

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Sports Supplements, LLC (“Sports Supplements”), on the other hand, with EHA and Sports Supplements each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Sports Supplements is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that Sports Supplements manufactures, sells, and/or distributes for sale in California, chips products that contain lead and that it does so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and reproductive harm.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and expressly limited to Pure Protein Popped Crisps – Hickory Barbecue (“Covered Products”), that are manufactured, sold and/or distributed for sale in California by Sports Supplements.

1.4 Notices of Violation

On or around August 10, 2023, EHA served Worldpantry.com MDC LLC, Worldwide Sport Nutritional Supplements, Inc., Amazon.com Inc., the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that the defendants had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to lead contained in Covered Products.

On or around July 16, 2024, EHA served Snack Innovations, Worldpantry.com MDC LLC, Worldwide Sport Nutritional Supplements, Inc., Amazon.com Inc., the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (the “Amended Notice”).

On or around September 5, 2024, EHA served Sports Supplements, LLC, , Worldpantry.com MDC LLC, Worldwide Sport Nutritional Supplements, Inc., Amazon.com Inc., the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (the “Second Amended Notice” and, together with the Amended Notice and Notice, the “Notices”).

The Notices alleged that the defendants had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to lead contained in Covered Products.

To the best of the parties’ knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notices.

1.5 No Admission

Sports Supplements denies the material, factual, and legal allegations in the Notices and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Sports Supplements of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Sports Supplements of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Sports Supplements. This Section shall not, however, diminish or otherwise affect Sports Supplements's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Settlement Agreement is executed by the Parties.

1.7 Compliance Date

For purposes of this Settlement, the term “Compliance Date” means ninety (90) days from the Effective Date.

2. INJUNCTIVE RELIEF

2.1 Reformulation Standard

Beginning on or before the Compliance Date, Sports Supplements shall be permanently enjoined from manufacturing, distributing, or directly selling in the State of California, any Covered Product that exposes a person to a “Daily Lead Exposure Level” of more than 0.5 micrograms of Lead based on a single serving per day unless such Covered Products comply with the warning requirements of Section 2.2. The “Daily Lead Exposure Level” shall be calculated by multiplying the recommended serving size in the Covered Product by the concentration of lead in the Covered Products. As used in this Section 2, “distributing and/or manufacturing for sale in CA” means to directly ship Covered Products into California or to manufacture Covered Products for, or sell Covered Products to, a distributor or retailer Sports Supplements knows will sell Covered Products in California.

2.2 General Warning Requirements

Commencing on the Compliance Date, Sports Supplements agrees any Covered Product sold that was not reformulated pursuant to paragraph 2.1 shall contain a Proposition 65 warning. Sports Supplements agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Product sold in California by Sports Supplements, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

1) **WARNING:** Consuming this product can expose you to chemicals including Lead, which are known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov/food.

OR

2) **WARNING:** [Cancer and]Reproductive Harm – www.P65Warnings.ca.gov/food.

Sports Supplements shall use the phrase “cancer and” in the Warning Content if it has reason to believe that the Covered Product contains more than 15 micrograms of lead per serving, with the serving size equaling the serving size specified on the label for the Covered Product. This warning statement shall be enclosed in a box and prominently displayed on the Covered Products, on the packing of the Covered Products, or on a placard, shelf tag, or sign provided that the statement is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. If the warning statement is displayed on the Covered Products’ packaging, it must be in a type size no smaller than the largest type size used for other consumer information on the product. In no case shall a short-form warning statement displayed on the Covered Products’ packaging appear in a type size smaller than 6-point type. If the Covered Products’ packaging contains consumer information in a foreign language, a warning statement in that language is required.

As set forth in Cal. Code Regs. Tit. 27, § 25602(b), to the extent Covered Products that have not been reformulated are sold online, a warning that complies with the content requirements of Cal. Code Regs Tit. 27, § 25603(a) must be provided by including either the warning or a clearly marked hyperlink using the word “**WARNING**” on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. If an on-product warning is provided pursuant to Cal. Code Regs. Tit. 27, § 25603(a), the warning provided on the website may use the same content as the on-product warning. For purposes of this section, a warning is not prominently displayed if the purchaser must search for it in the general content of the website. These

requirements extend to any websites under the exclusive control of Sports Supplements where Covered Products are sold into California. In addition, Sports Supplements shall instruct any third-party website to which it directly sells its Covered Products to include the same online warning, as set forth above, as a condition of selling the Covered Products in California.

There shall be no obligation for Sports Supplements to provide a warning for Covered Products that entered the stream of commerce prior to the Compliance Date, and the Section 4 release herein applies to all such Covered Products.

(i) Compliance with, and Changes in, Warning Regulations or Statutes

The Parties agree and intend for compliance with the terms of this Section 2 to constitute compliance with Proposition 65 with respect to exposures to lead from the Covered Products. The requirements for warnings, set forth above, are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations. The Parties agree that Sports Supplements shall be deemed to be in compliance with Proposition 65 and this Settlement Agreement as it relates to Covered Products by adhering to this Section 2 or by complying with warning requirements set forth under California Health & Safety Code §25249.5, et seq. and/or adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") applicable to the product and the exposure at issue that are in effect after the Effective Date.

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, Sports Supplements shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in this product are no longer required, a lack of warning by Sports Supplements will not thereafter be a breach of this Settlement Agreement. Sports Supplements shall instruct any third-

party website to which it sells its Covered Products to include the same warning as a condition of selling the Covered Products.

2.3 Grace Period for Existing Inventory of Covered Products

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Compliance Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Under these legal principles, Sports Supplements agrees to pay eighteen thousand dollars (\$18,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter the attention of Sports Supplements, and negotiating a settlement. The eighteen thousand (\$18,000.00) is due fourteen (14) days after the Effective Date.

The Parties acknowledge that Sports Supplements cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Sports Supplements receives the requisite W-9 forms from EHA's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of Sports Supplements

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and Sports Supplements for all claims that

can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Sports Supplements and Amazon.com and each of their respective parents, subsidiaries, affiliated entities under common ownership or control, and each of their directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom Sports Supplements directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers (including but not limited to Worldpantry.com MDC LLC and Worldwide Sport Nutritional Supplements, Inc. and each of their respective parents, subsidiaries, affiliated entities under common ownership or control, and each of their directors, officers, members, principals, agents, employees, attorneys, insurers, and accountants), franchisees, cooperative members, suppliers, vendors, distributors, and licensees (“Releasees”), based on the failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by Sports Supplements before the Compliance Date, as alleged in the Notices, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Sports Supplements and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 or any other statutory or common law claim, with respect to the alleged or actual failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by Sports Supplements, before the Compliance Date.

4.2 Sports Supplements's Release of EHA

Sports Supplements, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made

by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notices and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and Sports Supplements on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Compliance Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

EHA and Sports Supplements each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5 PUBLIC BENEFIT

It is Sports Supplement's understanding that the commitments it has agreed to herein, and actions to be taken by Sports Supplements under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Sports Supplements that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Sports Supplements' alleged failure to provide a warning concerning actual or alleged exposure to lead prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products

addressed in this Settlement Agreement, provided that Sports Supplements is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

9. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:
