

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Viition Asia Limited (“Viition”), with Johnson and Viition each individually referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Johnson alleges that Viition is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Johnson alleges that Viition manufactures, sells, and/or distributes for sale in California metal and glass lanterns containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Johnson alleges that Viition failed to provide a Proposition 65 warning for exposures to lead.

1.3 Product Description

The products covered by this Settlement Agreement are specifically defined as, and limited to the *Outdoor LED Lantern, UPC: 7 89112 88526 1*, that are manufactured, sold, or distributed for sale in California by Viition (hereinafter referred to as the “Products”).

1.4 Notices of Violation

On July 12, 2024, Johnson served At Home Stores LLC and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that the notice recipients violated Proposition 65 by failing to warn customers and consumers in

California of the health hazards associated with exposures to lead from the Products. Viition was subsequently identified as the manufacturer/supplier of the product.

On August 2, 2024, Johnson served Viition and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that the notice recipients violated Proposition 65 by failing to warn customers and consumers in California of the health hazards associated with exposures to lead from the Products. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notices.

1.5 No Admission

Viition denies the material, factual, and legal allegations contained in the Notices and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Viition of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Viition of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Viition. This Section shall not, however, diminish or otherwise affect Viition's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date Viition receives Johnson's executed version of this Settlement Agreement.

2. INJUNCTIVE RELIEF

2.1 Reformulation/Warning Commitment

Within three months of the Effective Date, Viition shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless: (i) the Products are Reformulated Products pursuant to Section 2.2; or (ii) Viition provides a clear and reasonable warning pursuant to Section 2.3. The Parties agree and intend that

Viition's compliance with the terms of this Settlement Agreement shall constitute its compliance with Proposition 65 with respect to exposures to lead from the Products.

2.2 Reformulated Products.

"Reformulated Products" are defined as those Products that: (a) contain no more than 90 parts per million ("ppm") lead in any accessible component of the Product when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; and (b) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol.

2.3 Warnings.

To the extent that Products manufactured, imported, or otherwise acquired by Viition after the Effective Date do not meet the standard for Reformulated Products, a clear and reasonable warning shall be provided, as set forth herein.

2.3.1 Warning Content. For purposes of this Settlement Agreement, the parties agree that a clear and reasonable warning shall consist of either of the following warning statements:

 **WARNING:** [Cancer and] Reproductive Harm- www.P65Warnings.ca.gov

OR

 **WARNING:** This product can expose you to chemicals including lead, which is known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

The above warning statements must print the word "**WARNING:**" in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word "**WARNING:**" must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word "**WARNING:**".

2.3.2 Method of Transmission

Product Labeling. Viition shall affix one of the foregoing warning statements to the packaging, labeling or directly to a specific Product. The warning statement shall be affixed to the Product, Products' packaging or labeling and placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. Where the short-form warning statement is provided on the packaging, label or directly on the Product, the entire warning must be in a type size no smaller than the largest type size used for other consumer information on the product label. In no case shall the short-form warning statement appear in a type size smaller than six-point type.

Internet. In addition to the product labeling, where Viition offers Products to California customers via its own proprietary internet website, Viition shall provide a clear and reasonable internet web page warning to customers located in California. The warning statement shall appear either: (i) on the same web page on which a Product is displayed and/or described; (ii) on the same page as the price for the Product; or (iii) on one or more web pages displayed to a California purchaser prior to completion of the checkout process. Alternatively, the warning statement shall be provided using a clearly marked hyperlink using the word "WARNING" on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. If the product label warning is provided using the short-form warning statement, the warning provided on the website may use the same content. A warning is not prominently displayed if the purchaser must search for it in the general content of the website.

Catalog. In addition to the product labeling, if Viition sells Products via its own proprietary catalog to customers located in California, one of the foregoing warnings statements must also be provided in the catalog in a manner that clearly

associates it with the *specific* item being purchased. The catalog warning statement shall be placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase. If a short-form warning is being provided on the label, the warning provided in the catalog may use the same content.

Languages. Where a label or tag used to provide a warning statement includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, Viition agrees to pay \$1,000 in civil penalties no later than the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson. Viition shall make its payment via wire transfer (instructions for which shall to be provided Viition by Johnson on or before the Effective Date, or in two checks, delivered to the address in section 3.3, as follows: (1) “OEHHA” in the amount of \$750; and (2) “Dennis Johnson” in the amount of \$250.

3.2 Attorneys’ Fees and Costs

The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to his counsel, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Viition expressed a desire to resolve the attorneys’ fees and costs. The Parties reached an accord on the compensation due to Johnson’s counsel under general contract principles and the

private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, Viition agrees to pay, no later than the Effective Date, \$10,500, in the form of a check made payable to “Voorhees & Bailey, LLP,” or via wire transfer (instructions for which shall to be provided Viition by Johnson on or before the Effective Date) for all fees and costs incurred investigating, bringing this matter to the attention of Viition’s management, and negotiating a settlement.

3.3 Payment Address and Tax Documentation

All checks under this Settlement Agreement shall be delivered to the following address and shall, thereafter, be delivered by Johnson to the respective payees:

Voorhees & Bailey, LLP
839 Emerson Street
Palo Alto, CA 94301

Johnson shall provide IRS W-9 forms for: (i) “Office of Environmental Health Hazard Assessment”; (ii) Dennis Johnson; and (iii) Voorhees & Bailey, LLP. Viition shall issue complete IRS 1099 forms to each payee for their respective payment amount.

4. CLAIMS COVERED AND RELEASED

4.1 Johnson’s Release of Proposition 65 Claims

Johnson acting on his own behalf, and not on behalf of the public, releases Viition, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents employees, attorneys, and each entity to whom Viition directly or indirectly distributes or sells the Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers including, but not limited to At Home Stores LLC, franchisees, cooperative members, importers, and licensees (collectively, “Releasees”), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to lead in the Products regardless of the date any other Releasee distributes the Products. The Parties understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any

component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Viition.

4.2 Johnson's Individual Release of Claims

Johnson, in his individual capacity only and not in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities, and demands of Johnson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, including but not limited to all failure to warn claims, arising out of alleged or actual exposures to lead in the Products manufactured, imported, distributed, or sold by Viition prior to the Effective Date. The Parties understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Viition.

In this regard, Johnson hereby acknowledges that he is familiar with and hereby waives Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

4.3 Viition's Release of Johnson

Viition, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Johnson and his attorneys and other representatives, for any and all actions taken or statements made by Johnson and his attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

4.4 Public Benefit.

It is the Parties' understanding that the commitments Viition has agreed to herein, and actions to be taken by Viition under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of the Parties that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Viition's or Releasees' failure to provide a warning concerning exposure to lead prior to use of the Products Viition has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Viition is in material compliance with this Settlement Agreement.

5. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Viition may provide written notice to Johnson of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.

7. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal

delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

For Viition:

Ryan S. Landis
Gorden Rees Scully Mansukhani
5 Park Plaza, Suite 1100
Irvine, CA 92614

For Johnson:

Dennis Johnson
c/o Voorhees & Bailey, LLP
Proposition 65 Coordinator
839 Emerson Street
Palo Alto, CA 94301

Any Party may, from time to time, specify in writing to the other a change of address to which all notices and other communications shall be sent.

8. COUNTERPARTS; FACSIMILE SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

9. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Johnson and his attorneys agree to comply with the reporting form requirements referenced in California Health and Safety Code section 25249.7(f).

10. MODIFICATION

This Settlement Agreement may be modified only by written agreement of the Parties.

11. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof.

12. AUTHORIZATION

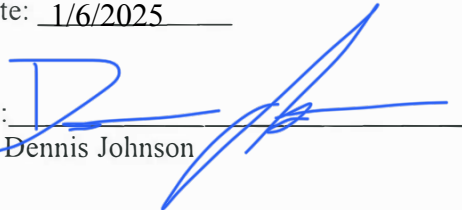

The undersigned are authorized to execute this Settlement Agreement on behalf of their respective Parties and have read, understand, and agreed to all of the terms and conditions of this Settlement Agreement.
