

SETTLEMENT AND RELEASE AGREEMENT

1. **INTRODUCTION**

1.1. **Ecological Alliance, LLC and Kimnori USA, Inc.**

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Kimnori USA, Inc. ("Kimnori USA"), on the other hand, with Ecological and Kimnori USA collectively referred to as the "Parties" and individually, each as a "Party."

1.2. **General Allegations**

Ecological alleges that Kimnori USA manufactured and distributed and offered for sale in the State of California Kim Nori seaweed snacks containing Cadmium, and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"). California has identified and listed Cadmium under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. **Product Description**

The product that is covered by this Settlement Agreement is defined as Kim Nori seaweed snacks that Kimnori USA has manufactured, imported, sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Product."

1.4. **Notice of Violation**

On October 28, 2024, Ecological served Kimnori USA, Burlington Coat Factory of Texas, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day

Notice of Violation" ("Notice") that provided Kimnori USA and such public enforcers with notice that Kimnori USA was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Product exposed users in California to Cadmium. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Kimnori USA's compliance with Proposition 65. Kimnori USA denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 and any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Kimnori USA of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Kimnori USA of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Kimnori USA on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Kimnori USA under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed by all Parties.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, Kimnori USA, at its sole discretion, agrees to either (a) cease selling, offering for sale or distributing the Product in California, (b) manufacture, import, or otherwise source for authorized sale in California only Reformulated Product, as defined pursuant to Section 2.1 below, or (c) provide a clear and reasonable Proposition 65 warning on the Product pursuant to Section 2.2 below.

2.1. Reformulation Standards

The Product shall be deemed to comply with Proposition 65 with regard to Cadmium and be exempt from any Proposition 65 warning requirements for Cadmium if the level of Cadmium in the Product does not exceed 10 ppb (parts per billion) (“Reformulated Products”).

2.2. Warning Option

Any Product that does not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning requirement shall only be required as to any Product that Kimnori USA directly ships into California for sale to consumers in California or that Kimnori USA has reason to know will be sold to consumers in the State of California. No Proposition 65 warning shall be required for any Product that is supplied or contracted to be supplied to third parties by Kimnori USA if the Product was supplied prior to 90 days after the Compliance Date, and all such Products are hereby deemed to be exempt from Proposition 65 enforcement.

2.3. Warning Language

- (a) Where required to meet the criteria set forth in Section 2.2 and subject to Section 2.3(d), Kimnori USA shall display one of the following warning

statements set off in a box on the packaging label of the Products that do not meet the warning exemption standard set forth in Section 2.1 above:

- (1) **WARNING:** Consuming this product can expose you to [chemicals including] Cadmium, which [is] are known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.
- (2) **WARNING:** Risk of reproductive harm from exposure to Cadmium. See www.P65Warnings.ca.gov/food.

Kimnori USA may use “cancer and” in the warning at its option. Kimnori USA may include the names of additional chemicals in the warning if they are present in the Products at a level that Kimnori USA reasonably believes would require a Proposition 65 warning.

- (b) Foreign Languages. Additionally, if a Covered Product’s labeling is provided in a language other than English, the warning will be provided in that language in addition to English.
- (c) Online Sales. If Kimnori USA sells Products via an internet website it controls to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; (c) on one or more web pages displayed to a California purchaser prior to purchase during the checkout process; or (d) via a hyperlink taking the customer to a separate page containing the warning language,

provided that the hyperlink appears on the same page as either the product description or product price are displayed, or appears prior to completion of the sale at checkout. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

(d) Kimnori USA may use any form and content of warning that complies with the Proposition 65 Safe Harbor Provisions, as applicable to the Products and chemical at issue, as those regulations may be amended from time to time. If Proposition 65 warnings for Cadmium should no longer be required by applicable law, Kimnori USA shall have no further obligations pursuant to this Settlement Agreement.

In settlement of all the claims referred to in this Settlement Agreement, Kimnori USA shall pay a total of \$100 in civil penalties in accordance with this Section.
