

## PROPOSITION 65 SETTLEMENT AGREEMENT

### 1. INTRODUCTION

#### 1.1 The Parties

This Settlement Agreement (“**Agreement**”) is entered into by and between Keep America Safe and Beautiful (“**KASB**”) and Tanners Team Sports Inc. (“**Tanners**”), with KASB and Tanners each individually referred to as a “**Party**” and, collectively, the “**Parties**.” KASB is a California-based non-profit organization proceeding in the public interest pursuant to California Health & Safety Code § 25249.7(d) to ensure that chemicals known to the State of California to cause cancer, birth defects or other reproductive harm are disclosed in or eliminated from consumer products sold in California. KASB alleges that Tanners is a person in the course of doing business for purposes of California Health & Safety Code § 25249.11(b).

#### 1.2 Consumer Product Description

KASB alleges that Tanners manufactures, imports, sells, and distributes for sale in California lacing tools with vinyl grips containing di(2-ethylhexyl) phthalate (“**DEHP**”) including, but not limited to, *Glove Lacing Kit, Item: GLK-T, UPC: 0 83321 33364 4*, without providing the health hazard warning that KASB alleges is required by California Health & Safety Code § 25249.5 *et seq.* (“**Proposition 65**”). Lacing tools with vinyl grips are referred to hereinafter as the “**Products**.” DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

#### 1.3 Notice of Violation

On October 25, 2024, KASB served Tanners, the California Attorney General, and the requisite public enforcement agencies with a 60-Day Notice of Violation (“**Notice**”), alleging Tanners violated Proposition 65 by failing to warn its customers and consumers in California that its Products can expose users to DEHP. No public enforcer has commenced and is diligently prosecuting an action to enforce the allegations in the Notice.

#### **1.4 No Admission**

Tanners denies the factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products it has sold or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Agreement shall constitute or be construed as, nor shall compliance with this Agreement constitute or be construed as, an admission by Tanners of any fact, finding, conclusion of law, issue of law, or violation of law. This section shall not, however, diminish or otherwise affect Tanners' obligations, responsibilities, and duties under this Agreement.

#### **1.5 Effective Date**

For purposes of this Agreement, "**Effective Date**" shall mean the date this Agreement is fully executed by all Parties.

### **2. INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS**

#### **2.1 Commitment to Reformulate or Warn**

Commencing no later than ninety (90) days after the Effective Date and continuing thereafter, all Products Tanners manufactures, imports, sells, ships, or distributes for sale in or into California, shall meet the Reformulation Standard for Reformulated Products, as defined by Section 2.2, or be accompanied by a clear and reasonable warning pursuant to Section 2.3.

#### **2.2 Reformulation Standard**

For purposes of this Agreement, "Reformulated Products" are defined as Products which, if they contain di(2-ethylhexyl) phthalate ("DEHP"), contain such chemical in a maximum concentration of less than 0.1 percent (1,000 parts per million) when analyzed by a laboratory certified or accredited by the State of California, the United States Food and Drug Administration/Environmental Protection Agency, the National Environmental Laboratory Accreditation Program, or a member accreditation body of the International Laboratory Accreditation Cooperation ("ILAC"). For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission ("CPSC") methodology CPSC-CH-C1001.09.3 and analyzed using U.S.

Environmental Protection Agency methodology 8270D, or other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

### **2.3 Clear and Reasonable Warnings**

Commencing no later than ninety (90) days after the Effective Date, Tanners shall provide clear and reasonable warnings for all Products, that are not Reformulated Products, provided for sale to customers in or into California in accordance with this Section pursuant to Title 27 California Code of Regulations § 25600, et seq. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use and shall be provided in a manner such that it clearly associated with the specific Product to which the warning applies.

#### **(a) Warnings**

The following warnings for Products containing DEHP in excess of the Reformulation Standard for Reformulated Products set forth in Section 2.2 shall be deemed in compliance with Title 27 California Code of Regulations § 25600, *et seq.*:

##### **Option 1:**

**⚠WARNING [or] CA WARNING [or] CALIFORNIA WARNING:** This product can expose you to chemicals including di(2-ethylhexyl) phthalate (DEHP), which is known to the State of California to cause cancer and birth defects or other reproductive harm. ##### **Option 3:**

OR

**Option 4:** The following warning statement may be used on Products manufactured and labeled prior to January 1, 2028:

⚠ **WARNING:** Cancer and Reproductive Harm -- [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) **Foreign Language Requirement.** Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

(c) **Product Warnings**

Tanners shall affix a warning to the Product label or otherwise directly on all Products, that are not Reformulated Products, provided for sale to consumers located in California or to downstream entities who sell in or into California. For the purpose of this agreement, “**Product label**” means a display of written, printed or graphic material printed on or affixed to each of the Products or its immediate container or wrapper. A warning provided pursuant to section 2.3(a) must print the word “**WARNING:**” in all capital letters and in bold font. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except if the labeling does not use the color yellow, the symbol may be in black and white. The entire warning shall appear in at least 6-point type and no smaller than the largest type size used for other consumer information on the Products.

(d) **Internet Warnings**

If, ninety (90) days after the Effective Date, Tanners sells Products, that are not Reformulated Products, via the internet, through its own website, affiliated websites or a third party internet seller’s website if it has the ability to do so, to consumers located in California or to customers with nationwide distribution and e-commerce websites who sell to customers located in California, Tanners shall provide warnings for each Product both on the Product label

in accordance with Section 2.3(c), and by prominently displaying, or requiring the warning to be prominently displayed on affiliated websites, third party websites or by retail customers, to the consumer during the purchase of the Products without requiring customers to seek out the warning. The warning or a clearly marked hyperlink to the warning using the word “**WARNING**” given in conjunction with the sale of the Products via the internet shall appear either: (a) on the same web page on which the Products are displayed; (b) on the same web page as the virtual cart displaying the Products; (c) on the same page as the price for the Products; or (d) on one or more web pages displayed to a purchaser during the checkout process. The warning shall appear in any of the above instances adjacent to or immediately following the display, description, or price of the Products for which it is given in the same type size or larger than other consumer information provided for the Products. Where Tanners sells, ships, or distributes Products to third-party retailers or e-commerce marketplaces and it does not have the ability to post the Warning on their websites, Tanners will advise them of the internet Warning requirements under Title 27, California Code of Regulations, Section 25600.2.

### **3. MONETARY SETTLEMENT TERMS**

#### **3.1 Civil Penalty**

Pursuant to Health and Safety Code § 25249.7(b), Tanners agrees to pay a civil penalty of \$2,500 within five (5) business days of the Effective Date. Tanners’ civil penalty payment will be allocated according to Health and Safety Code §§ 25249.12(c)(1) and (d), with seventy-five percent (75%) of the penalty paid to the California Office of Environmental Health Hazard Assessment (“**OEHHA**”), and the remaining twenty-five percent (25%) retained by KASB. Tanners shall issue its payment in two checks made payable to: (a) “**OEHHA**” in the amount of \$1,875; and (b) “**Seven Hills LLP in Trust for Keep America Safe and Beautiful**” in the amount of \$625. KASB’s counsel shall deliver to OEHHA and KASB their respective portion of the penalty payment.

### **3.2 Reimbursement of Attorneys' Fees and Costs**

KASB and its counsel offered to resolve the allegations in the Notice without reaching terms on the amount of reimbursement of attorneys' fees and costs. Shortly after the Parties finalized the other material settlement terms, they negotiated and reached an accord on the amount of reimbursement to be paid to KASB's counsel, under general contract principles and the private attorney general doctrine, codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution and reporting of this Agreement to the Office of the California Attorney General. Within five (5) business days of the Effective Date, Tanners agrees to issue a check in the amount of \$18,000 payable to "Seven Hills LLP" for all fees and costs incurred investigating, bringing this matter to Tanners' attention, negotiating a settlement in the public interest, and reporting its terms to Office of the California Attorney General pursuant to Section 9.

### **3.3 Payments**

All payments payable and due under this Agreement shall be delivered to KASB's counsel at following address:

Seven Hills LLP  
Attn: Kimberly Gates Johnson  
4 Embarcadero Center, Suite 1400  
San Francisco, CA 94111

### **3.4 Tax Documentation**

After full execution of this Agreement, counsel for KASB shall provide IRS Form W-9 for each payee to counsel for Tanners via electronic mail. The Parties agree that Tanners' obligations to comply with Section 3 shall not arise until such W-9 Forms are transmitted.

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 KASB's Release of Tanners**

This Agreement is a full, final and binding resolution between KASB, as an individual and *not* on behalf of the public, and Tanners, of any violation of Proposition 65 that was or could

have been asserted by KASB on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, against Tanners, its parents, subsidiaries, affiliated entities under common ownership including: directors, officers, employees, attorneys, and each entity to whom Tanners directly or indirectly distributes or sells Products, including, but not limited to, downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (collectively, “**Releasees**”), based on their failure to warn under Proposition 65 about alleged exposures to DEHP contained in the Products that were manufactured, distributed, sold and/or offered for sale by Tanners in California before the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, KASB as an individual and *not* on behalf of the public, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of KASB’s rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that KASB may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys’ fees arising under Proposition 65 with respect to DEHP in the Products manufactured, distributed, sold and/or offered for sale by Tanners, before the Effective Date (collectively, “**Claims**”), against Tanners and Releasees.

The Parties further understand and agree that this Section 4.1 release shall not extend to Releasees who have been instructed by Tanners pursuant to Section 2.3(d) to provide a warning on Products that are not Reformulated Products and have failed to do so. Nothing in this Section affects KASB’s right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Tanners’ Products.

#### **4.2 Tanners’ Release of KASB**

Tanners, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against KASB and its attorneys and

other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by KASB and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

#### **4.3 Mutual Waiver of California Civil Code § 1542**

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. KASB on behalf of itself only, on the one hand, and Tanners, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 4.1 and 4.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HER OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HER OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

KASB and Tanners each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

#### **4. SEVERABILITY**

If, subsequent to the execution of this Agreement, any provision of this Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

**5. GOVERNING LAW**

The terms of this Agreement shall be governed by the laws of the State of California and apply within California. Nothing in this Agreement shall be interpreted to relieve Tanners from its obligation to comply with any pertinent state or federal law or regulation.

**6. NOTICE**

Unless specified herein, all correspondence and notice required by this Agreement shall be in writing and sent by: (i) first-class registered or certified mail, return receipt requested; or (ii) a recognized overnight courier to any Party by the other at the following addresses:

**7. COUNTERPARTS, FACSIMILE AND PDF SIGNATURES**

This Agreement may be executed in counterparts and by portable document format (pdf) signature, each of which shall be deemed an original and, all of which, when taken together, shall constitute one and the same document.

**8. COMPLIANCE WITH REPORTING REQUIREMENTS**

KASB and its counsel agree to comply with the reporting form requirements referenced in California Health and Safety Code § 25249.7(f).

**9. ENTIRE AGREEMENT**

This Agreement contains the sole and entire agreement and understanding of the Parties with respect to the entire subject matter hereof, and any and all prior discussions, negotiations, commitments, or understandings related thereto, if any, are hereby merged herein and therein. There are no warranties, representations, or other agreements between the Parties except as

expressly set forth herein. No representations, oral or otherwise, express or implied, other than those specifically referred to in this Agreement have been made by any Party hereto.
