

AMENDED SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Ema Bell (“Bell”) and Just About Foods LLC (“Just About Foods”). Bell and Just About Foods are each individually referred to as a “Party” and together, Bell and Just About Foods are collectively referred to as the “Parties.” Bell is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Bell alleges that Just About Foods is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”) and this Settlement Agreement.

1.2 General Allegations. Bell alleges that Just About Foods has exposed individuals in the State of California to lead from its sales of *Just About Foods*® organic dried spicy mangoes, UPC # 850045609221 without first providing users and consumers of the product with a clear and reasonable health hazard warning as required pursuant to Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Product Description. The products covered by this Settlement Agreement are *Just About Foods*® organic dried spicy mangoes, including but not limited to UPC # 850045609221 (the “Products”) that are manufactured, imported, distributed, offered for sale and/or sold in the State of California by Just About Foods.

1.4 Notice of Violation. On or about October 4, 2024, Bell served Ross Stores, Inc. (“Ross”), Just About Foods, and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided Just About Foods and such others, including public enforcers, with notice that alleged that Just About Foods was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers concerning potential exposure to lead pursuant to Proposition 65. To the best

of the Parties' knowledge, no public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Just About Foods denies the material, factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Just About Foods of any fact, finding, issue of law, or violation of law; and compliance with this Settlement Agreement shall not constitute or be construed as an admission by Just About Foods of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Just About Foods. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Just About Foods maintains that it has not knowingly distributed, imported, manufactured, sold or caused to be distributed, imported, manufactured, or sold the Products for sale in the State of California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

1.7 Compliance Date. For purposes of this Settlement Agreement, the term "Compliance Date" shall mean ninety (90) days from the Effective Date.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Products. Commencing as of the Compliance Date, and continuing thereafter, Products that Just About Foods directly manufactures, imports, distributes, sells, or offers for sale in the State of California shall either be: (a) reformulated Products pursuant to § 2.2, below; or (b) labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 - 2.4, below. For purposes of this Settlement Agreement, a "Reformulated Product" is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 - 2.4 shall not apply to any Reformulated Product.

2.2 Reformulation Standard. “Reformulated Products” shall mean Products that expose a person to an exposure level of less than 0.5 micrograms of lead per day. For the purpose of this Settlement Agreement, the amount of lead a person is exposed to from the Products shall be calculated using the following formula: micrograms of lead per gram of Product, multiplied by grams of Product per serving size of the Product (using the average serving size appearing on the Product label if there are multiple serving sizes listed), multiplied by servings of the Product per day (using the average of servings in a recommended dosage appearing on the label if multiple recommendations are listed), which equates to micrograms of lead exposure per day. If the Products’ label contains no recommended daily servings, then the number of recommended daily servings shall be one (1).

2.3 Clear and Reasonable Warning. Commencing as of the Compliance Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for the Products that Just About Foods manufacturers, imports, distributes, sells, or offers for sale in the State of California that is not a Reformulated Product. There shall be no obligation for Just About Foods to provide an exposure warning for Products that entered the stream of commerce before the Compliance Date. The warning shall consist of one of the warning statement options described in §§ 2.3(a) or (b), respectively, and §§ 2.4 and 2.5:

(a) **Warning Option.**

WARNING: [or] **CA WARNING:** [or] **CALIFORNIA WARNING** Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

(b) **Alternative Warnings:** Just About Foods may, but is not required to, use one of the alternative short-form warnings as set forth in this § 2.3(b) (“**Alternative Warning**”) as follows:

WARNING: [or] **CA WARNING:** [or] **CALIFORNIA WARNING:** Risk of [cancer and] reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

OR

WARNING: [or] **CA WARNING:** [or] **CALIFORNIA WARNING:** Can expose you to lead, a [carcinogen and] reproductive toxicant. See www.P65Warnings.ca.gov/food.

Just About Foods shall use the phrase “cancer and” in the **Warning** or **Alternative Warning** only if daily potential exposure exceeds the established safe harbor level as determined pursuant to the calculation methodology outlined in § 2.2.

2.4 If required under the terms of this Settlement Agreement, a **Warning** or **Alternative Warning** provided pursuant to § 2.3 must print the word “**WARNING** :” or “**CA WARNING**” or “**CALIFORNIA WARNING**” in all capital letters and in bold font, followed by a colon. The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process only if such electronic device or automatic process provides the **Warning** or **Alternative Warning** without the purchaser having to seek it out, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A **Warning** or **Alternative Warning** provided via an electronic device or automatic process does not apply to internet purchases, which are subject to the provisions of Section 25602(b). The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. Where the **Warning** or **Alternative Warning** is provided on the food product label, it must be set off from other surrounding information, and Just About Foods shall enclose the **Warning** or **Alternative Warning** in a black box and comply with the content requirements specified in Section 25607.2 of the Proposition 65 regulations. If “consumer information,” as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a foreign language, Just About Foods shall provide the **Warning** or **Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”).

In addition to affixing the **Warning** or **Alternative Warning** to the Products’ packaging or labeling, as set forth more fully and consistent with Cal. Code Regs. Tit. 27, Section 25602(b), the

Warning or **Alternative Warning** shall be posted on websites where Just About Foods directly offers Products for sale to consumers in the State of California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word “**WARNING,**” or “**CA WARNING**” or “**CALIFORNIA WARNING**” appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, Just About Foods shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its third-party internet sellers, provide such sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2, as it may be amended from time to time. Third-party internet sellers of the Products that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

There shall be no obligation for Just About Foods to provide a warning for Products that entered the stream of commerce prior to the Compliance Date, and the Section 5 release applies to all such Products. The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as of the Compliance Date, which Products are expressly subject to the releases provided in Section 5. Products in the stream of commerce specifically include, but are not limited to, Products in the process of manufacture.

2.5 Compliance with Warning Regulations. The Parties agree that Just About Foods shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning regulations adopted by the State of California’s OEHHA, and as they may be amended from time to time, applicable to the Products and the exposure at issue. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in the Products are no longer required, a lack of warning by Just About Foods will not thereafter be a breach of this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Just About Foods shall pay \$500.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Bell. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below

4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that Bell and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Bell and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Just About Foods shall reimburse Bell's counsel \$16,000.00 for fees and costs incurred as a result of investigating and bringing this matter to the attention of Just About Foods, and negotiating a settlement in the public interest.

Payment pursuant to this Section is as follows: Within thirty (30) days of the Effective Date, Just About Foods shall issue one (1) settlement check in the amount of eight thousand dollars (\$8,000.00) payable to "Brodsky Smith" for delivery to the address identified in § 3.2(a)(i), above. 5. RELEASE OF ALL CLAIMS

5.1 Release of Just About Foods and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Bell, acting on her own behalf, and Just About Foods, of any violation of Proposition 65 that was or could have been asserted by Bell or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns (collectively “Releasors”) for failure to provide warnings for alleged exposures to lead from use of the Products, and Releasors hereby release any such claims against Just About Foods and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, marketplace hosts, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Just About Foods directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, packagers, wholesalers, customers, retailers, including but not limited to Ross Stores, Inc., its respective subsidiaries, affiliates, parents, franchisees, cooperative members and licensees (collectively, the “Releasees”), from all claims for violations of Proposition 65 before the Compliance Date based on exposure to lead from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Bell, on behalf of herself and Releasors hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to lead from use of the Products.

5.2 Just About Foods’ Release of Bell. Just About Foods, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all

claims against Bell, her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Bell and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to lead from the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Bell on behalf of herself only, on one hand, and Just About Foods, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through 60 days after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HER OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HER OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Bell and Just About Foods each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Just About Foods with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to lead from use of the Products.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California.
