

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Ema Bell (“Bell”) and Skyrun International Co., Ltd. (“Skyrun”). Together, Bell and Skyrun are collectively referred to as the “Parties.” Bell is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Bell alleges that Skyrun is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Bell alleges that Skyrun has exposed individuals to perfluorooctanoic acid (PFOA) from its sales of Cynthia Rowley pillows, # 62-1215-796610-001999-04-6 without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. PFOA is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Product Description. The products covered by this Settlement Agreement are Cynthia Rowley pillows, # 62-1215-796610-001999-04-6 (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Skyrun.

1.4 Notices of Violation. On August 2, 2024, Bell served HomeGoods, LLC, The TJX Companies, Inc. (collectively, “TJX”), and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “First August Notice”). The First August Notice provided TJX and such others, including public enforcers, with notice that alleged that TJX was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to PFOA. No public enforcer has diligently prosecuted the allegations set forth in the First August Notice.

On August 22, 2024, Bell served TJX, Skyrun, and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the

“Second August Notice”). The Second August Notice provided Skyrun and such others, including public enforcers, with notice that alleged that Skyrun was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to PFOA. No public enforcer has diligently prosecuted the allegations set forth in the Second August Notice.

The First August Notice and Second August Notice are collectively referred to herein as, the “Notices.”

1.5 No Admission. Skyrun denies the material factual and legal allegations contained in the Notices and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Skyrun of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Skyrun of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Skyrun. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notices, Skyrun maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Products. Commencing within sixty (60) days after the Effective Date, and continuing thereafter, Products that Skyrun directly manufactures, imports, distributes, sells, or offers for sale in California shall either be: (a) reformulated Products pursuant to § 2.2, below; or (b) labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 and 2.4, below. The warning requirement set forth in §§ 2.3 and 2.4 shall not apply to any Reformulated Product.

2.2 Reformulation Standard. “Reformulated Products” shall mean Products that do not contain any intentionally added PFOA.

2.3 Clear and Reasonable Warning. Commencing within 60 days after the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Skyrun manufacturers, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product. There shall be no obligation for Skyrun to provide an exposure warning for Products that entered the stream of commerce prior to 60 days after the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning:**

⚠ WARNING: This product can expose you to chemicals including perfluorooctanoic acid (PFOA), which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **Alternative Warning¹:**

⚠ WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

2.4 A Warning or Alternative Warning provided pursuant to § 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process only if such electronic device or automatic process provides the **Warning** or **Alternative Warning** without the purchaser having to seek it out, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary

¹ An **Alternative Warning** on a Product manufactured and labeled after January 1, 2028 shall be provided in accordance with Title 27, California Code of Regulations, § 25603(b).

conditions of purchase or use. The **Warning or Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. If “consumer information,” as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a foreign language, Skyrun shall provide the **Warning or Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”).

In addition to affixing the **Warning or Alternative Warning** to the Product’s packaging or labeling, the **Warning or Alternative Warning** shall be posted on websites where Skyrun offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning or Alternative Warning**, or a clearly marked hyperlink using the word “**WARNING**,” appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, Skyrun shall (a) post the **Warning or Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers; and (b) if it does not have the ability to post the **Warning or Alternative Warning** on the websites of its third-party internet sellers, provide such sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

2.5 Compliance with Warning Regulations. The Parties agree that Skyrun shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning regulations adopted by the State of California’s OEHHA applicable to the Product and the exposures at issue.

3. **PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)**

3.1 **Civil Penalty.** In settlement of all the claims referred to in this Settlement Agreement, Skyrun shall pay \$1,000.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Bell.

4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that Bell and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Bell and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Skyrun shall reimburse Bell's counsel for fees and costs incurred as a result of investigating and bringing this matter to the attention of Skyrun, and negotiating a settlement in the public interest in the amount of \$16,500.00.

5. **PAYMENT PROCEDURES.**

5.1 **Issuance of Payments.** Within ten (10) business days of the Effective Date or receipt of W-9 forms, whichever is later, Skyrun shall initiate a wire transfer of \$17,500 to Bell's counsel, Brodsky Smith, who shall provide wiring instructions to Skyrun. Brodsky Smith shall be solely responsible for distributing the settlement payments to each payee as required by §§ 3 and 4 of this Settlement Agreement.

5.2 For all amounts due and owing that are not received within the payment times set forth above, Skyrun shall pay a late civil penalty payment fee equal to \$100/day to be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d).

6. **RELEASE OF ALL CLAIMS**

6.1 **Release of Skyrun and Downstream Customers and Entities.** This Settlement Agreement is a full, final and binding resolution between Bell, acting on her own behalf, and Skyrun,

of any violation of Proposition 65 that was or could have been asserted by Bell or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns (“Releasors”) for failure to provide warnings for alleged exposures to PFOA from use of the Products, and Releasors hereby release any such claims against Skyrun and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Skyrun directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to TJX, and their respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the “Releasees”), from all claims for violations of Proposition 65 for Products sold by Skyrun through 60 days after the Effective Date based on exposure to PFOA from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Bell, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to PFOA from use of the Products.

6.2 Skyrun’s Release of Bell. Skyrun, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Bell, her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Bell and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to PFOA from use of the Products.

6.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notices and relating to the Products will develop or be discovered.

Bell on behalf of herself only acknowledges that this Agreement is expressly intended to cover and include all such claims up for Products sold by Skyrun through 60 days after the Effective Date, including all rights of action therefor. Bell acknowledges that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waives California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HIS, WOULD HAVE MATERIALLY AFFECTED HIS OR HIS SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Bell acknowledges and understands the significance and consequences of this specific waiver of California Civil Code § 1542.

6.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Skyrun with this Settlement Agreement constitutes compliance by Skyrun and the Releasees with Proposition 65 with respect to exposure to PFOA from use of the Products.

6.5. Public Benefit. It is the Parties' understanding that the commitments they have agreed to herein, and actions to be taken by Skyrun under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of the Parties that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Skyrun's failure to provide a warning concerning exposure to PFOA prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Skyrun is in material compliance with this Settlement Agreement.

7. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable

provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

8. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California.
