any Product manufactured prior to the Effective Date.

2.1. DEA Free Reformulation Standards

To qualify as a "DEA Free Reformulated Product," the Product must meet the following standard: DEA content that is either not detectable (i.e., zero) or below the Reporting Limit (defined herein) when the Product is analyzed pursuant to liquid chromatography/tandem mass spectrometry (LC-MS/MS), inductively coupled mass spectroscopy (ICP-MS) or other method of analysis utilized by the International Organization of Standardization (ISO) for qualitative or quantitative screening of cosmetics and cosmetic raw materials.

2.1.1 Reporting Limit

The "Reporting Limit" is 0.10 ppm in a sample of a Product tested by an accredited testing laboratory employing LC-MS/MS, ICP-MS or other reliable method of analysis utilized by the ISO for qualitative and quantitative screening of cosmetics and cosmetic raw materials.

2.2. Warning Option

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning requirement shall

only be required as to Products that are manufactured, distributed, marketed, imported, sold, shipped for sale or offered for sale to consumers by Horizon Beauty Group in the State of California. No Proposition 65 warning shall be required for any Products that are supplied or contracted to be supplied to third parties by Horizon Beauty Group prior to 6 months after the Effective Date, and all such Products are hereby deemed to be exempt from Proposition 65 enforcement.

2.3. Warning Language

(a) Where required to meet the criteria set forth in Section 2.2, Horizon Beauty Group shall display one of the following warning statements on the packaging label of the Products that do not meet the warning exemption standard set forth in Section 2.1 above:

- (1)  **WARNING:** This product can expose you to chemicals including Diethanolamine, which is [are] known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov
- (2)  **WARNING:** Cancer - www.P65Warnings.ca.gov

Horizon Beauty Group may use “cancer and” in the warning at its option. Horizon Beauty Group may include the names of additional chemicals in the warning if they are present in the Products at a level that Horizon Beauty Group reasonably believes would require a Proposition 65 warning.

(b) The requirements for warnings, set forth in subsection (a) above, are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations. Horizon Beauty Group shall be deemed to be in compliance with the warning requirements of this Settlement Agreement by either adhering to this Section 2.3 or by complying with the Proposition 65 warning requirements adopted by the State of California Office of Environmental Health Hazard Assessment (“OEHHA”) as of or after the Effective Date.

(c) If Proposition 65 warnings for Diethanolamine should no longer be required, Horizon Beauty Group shall have no further obligations pursuant to this Settlement Agreement.
