

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between CalSafe Research Center, Inc. ("CRC"), on the one hand, and Hodo, Inc. ("Hodo") on the other hand, with CRC and Hodo each individually referred to as a "Party" and collectively as the "Parties."

1.2 General Allegations

CRC alleges that Hodo sells and/or distributes in California certain products, specified in Section 1.3 below, containing lead without a warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65"). Hodo denies these allegations. Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

1.3 Product Descriptions

The products covered by this Settlement Agreement are defined as, and expressly limited to "Hodo, Vegan All-Day Egg Scramble and "Hodo, Adobo Mexican Crumbles (the "Products") that CRC alleges contain lead and that are manufactured, sold or distributed for sale in California by Hodo.

1.4 Notice of Violation

On November 8, 2024, CRC alleges it served a 60-Day Notice of Violation ("the Notice") on Hodo, the California Attorney General and the other requisite public enforcers, alleging that Hodo and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Products.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

Hodo denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including, but are not limited to the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Hodo or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Hodo or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Hodo. Compliance with this Settlement Agreement shall not constitute or be construed as an admission by Hodo of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Hodo. This Section shall not, however, diminish or otherwise affect Hodo's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF

2.1 Clear and Reasonable Warnings

Beginning one hundred twenty (120) days after the Effective Date, Hodo shall not sell, offer for sale, ship for sale or otherwise distribute for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, Products that expose a person to an exposure level of more than 0.5 micrograms of lead per serving, with serving size measured by the serving size specified on the label of the Products, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship the Products into California for sale in California or to sell the Products to a distributor that Hodo knows or has reason to know will sell the Products in California unless it meets the warning requirements under Section 2.2.

If CRC alleges that any Product fails to adhere to this Settlement Agreement, then CRC shall inform Hodo in a reasonably prompt manner of its test results, including information sufficient to permit Hodo to identify the products at issue and investigate. The Parties shall first attempt to resolve the matter prior to CRC taking any further legal action including the filing of a Notice of Violation.

2.2 General Warning Requirements

If Hodo is required to provide a warning pursuant to section 2.1, Hodo agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the reasonable consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For the purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Products sold or distributed in California by Hodo that contains one of the following statements:

- 1) **WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

Hodo may, at its option, use the words "**CA WARNING:**" or "**CALIFORNIA WARNING:**" instead of the word "**WARNING:**".

- 2) **WARNING:** Risk of cancer and reproductive harm from exposure to lead.
www.P65Warnings.ca.gov/food.

or

WARNING: Can expose you to lead, a carcinogen and reproductive toxicant.
www.P65Warnings.ca.gov/food.

Hodo may, at its option, use the words "CA WARNING:" or "CALIFORNIA WARNING:" instead of the word "WARNING:".

The warning shall be offset in a box with black outline.

For internet purchases, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word "WARNING" or "CA WARNING" or "CALIFORNIA WARNING" on the Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase.

For Products that Hodo provides for a downstream entity to sell on the internet, Hodo shall include an instruction that the entity comply with the warning requirements of this section.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Hodo shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Products is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Product that is already in the stream of commerce as of the Effective Date, which Product is expressly subject to the releases provided in Section 4.1.

4. CLAIMS COVERED AND RELEASED

4.1 CRC's Release of Hodo

CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges Hodo and its respective past, present and future officers, directors, shareholders, employees, agents, parent companies, subsidiaries, assigns, insurers, successors, indemnitors, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors (the "Hodo Releasees") and all entities to which Hodo Releasees directly or indirectly distribute or sell the Product, and any other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees, (collectively, the "Released Parties" and individually, a "Released Party"). CRC, on behalf of itself and its officers, directors, shareholders, employees, agents, parent companies, subsidiaries and divisions hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted based on or related to the handling, use, sale, distribution or consumption of the Product in California, as to any alleged violation of Proposition 65 or its implementing regulations in relation to the Product, including without limitation any failure to provide Proposition 65 warnings on the Products with respect to exposures to lead.
