Case No.: 25STCV21576

[PROPOSED] CONSENT JUDGMENT AS  
TO DHS WE CARE, INC.

(Health & Safety Code § 25249.6 *et. seq.* and  
Code Civ. Proc. § 664.6)

**1. INTRODUCTION**

**1.1 The Parties**

This [Proposed] Consent Judgment is hereby entered into by and between KEEP AMERICA SAFE AND BEAUTIFUL, acting on behalf of the public interest (hereinafter “KASB”) and DHS WE CARE, INC. (hereinafter “DIIS” or “Defendant”). Collectively KASB and DIIS shall be referred to hereafter as the “Parties” and each of them as a “Party.” KASB is a non-profit corporation organized under the laws of California and acting in the interest of the general public, dedicated to protecting the health of California citizens and the environment through the elimination or reduction of toxic chemicals utilized in manufacturing consumer products and to increasing public awareness of those chemicals through the promotion of sound environmental practices and corporate responsibility. Defendant is a person in the course of doing business for purposes of Proposition 65, Cal. Health & Safety Code §§ 25249.6 et seq.

**1.2 Allegations and Representations**

KASB alleges that Defendant has offered for sale in the State of California and has sold in California, certain products, which contain lead, and that such sales have not been accompanied by Proposition 65 warnings. The State of California has listed lead as a chemical known to cause cancer, developmental toxicity and reproductive harm. Defendant denies the allegations and contends that there is no exposure and no violation under Proposition 65 for an alleged failure to warn.

**1.3 Covered Product Description**

The product that is covered by this Consent Judgment is identified as We Care Spa – Organic Green Food – Plant. Vitamin. Mineral – Dietary Supplement; ITEM NUMBER: WCS105 WCS105-A. All such items shall be referred to herein as the “Covered Products.”

1           **1.4     Notices of Violation/Complaint**

2           1.4.1   On or about July 23, 2024, KASB served DHS and various public enforcement  
3 agencies with a document entitled "60-Day Notice of Violation" pursuant to Health & Safety Code  
4 §25249.7(d) (the "Notice"), alleging that DHS was in violation of Proposition 65 for failing to warn  
5 consumers and customers that the Covered Products exposed users in California to lead. No public  
6 enforcer diligently prosecuted the claims threatened in the Notice within sixty days plus service time  
7 relative to the provision of the Notice to them by KASB.

8  
9           1.4.2   On July 22, 2025, KASB, acting in the interest of the general public in the State of  
10 California, filed a complaint in the Superior Court of Los Angeles County alleging violations of  
11 Health & Safety Code §25249.6 (the "Complaint") based on the alleged failure to warn of exposures  
12 to lead contained in the Covered Products manufactured, distributed, or sold by Defendant.

13           **1.5     Effective Date:**

14           For purposes of this Consent Judgment, the term "Effective Date" shall mean the date this  
15 Consent Judgment is entered as a judgment of the Court.

16  
17           **2.     STIPULATION TO JURISDICTION/NO ADMISSION**

18           For purposes of this Consent Judgment only, the Parties stipulate that this Court has  
19 jurisdiction over Defendant as to the allegations contained in the complaint filed in this matter, that  
20 venue is proper in the County of Los Angeles, and that this Court has jurisdiction to approve, enter,  
21 and oversee the enforcement of this Consent Judgment as a full and final binding resolution of all  
22 claims which were or could have been raised in the Complaint based on the facts alleged therein  
23 and/or in the Notice.

24  
25           Nothing in this Consent Judgment shall be construed as an admission by Defendant of any  
26 fact, finding, issue of law, or violation of law; nor shall compliance with this Consent Judgment  
27 constitute or be construed as an admission by Defendant of any fact, finding, conclusion, issue of law,  
28

or violation of law, such being specifically denied by Defendant, including, but not limited to, any admission related to exposure of failure to warn. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of Defendant under this Consent Judgment.

### **3. INJUNCTIVE RELIEF**

**3.1** Beginning on the Effective Date, DHS shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, any Covered Product that expose a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead per day, unless it meets the warning requirements under Section 3.2.

**3.1.1** As used in this Consent Judgment, the term "Distributing into the State of California" shall mean to directly ship Covered Products into California for sale in California or to sell Covered Products to a distributor that DHS knows or has reason to know will sell the Covered Products in California. The injunctive relief in Section 3 does not apply to any Covered Products that has left the possession, and is no longer under the control of DHS prior to the Effective Date and all claims as to such Covered Products are released in this Consent Judgment.

**3.1.2** For purposes of this Consent Judgment, the "Daily Lead Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product as stated on the label, multiplied by servings of the product per day stated on the label, which equals micrograms of lead exposure per day.

### **3.2 Clear and Reasonable Warnings**

If DHS is required to provide a warning pursuant to Section 3.1, one of the following warnings must be utilized ("Warning"):

1           **Option 1:**

2           **WARNING:** Consuming this product can expose you to chemicals including lead,  
3           which is known to the State of California to cause [cancer and] birth defects or other  
4           reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

5           **Option 2:**

6           **WARNING:** Can expose you to lead, a [carcinogen and] reproductive toxicant. See  
7           <http://www.P65Warnings.ca.gov/food>

8  
9           DHS shall use the phrase "cancer and" or "carcinogen and" in the Warning if DHS has reason  
10          to believe that the "Daily Lead Exposure Level" is greater than 15 micrograms of lead.

11          The Warning shall be securely affixed to or printed upon the label of each Covered Product  
12          and it must be set off from other surrounding information. In addition, for any Covered Product sold  
13          by Defendant over the internet, the Warning shall appear on the checkout page, or prominently  
14          displayed to the purchaser prior to completing the purchase, in full text or through a clearly marked  
15          hyperlink using the word "**WARNING**" in all capital and bold letters when a California delivery  
16          address is indicated for any purchase of any Covered Product. If a hyperlink is used, the hyperlink  
17          must go directly to a page prominently displaying the Warning without content that detracts from the  
18          Warning.  
19

20          The Warning shall be at least the same size as the largest of any other health or safety  
21          warnings also appearing on the website or on the label and the word "**WARNING**" shall be in all  
22          capital letters and in bold print. No statements intended to or likely to have the effect of diminishing  
23          the impact of the Warning on the average lay person shall accompany the Warning. Further, no  
24          statements may accompany the Warning that state or imply that the source of the listed chemical has  
25          an impact on or results in a less harmful effect of the listed chemical.  
26  
27  
28

DHS must display the above Warning with such conspicuousness, as compared with other words, statements or designs on the label, or on its website, if applicable, to render the Warning likely to be read and understood by an ordinary individual under customary conditions of purchase or use of the product. For purposes of this Consent Judgment, the term "label" means a display of written, printed or graphic material that is printed on or affixed to a Covered Product or its immediate container or wrapper. The warning must be set off from other surrounding information, enclosed in a box. If consumer information on the package is in a foreign language, the warning must also be provided in the foreign language.

Notwithstanding the foregoing, Defendant may comply with this Section 3 by providing warnings as specified in the Proposition 65 regulations applicable to the Covered Products and chemical at issue, in effect as of the Effective Date, or as such regulations may be modified or amended in the future.

**4. PAYMENTS PURSUANT TO HEALTH & SAFETY CODE §25249.7(b)**

With regard to all claims that have been raised or which could be raised with respect to failure to warn pursuant to Proposition 65 with regard to lead in the Covered Product, Defendant shall pay a civil penalty of \$5,000.00 pursuant to Health and Safety Code section 25249.7(b), to be apportioned in accordance with California Health & Safety Code § 25192, with 75% of these funds remitted to the State of California's Office of Environmental Health Hazard Assessment and the remaining 25% of the penalty remitted to KASB, as provided by California Health & Safety Code § 25249.12(d) and the instructions directly below. Defendant shall make these payments on or before the date that is ten (10) business days after the Effective Date, at which time such payments shall be made as follows:

Under these legal principles, Defendant shall reimburse KASB's counsel for fees and costs, incurred as a result of investigating, bringing this matter to Defendant's attention, and negotiating a settlement in the public interest. Defendant shall pay KASB's counsel \$41,500.00 for all attorneys' fees, expert and investigation fees and related costs associated with this matter and the Notice. 1     **6.     RELEASE OF ALL CLAIMS**

2             **6.1     KASB's Release of Defendant, Releasees, and Downstream Releasees**

3             As to those matters raised in the Complaint and in the Notice of Violation, KASB, on behalf  
4 of itself, and on behalf of the public interest, hereby waives and releases any and all claims against  
5 Defendant, its parent companies, corporate affiliates, subsidiaries, predecessors, successors and  
6 assigns (collectively "Releasees") and each of its distributors, wholesalers, licensors, licensees,  
7 auctioneers, retailers, franchisees, dealers, customers, owners, purchasers, users (collectively  
8 "Downstream Releasees") and their respective officers, directors, attorneys, representatives,  
9 shareholders, agents, and employees, and sister and parent entities for injunctive relief or damages,  
10 penalties, fines, sanctions, mitigation, fees (including fees of attorneys, experts, and others), costs,

13 about exposure to lead arising from the sale, distribution, or use of any Covered Product sold,  
14 manufactured or distributed by Defendant, Releasees or Downstream Releasees in California, up  
15 through the Effective Date. Compliance with the Consent Judgment by Defendant or a Releasee shall  
16 constitute compliance with Proposition 65 by that Defendant, Releasee, or Downstream Releasee  
17 with respect to the presence of lead in the Covered Product. Plaintiff agrees that any and all claims in  
18 the Complaint are resolved with prejudice by this Consent Judgment.

19             In addition to the foregoing, KASB, on behalf of itself, past and current agents,  
20 representatives, officers, directors, employees, attorneys, and successors and/or assignees, and not in  
21 its representative capacity, hereby waives all rights to institute or participate in, directly or indirectly,  
22 any form of legal action and releases any other Claims that it could make against Defendant,  
23 Releasees or Downstream Releasees with respect to violations of Proposition 65 based upon the  
24 Covered Products. With respect to the foregoing waivers and releases in this paragraph, KASB  
25  
26  
27  
28

hereby specifically waives any and all rights and benefits which it now has, or in the future may have, conferred by virtue of the provisions of Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

#### **6.2 Defendant's Release of KASB**
