

## SETTLEMENT AGREEMENT

### **1. INTRODUCTION**

#### **1.1 Parties**

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Miss A. Stores, Inc. (“Miss A”), on the other hand, with EHA and Miss A each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California allegedly serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Miss A is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

#### **1.2 General Allegations**

EHA alleges that Miss A manufactures, sells, and/or distributes for sale in California, powdered face makeup that contains Titanium dioxide (airborne, unbound particles of respirable size) (“TiO<sub>2</sub>”) and that it does so without first providing the health hazard warning required by Proposition 65. TiO<sub>2</sub> is listed pursuant to Proposition 65 as a chemical known to cause cancer.

#### **1.3 Product Description**

The products covered by this Settlement Agreement are defined as, and expressly limited to powdered face makeup including but not limited to AOA Fly with Me Shimmer Eyeshadows (“Covered Products”), that are manufactured, sold or distributed for sale in California by Miss A.

#### **1.4 Notice of Violation**

On or around August 29, 2024, EHA served Miss A, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that TiO<sub>2</sub> had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to TiO<sub>2</sub> contained in Covered Products.

To the best of the parties’ knowledge, no public enforcer has commenced or is otherwise

prosecuting an action to enforce the violations alleged in the Notice.

### **1.5 No Admission**

Miss A denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Miss A of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Miss A of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Miss A. This Section shall not, however, diminish or otherwise affect Miss A's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties. The "Compliance Date" shall mean ninety (90) days after the Effective Date.

## **2. INJUNCTIVE RELIEF**

### **2.1 General Warning Requirements**

Commencing on the Compliance Date, Miss A agrees any Covered Product sold in California shall contain a Proposition 65 warning, subject to Section 2.3 of this Agreement. Miss A agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Products sold in California by Miss A, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

- 1)  **WARNING:** This product can expose you to chemicals including Titanium Dioxide (“TiO<sub>2</sub>”), which is known to the State of California to cause cancer. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

OR

- 2)  **WARNING:** Cancer – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

The triangle above shall be yellow on the warning statement; provided, however, the triangle may be printed in black and white instead of yellow if the Covered Product label or packaging does not contain the color yellow. This warning statement shall be prominently displayed on the Covered Products, on the packing of the Covered Products, or on a placard, shelf tag, or sign provided that the statement is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. If the second warning statement is provided (the “short-form warning”) and the warning statement is displayed on the Covered Products’ packaging, it must be in a type size no smaller than the largest type size used for other consumer information on the product. In no case shall a short-form warning statement displayed on the Covered Products’ packaging appear in a type size smaller than 6-point type. If the Covered Products’ packaging contains consumer information in a foreign language, a warning statement in that language is required.

As set forth in Cal. Code Regs. Tit. 27, § 25602(b), to the extent Covered Products are sold online, a warning that complies with the content requirements of Cal. Code Regs Tit. 27, § 25603(a) must be provided by including either the warning or a clearly marked hyperlink using the word “**WARNING**” on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. If an on-product warning is provided pursuant to Cal. Code Regs. Tit. 27, § 25603(a), the warning provided on the website may use the same content as the on-product warning. For purposes of this section, a warning is not prominently displayed if the purchaser must search for it in the general content of the website. These requirements extend to any websites under the exclusive control of Miss A where Covered Products are sold into California. In addition,

Miss A shall instruct any third-party website to which it directly sells its Covered Products to include the same online warning, as set forth above, as a condition of selling the Covered Products in California. There shall be no obligation for Miss A to provide a warning for Covered Products that are in Miss A's inventory or entered the stream of commerce prior to the Compliance Date, and the Section 4 release applies to all such Covered Products.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and TiO<sub>2</sub>, which are different than those set forth above, Miss A shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to TiO<sub>2</sub> in the Covered Products are no longer required, a lack of warning by Miss A will not thereafter be a breach of this Agreement.

**2.3 Grace Period for Existing Inventory of Covered Products; Non-Compliance**

The injunctive requirements of Section 2 shall not apply to Covered Products that are in Miss A's inventory or are already in the stream of commerce as of the Compliance Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture. In the event that Miss A is not in compliance with this Section 2, Miss A shall have a thirty (30) day grace period to come into compliance upon receiving written notice of non-compliance. Covered Products' compliance with any other standard contained in any EHA TiO<sub>2</sub> settlement, constitutes compliance with Proposition 65 as to TiO<sub>2</sub>.

**3. MONETARY SETTLEMENT TERMS**

**3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Miss A agrees to pay two thousand (\$2,000.00) in civil penalties. The penalty payment will be allocated in accordance with California

Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. Miss A shall issue two separate checks for the initial civil penalty payment to (a) “OEHHA” and (b) Environmental Health Advocates, Inc. as follows:

- One payment of \$1,500.00 to OEHHA, sent within thirty (30) days after the Effective Date.
- One payment of \$500.00 to EHA, sent within thirty (30) days after the Effective Date.

### **3.2 Attorney Fees and Costs**

The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Miss A agrees to pay eighteen thousand dollars (\$18,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter the attention of Miss A, and negotiating a settlement.

The eighteen thousand dollars (\$18,000.00) in Attorney's Fees and Costs shall be payable to Entorno Law, LLP as one payment of \$16,000.00, sent within thirty (30) days after the Effective Date, and a second payment of \$2,000.00, sent within sixty (60) days after the Effective Date. EHA agrees that if the first payment is timely made, the second payment will be waived.

All payments required under this Section shall be delivered to:

### **3.3 Tax Documentation**

Miss A agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that Miss A cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Miss A receives the requisite W-9 forms from EHA's counsel.

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 EHA's Release of Miss A**

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and Miss A for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Miss A and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom Miss A directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers (including but not limited to Hous Inc. and Baik Brands, Inc.), franchisees, cooperative members and licensees and any upstream suppliers or manufacturers of the Covered Products or components of the Covered Products ("Releasees"), based on the failure to warn about exposures to TiO<sub>2</sub> required under Proposition 65 in the Covered

Products manufactured, sold or distributed for sale in California by Miss A before the Compliance Date, as alleged in the Notice, or for any other reason. This release shall also cover any Covered Products that were in the stream of commerce or in inventory prior to the Compliance Date.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Miss A and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to TiO<sub>2</sub> required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by Miss A, before the Compliance Date.

#### **4.2 Miss A's Release of EHA**

Miss A, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

### **4.3 California Civil Code Section 1542**

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and Miss A on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Compliance Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

EHA and Miss A each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

### **5. PUBLIC BENEFIT**

It is Miss A's understanding that the commitments it has agreed to herein, and actions to be taken by Miss A under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Miss A that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Miss A's alleged failure to provide a warning concerning actual or alleged exposure to TiO<sub>2</sub> prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Miss A is in material compliance with this Settlement Agreement.

### **6. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any provision of this

Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

**8. ENFORCEMENT**

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

**9. NOTICE**

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:
