

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Botanas Mexico, Inc. (“Botanas”), on the other hand, with EHA and Botanas each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Botanas is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that Botanas manufactures, sells, and/or distributes for sale in California, soybean meat products that contain lead and cadmium and that it does so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects or other reproductive harm and cancer. Cadmium is listed pursuant to Proposition 65 as a chemical known to cause developmental and reproductive toxicity.

1.3 Product Description

The product covered by this Settlement Agreement is defined as, and expressly limited to, Carne de Soya (“Covered Products”), that are manufactured, sold, or distributed for sale in California by Botanas.

1.4 Notice of Violation

On or around August 15, 2024, EHA served Botanas, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”) alleging that Covered Products sold in California caused exposures to lead and cadmium without providing a Proposition 65 warning. To the best of the parties’ knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

Botanas denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Botanas of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Botanas of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Botanas. This Section shall not, however, diminish or otherwise affect Botanas's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Settlement Agreement is executed by the Parties.

1.7 Compliance Date

For purposes of this Settlement Agreement, the term “Compliance Date” shall mean the date that is one hundred twenty (180) days after the Effective Date.

2. INJUNCTIVE RELIEF

2.1 Reformulation Standard

Beginning on or before the Compliance Date, Botanas shall be permanently enjoined from manufacturing, distributing, or directly selling in the State of California, any Covered Product that exposes a person to (a) a “Daily Lead Exposure Level” of more than 0.5 micrograms of lead based on a single serving per day or (b) a “Daily Cadmium Exposure Level” of more than 4.1 micrograms of cadmium per day based on a single serving per day, unless such Covered Products comply with the warning requirements of Section 2.2. The “Daily Lead Exposure Level” and “Daily Cadmium Exposure Level” shall be calculated by multiplying the recommended serving size in Covered Product by the concentration of lead and cadmium in Covered Products. As used in this Section 2, “distributed for sale in California” means to directly ship Covered Products into California or to sell Covered Products to a distributor Botanas knows will sell Covered Products in California.

2.2 General Warning Requirements

Commencing on the Compliance Date, Botanas agrees any Covered Product sold that was not reformulated pursuant to paragraph 2.1 shall contain a Proposition 65 warning.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Products sold in California by Botanas, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

- 1) **[CA] or [CALIFORNIA] WARNING:** Consuming this product can expose you to chemicals including lead which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov/food.

OR

- 2) **[CA] or [CALIFORNIA] WARNING:** Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

OR

- 3) **[CA] or [CALIFORNIA] WARNING:** Can expose you to lead, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food.

This warning statement shall be enclosed in a box and prominently displayed on the Covered Products, on the packing of the Covered Products, or on a placard, shelf tag, or sign provided that the statement is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. In no case shall a warning statement displayed on the Covered Products' packaging appear in a type size smaller than 6-point type. If the Covered Products' packaging contains consumer information in a foreign language, a warning statement in that language is required. The same warning shall be posted on any websites under the exclusive control of Botanas where Covered Products are sold into California. Such warning shall constitute compliance with Proposition 65 with respect to any lead and cadmium that may be present in the Covered Products for any Covered Products in existing

inventory that had not been reformulated and were distributed and/or sold by Botanas or any of the Releasees after the Compliance Date. There shall be no obligation for Botanas to provide a warning for Covered Products that entered the stream of commerce prior to the Compliance Date, and the Section 4 release applies to all such Covered Products.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment, or a different lead agency designated in the future to oversee or implement Proposition 65, promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, Botanas shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead and cadmium in this product are no longer required, or a court of competent jurisdiction finds that Proposition 65 warnings for exposures to lead and cadmium in food products are no longer required, a lack of warning by Botanas will not thereafter be a breach of this Agreement. Botanas shall instruct any third-party website to which it sells its Covered Products to include the same warning as a condition of selling the Covered Products.

2.3 Grace Period for Existing Inventory of Covered Products

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Compliance Date, which Covered Products are expressly subject to the releases provided in Section 4.1 and Section 4.3. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Botanas agrees to pay two thousand dollars (\$2,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. Botanas shall issue two separate checks for the initial civil penalty payment to (a) “OEHHA” and (b) Environmental Health Advocates, Inc. as follows:

- One payment of \$1,500.00 to OEHHA, due 14 (fourteen) days after the Effective Date.
- One payment of \$500.00 to EHA, due 14 (fourteen) days after the Effective Date.

All payments owed to OEHHA (EIN: 68-0284486), pursuant to this Section shall be delivered directly to OEHHA (Memo Line "Prop 65 Penalties") at the following addresses:

For United States Postal Service Delivery:

Mike Gyurics
Fiscal Operations Branch Chief
Office of Environmental Health Hazard Assessment
P.O. Box 4010
Sacramento, CA 95812-4010

For Non-United States Postal Service Delivery:

Mike Gyurics
Fiscal Operations Branch Chief
Office of Environmental Health Hazard Assessment
1001 I Street
Sacramento, CA 95814

All penalty payments owed to EHA shall be sent to:

Isaac Fayman
Environmental Health Advocates
225 Broadway, Suite 1900
San Diego, CA 92101

3.2 Attorney Fees and Costs

The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Botanas agrees to pay eighteen thousand (\$18,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of Botanas, and negotiating a settlement. The eighteen thousand dollars (\$18,000.00) in Attorney's Fees and Costs shall be payable to Entorno Law, LLP, due 14 (fourteen) days after the Effective Date.

All payments required under this Section shall be delivered to:

Noam Glick
Entorno Law, LLP
225 Broadway, Suite 1900
San Diego, CA 92101

3.3 Tax Documentation

Botanas agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that Botanas cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Botanas receives the requisite W-9 forms from EHA's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of Botanas

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and Botanas for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Botanas and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom Botanas directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers (including but not limited to Manolo's Farmers Market), franchisees, cooperative members and licensees ("Releasees"), based on the failure to warn about alleged exposures to lead

and cadmium required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by Botanas before the Compliance Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Botanas and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to lead and cadmium required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by Botanas, before the Compliance Date.

4.2 Botanas's Release of EHA

Botanas, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and Botanas on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Compliance Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

EHA and Botanas each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5 PUBLIC BENEFIT

It is Botanas's understanding that the commitments it has agreed to herein, and actions to be taken by Botanas under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Botanas that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Botanas's alleged failure to provide a warning concerning actual or alleged exposure to lead and cadmium prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Botanas is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

9. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

For Botanas:

David Barnes
Hogan Lovells US LLP
4 Embarcadero Center, Suite 3500
San Francisco, CA 94111
david.barnes@hoganlovells.com

For EHA:

Noam Glick
Entorno Law, LLP
225 Broadway, Suite 1900
San Diego, CA 92101

Any Party may, from time to time, specify in writing to the other a change of address to which all notices and other communications shall be sent.

10. COUNTERPARTS; FACSIMILE SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

11. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

EHA and its attorneys agree to comply with the reporting form requirements referenced in California Health and Safety Code § 25249.7(f).

12. MODIFICATION

This Settlement Agreement may be modified only by written agreement of the Parties.

13. AUTHORIZATION

The undersigned are authorized to execute this Settlement Agreement on behalf of their respective Parties and have read, understood, and agree to all of the terms and conditions of this Settlement Agreement.
