

## SETTLEMENT AGREEMENT

### 1. INTRODUCTION

#### 1.1 Parties

This Settlement Agreement is entered into by and between CalSafe Research Center, Inc. ("CRC"), on the one hand, and San-J International, Inc. ("San-J") on the other hand, with CRC and San-J each individually referred to as a "Party" and collectively as the "Parties."

#### 1.2 General Allegations

CRC alleges that San-J sells and/or distributes in California certain products, specified in Section 1.3 below, containing lead without a warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm. San-J denies these allegations.

#### 1.3 Product Descriptions

The product covered by this Settlement Agreement is defined as, and expressly limited to "San-J, Wakame Seaweed & Shiitake Mushrooms (UPC# 075810372012)" (the "Product") that contains lead and that is manufactured, sold or distributed for sale in California by San-J.

#### 1.4 Notice of Violation

On July 19, 2024, CRC served a 60-Day Notice of Violation ("the Notice") on San-J, the California Attorney General and the other requisite public enforcers, alleging that San-J and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Product.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

#### 1.5 No Admission

San-J denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by San-J or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by San-J or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by San-J. This Section shall not, however, diminish or otherwise affect San-J's obligations, responsibilities, and duties under this Settlement Agreement.

#### 1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

## 2. INJUNCTIVE RELIEF

### 2.1 Clear and Reasonable Warnings

Beginning on the Effective Date, San-J shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, Product that exposes a person to an exposure level of more than 0.5 micrograms of lead per serving, with serving size measured by the serving size specified on the label of the Product, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship the Product into California for sale in California or to sell the Product to a distributor that San-J knows or has reason to know will sell the Product in California.

### 2.2 General Warning Requirements

San-J agrees that, if it desires to sell the Product in California and the Product contains more than 0.5 micrograms of lead per serving, it shall include a warning that is prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For the purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Product sold or distributed in California by San-J that contains one of the following statements:

1) **WARNING:** Consuming this product can expose you to lead which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food);

2) **WARNING:** Reproductive Harm-[www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

The warning shall be offset in a box with black outline.

For internet purchases, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word "**WARNING**" on the Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase.

For Product that San-J provides for a downstream entity to sell on the internet, San-J shall include an instruction that the entity comply with the warning requirements of this section.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

#### (i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set

forth above, San-J shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Product is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

**2.3 Grace Period for Existing Inventory of Products**

The injunctive requirements of Section 2 shall not apply to Product that is already in the stream of commerce as of the Effective Date, which Product is expressly subject to the releases provided in Section 4.1.

**3. MONETARY SETTLEMENT TERMS**

**3.1 Total Settlement Payment**

In full satisfaction of all potential civil penalties, attorneys' fees, and costs, San-J shall make a total settlement payment of Twenty-One Thousand Dollars (**\$21,000.00**) ("Total Settlement Amount"). The Total Settlement Amount shall be apportioned into a Civil Penalty and Attorney's Fees and Costs as set forth in Sections 3.2 and 3.3 below.

**3.2 Civil Penalty Payment**

Pursuant to Health and Safety Code§ 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, San-J agrees to pay Two Thousand One Hundred Dollars (**\$2,100.00**) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code§§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by CRC. Within ten (10) days of the Effective Date, San-J shall issue a check to "OEHHA" in the amount of One Thousand Five Hundred and Seventy-Five Dollars (**\$1,575.00**) and shall, pursuant to the instructions below, wire to CRC the amount of Five Hundred and Twenty-Five Dollars (**\$525.00**).

All payments owed to OEHHA (EIN: 68-0284486) pursuant to this Section shall be delivered directly to OEHHA (Memo Line "Prop 65 Penalties") at the following addresses:

"Released Parties" and individually, a "Released Party"). CRC, on behalf of itself and its officers, directors, shareholders, employees, agents, parent companies, subsidiaries and divisions hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted based on or related to the handling, use, sale, distribution or consumption of the Product in California, as to any alleged violation of Proposition 65 or its implementing regulations, including without limitation any failure to provide Proposition 65 warnings on the Product with respect to exposures to lead.
