

## **SETTLEMENT AGREEMENT BETWEEN APS&EE, LLC AND LINCOLN PRODUCTS**

### **1. RECITALS**

#### **1.1 The Parties**

**1.1.1** This Settlement Agreement (“Agreement”) is entered into by and between Lincoln Products (“Lincoln”) and APS&EE, LLC (“APS&EE”) (each individually referred to as a “Party” and collectively as the “Parties”).

**1.1.2** APS&EE is an organization based in California with an interest in protecting the environment, improving human health and the health of ecosystems, and supporting environmentally sound practices, which includes promoting awareness of exposure to toxic chemicals and reducing exposure to hazardous substances found in consumer products.

**1.1.3** APS&EE alleges that Lincoln Products is a person in the course of doing business as the term is defined in California *Health & Safety Code* section 25249.6 et seq. (“Proposition 65”).

#### **1.2 Allegations**

**1.2.1** APS&EE alleges that West Marine, Inc. and West Marine Products, Inc. sold the Seafit brand of bronze fittings, including but not limited to 1/8” 90° ELL, 1857184 (hereinafter the “Products”) in the State of California causing users in California to be exposed to hazardous levels of Lead without providing “clear and reasonable warnings”, in violation of Proposition 65. Lead is listed as known to cause cancer and birth defects or other reproductive harm. APS&EE alleges that Lincoln manufactured, imported, and/or distributed the Products to West Marine, Inc. and West Marine Products, Inc.

**1.2.2** On September 27, 2023, Plaintiff sent a Sixty-Day Notice of Violation (the “September 27 Notice”) to West Marine, Inc., West Marine Products, Inc., and the various public enforcement agencies regarding the alleged violation of

Proposition 65 with respect to the Products. On December 18, 2023, Plaintiff, acting in the public interest, filed an action in the Superior Court for the County of Los Angeles, Case No. 23STCV30802 (the “Complaint”), alleging violations of Proposition 65. On July 1, 2024, Plaintiff sent a Sixty-Day Notice of Violation (the “July 1 Notice”) to Lincoln Products and the various public enforcement agencies regarding the alleged violation of Proposition 65 with respect to the Products. The September 27 Notice and the July 1 Notice shall hereinafter collectively be referred to as the “Notices”.

### **1.3 No Admissions**

Lincoln Products denies all allegations in APS&EE’s Notices and maintains that the Products have been, and are, in compliance with all laws, and that Lincoln Products has not violated Proposition 65. This Agreement shall not be construed as an admission of liability by Lincoln Products but to the contrary as a compromise of claims that are expressly contested and denied. However, nothing in this section shall affect the Parties’ obligations, duties, and responsibilities under this Agreement.

### **1.4 Compromise**

The Parties enter into this Agreement in order to resolve the controversy described above in a manner consistent with prior Proposition 65 settlements and consent judgments that were entered in the public interest and to avoid prolonged and costly litigation between them.

### **1.5 Effective Date**

The “Effective Date” shall be the date upon which a complete and fully executed copy of the Agreement is delivered to each Party or its counsel.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulation Standard**

As of the Effective Date, Lincoln Products shall not distribute, sell, offer for sale, or cause to have the Products sold in California unless (a) the Products contain no more than 100 parts per million (0.01%) of Lead, and the Products produce a test result no

higher than 1.0 microgram of Lead based on a wipe sample collected using NIOSH Method 9100 or equivalent (“Reformulated Product”), or (b) the Product is accompanied by a clear and reasonable warning as described below in Section 2.2.

## **2.2 Proposition 65 Warnings**

**2.2.1** For any Products that are not Reformulated Products, such Products shall be accompanied by a clear and reasonable warning. Lincoln Products shall provide a warning statement substantially similar to the following:

**“WARNING:** This product can expose you to Lead which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).”

The warning shall be accompanied by a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”. Additionally, if the Product contains consumer information in a foreign language, the warning must be provided in the foreign language.

**2.2.2** The Products shall carry said warning directly on each unit, label, or package, with such conspicuousness as compared with other words, statements or designs as to render it likely to be read and understood by an ordinary consumer prior to sale. A Product that is sold by Lincoln Products on the internet to persons located in California shall also provide the warning message by a clearly marked hyperlink on the product display page, or otherwise prominently displayed to the purchaser before the purchaser completes his or her purchase of the Product. For Products that Lincoln Products provide for a downstream entity to sell on the internet, Lincoln Products shall comply with 27 CCR section 25600.2(b) and include an instruction that the entity comply with the warning requirements of this section.
