6 and maintains that all of the products it has manufactured, imported, sold, and/or distributed for sale in
7 California, including Covered Products, have been, and are, in compliance with all applicable laws,
8 rules and regulations. Nothing in this Consent Judgment shall be construed as an admission of any fact,

12 responsibilities, and duties under this Consent Judgment.

13 **1.9 Jurisdiction**

15 Court has jurisdiction over Living Wellness as to the allegations in the Complaint, that venue is proper

24 in Section 5.

25 **2. INJUNCTIVE RELIEF**

26 **2.1 Reformulation of the Covered Products**

27 Beginning on or before the Compliance Date, Living Wellness shall be permanently enjoined
28 from manufacturing, distributing, or directly selling in the State of California, any Covered Product

1 that exposes a person to a “Daily Lead Exposure Level” of more than 0.5 micrograms of lead based on
2 a single serving per day unless such Covered Products comply with the warning requirements of
3 Section 2.2. The “Daily Lead Exposure Level” shall be calculated by multiplying the recommended
4 serving size in Covered Product by the concentration of lead in Covered Products. As used in this
5 Section 2, “distributed for sale in CA” means to directly ship Covered Products into California. All
6 Covered Products shall be tested after having been steeped in hot water, and shall not be tested raw.

7 **2.2 General Warning Requirements**

8 For Covered Products that contain lead in a concentration exceeding the Reformulation
9 Standard set forth in section 2.1 above, and which are distributed or directly sold by Living Wellness
10 in the State of California on or after the Compliance Date, Living Wellness shall provide a “clear and
11 reasonable” Proposition 65 warning, within the meaning of Section 25249.6 of the Act, subject to
12 Section 2.3 of this Agreement. Living Wellness agrees that each warning shall be prominently placed
13 with such conspicuousness, as compared with words, statements, designs, or devices as to render it
14 likely to be seen, read, and understood by an ordinary individual under customary conditions before
15 purchase or use. Each warning shall be provided in a manner such that the consumer or user understands
16 to which specific Covered Products the warning applies, and which listed chemical(s) is/are implicated,
17 so as to minimize the risk of consumer confusion.

18 For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered
19 Products shall consist of a product-specific warning via one or more of the following methods: (1) A
20 posted sign, shelf tag, or shelf sign for the consumer product at each point of display of the product;
21 (2) Any electronic device or process that automatically provides the warning to the purchaser (not
22 applicable to internet purchases, which are subject to the provisions of § 25602(b)); (3) A warning
23 directly affixed to the product’s label or tag; or (4) A short-form warning on the label that complies
24 with the content requirements set forth in §§ 25603(b) and 25603(a). Specifically, pursuant to §
25 25603(a) – (d), one of the following statements must be utilized:

Pursuant to Section 25607.1, where the warning is provided on the food product label, it must be set off from other surrounding information and enclosed in a box. Where a specific food product sign, label, placard, or shelf tag is used to provide a warning, it must be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. In no case shall a warning statement appear in a type size smaller than 6-point type. Where a sign, labeling, or label as defined in Section 25600.1 is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

As set forth in Cal. Code Regs. Tit. 27, § 25602(b), to the extent Covered Products are sold online, a warning that complies with the content requirements of Cal. Code Regs Tit. 27, § 25603 must be provided via of the following methods: (1) A warning on the product display page; (2) A clearly

2 **WARNING**” on the product display page that links to the warning; or (3) An otherwise prominently
3 displayed warning provided to the purchaser prior to completing the purchase. If a warning is provided
4 using the short-form label content pursuant to Section 25602(a)(4), the warning provided on the website
5 may use the same content. For purposes of this section, a warning is not prominently displayed if the
6 purchaser must search for it in the general content of the website. For internet purchases made prior to
7 1/1/28, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or
8 displaying the new warning online until 60 calendar days after the retailer receives a warning or a written
9 notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section
10 25603(c) with content compliant with Section 25603(b). These requirements extend to any websites
11 under the exclusive control of Living Wellness where Covered Products are sold into California. In
12 addition, Living Wellness shall instruct any third-party website to which it directly sells its Covered
13 Products to include the same online warning, as set forth above, as a condition of selling the Covered
14 Products in California.

15 **2.3 Sell-Through Period**

16 Notwithstanding anything else in this Consent Judgment, Covered Products that are
17 manufactured, packaged, or put into commerce on or before the date this Agreement is executed shall
18 be subject to the release of liability pursuant to this Consent Judgment, without regard to when such
19 Covered Products were, or are in the future, distributed or sold to customers. As a result, the obligations
20 of Living Wellness, or any Releasees (if applicable), stated in this Section 2 do not apply to Covered
21 Products manufactured, packaged, or put into commerce between the date this Agreement is executed

Plaintiff, acting on its own behalf and in the public interest, releases Living Wellness, and its parents, subsidiaries, affiliated entities under common ownership or control, its directors, officers,

principals, agents, employees, attorneys, insurers, accountants, predecessors, successors, and assigns (“Defendant Entities”), each entity to whom Defendant directly or indirectly distributes, ships, or sells the Covered Products, including but not limited to downstream distributors, wholesalers, customers, retailers (including but not limited to Living Wellness), and marketplaces franchisees, franchisors, cooperative members, suppliers, licensees, and licensors, and all of the foregoing entities’ owners, directors, officers, agents, principals, employees, attorneys, insurers, accountants, representatives, predecessors, successors, and assigns (collectively referred to as the “Releasees”) from all claims for violations of Proposition 65 up through the Effective Date based on exposure to lead from Covered Products as set forth in the Notice(s). Compliance with the terms of this Consent Judgment constitutes compliance with Proposition 65 with respect to exposures to lead from Covered Products as set forth in the Notice(s). This Consent Judgment is a full, final, and binding resolution of all claims under Proposition 65 that were or could have been asserted against Living Wellness and/or Releasees for failure to comply with Proposition 65 for alleged exposure to lead from Covered Products. This release does not extend to any third-party retailers selling the product on a website who, after receiving instruction from Living Wellness to include a warning as set forth above in section 2.2, do not include such a warning.

4.2 EHA’s Individual Release of Claims

EHA, in its individual capacity, also provides a release to Living Wellness and/or Releasees, which shall be a full and final accord and satisfaction of, as well as a bar to, all actions, causes of action, obligations, costs, expenses, attorneys’ fees, damages, losses, claims, liabilities, and demands of every nature, character, and kind, whether known or unknown, suspected or unsuspected, arising out of alleged or actual exposures to lead in Covered Products manufactured, imported, sold, or distributed by Living Wellness before the Effective Date.

4.3 Living Wellness’ Release of EHA

Living Wellness on its own behalf, and on behalf of Releasees as well as its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims,

otherwise seeking to enforce Proposition 65 against them, in this matter or with respect to the Covered Products.

4.4 No Other Known Claims or Violations

EHA and EHA's counsel affirm that they are not presently aware of any actual or alleged violations of Proposition 65 by Living Wellness or for which Living Wellness bears legal responsibility other than those that are fully resolved by this Consent Judgment.

5. COURT APPROVAL

This Consent Judgment is not effective until it is approved by the Court and shall be null and void if it is not approved by the Court within one year after it has been fully executed by the Parties, or by such additional time as the Parties may agree to in writing.

The terms of this Consent Judgment shall be governed by the laws of the state of California as applied within the state of California. In the event that Proposition 65 is repealed, or is otherwise rendered inapplicable for reasons, including but not limited to changes in the law; or in the event the California Office of Health Hazard Assessment adopts a regulation or safe use determination, or issues an interpretive guideline that exempts Covered Products from meeting the requirements of Proposition 65; or if lead cases are permanently enjoined by a court of competent jurisdiction; or if Proposition 65 is determined to be preempted by federal law or a burden on First Amendment rights with respect to lead in Covered Products or Covered Products substantially similar to Covered Products, then Living Wellness may seek relief from the injunctive obligations imposed by this Consent Judgment to the extent any Covered Products are so affected by modifying the agreement via the mechanisms set forth in Section 12.
