

# SETTLEMENT AND RELEASE AGREEMENT

## 1. INTRODUCTION

### 1.1. Ecological Alliance LLC and Golden Tadco International Corporation

This Settlement Agreement is entered into by and between Ecological Alliance LLC (“Alliance”), on the one hand, and Golden Tadco International Corporation (“Golden Tadco”), on the other hand, with Alliance and Golden Tadco collectively referred to as the (“Parties.”)

### 1.2. Golden Tadco Allegations

Alliance alleges that Golden Tadco manufactured and distributed and offered for sale in the State of California: bath squeegees containing Di(2-ethylhexyl)phthalate [DEHP] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as bath squeegees that Golden Tadco has sold, offered for sale or distributed in California. All such items shall be referred to herein as the (“Products”)

### 1.4. Notice of Violation

On October 30, 2024, Alliance served Golden Tadco, Homegoods, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (“Notice”) that

provided Golden Tadco and such public enforcers with notice that Golden Tadco was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Golden Tadco's compliance with Proposition 65. Golden Tadco denies the material factual and legal allegations contained in Alliance's Notice and maintains that all products it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Golden Tadco of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Golden Tadco of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Golden Tadco on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Golden Tadco under this Settlement Agreement. Notwithstanding the allegations in the Notice, Golden Tadco maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

## **2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS**

### **2.1. Reformulation of Products**

Within ninety (90) days of the Effective Date, Golden Tadco shall manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.2 below, unless such Products are labeled with a clear and reasonable Proposition 65 warning pursuant to Section 2.2 below. Products that were supplied to third parties by Golden Tadco up to ninety (90) days before the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

### **2.2. Reformulation Standards**

“Reformulated Products” are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

### **2.3. Clear and Reasonable Warning Language**

Where required, Golden Tadco shall provide Proposition 65 warnings on the Product’s label as follows:

- (a) Golden Tadco may use either of the following warning statements in full compliance with this Section:

- (1)  **WARNING:** This product can expose you to chemicals including Di(2-ethylhexyl)phthalate [DEHP], which are known to the State of California to cause cancer, birth defects or other

reproductive harm. For more information go to

- (2)  **WARNING:** Cancer and Reproductive Harm –

(b) If Golden Tadco uses any of the above warning statements to effectuate its compliance, it shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white.

The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING.”

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) Foreign Languages. Additionally, if a Product’s labeling is provided in a language other than English, the warning will be provided in that language in addition to English.

(e) Online Sales. If Golden Tadco sells Products via an internet website it controls to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Products is displayed and/or described; (b) on the same page as the price for the Products; (c) on one or more web pages displayed to a California purchaser prior to purchase during the checkout process; or (d) via a

hyperlink taking the customer to a separate page containing the warning language, provided that the hyperlink appears on the same page as either the Products description or Products price are displayed, or appears prior to completion of the sale at checkout. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Products, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the Products to which the warning applies.

(f) If Proposition 65 warnings for DEHP should no longer be required, Golden Tadco shall have no further obligations pursuant to this Settlement Agreement.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Golden Tadco shall pay a total of \$100 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty remitted to Alliance.
