

## **SETTLEMENT AGREEMENT**

### **1. INTRODUCTION**

#### **1.1 Parties**

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Maine Crisp Company, Inc. (“Maine Crisp”), on the other hand, with EHA and Maine Crisp each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Maine Crisp is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

#### **1.2 General Allegations**

EHA alleges that Maine Crisp manufactures, sells, and/or distributes for sale in California, buckwheat crackers products that contains lead and that it does so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and reproductive harm.

#### **1.3 Product Description**

The products covered by this Settlement Agreement are defined as, and expressly limited to Better With Buckwheat –Maple Cinnamon Currant, Better With Buckwheat – Rosemary & Herbs, Better With Buckwheat – Savory Fig & Thyme (“Covered Products”), that are manufactured, sold and/or distributed for sale in California by Maine Crisp.

#### **1.4 Notice of Violation**

On or around November 15, 2024, EHA served Maine Crisp, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that Maine Crisp had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures

to lead contained in Covered Products.

To the best of the parties' knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

### **1.5 No Admission**

Maine Crisp denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Maine Crisp of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Maine Crisp of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Maine Crisp. This Section shall not, however, diminish or otherwise affect Maine Crisp's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

### **1.7 Compliance Date**

For purposes of this Settlement, the term "Compliance Date" means three hundred and sixty-five (365) days from the Effective Date.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulation Standard**

Beginning on or before the Compliance Date, Maine Crisp shall be permanently enjoined from manufacturing, distributing, or directly selling in the State of California, any Covered Product that exposes a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of Lead per day unless such Covered Products comply with the warning requirements of Section 2.2. The "Daily Lead Exposure Level" shall be calculated by multiplying the recommended serving size in Covered Product by the concentration of lead in Covered Products. As used in this Section 2,

“distributed for sale in CA” means to directly ship Covered Products into California or to sell Covered Products to a distributor Maine Crisp knows will sell Covered Products in California.

## **2.2 General Warning Requirements**

Commencing on the Compliance Date, Maine Crisp agrees any Covered Product sold that was not reformulated pursuant to paragraph 2.1 shall contain a Proposition 65 warning. Maine Crisp agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Products sold in California by Maine Crisp, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

1) **“WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:”**: Consuming this product can expose you to lead which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

**OR**

2) **“WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:”** Risk of cancer and reproductive harm from exposure to lead. See [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

**SHORT FORM**

**OR**

**SHORT FORM**

**3) “WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:”** Can expose you to lead, a carcinogen and reproductive toxicant. See [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

**OR**

**SHORT FORM ON  
A PRODUCT  
MANUFACTURED/  
LABELED PRIOR  
TO 1/1/28,  
REGARDLESS OF  
DATE OF SALE**

**4) WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

Maine Crisp shall use the phrase “cancer and” and “carcinogen and” in the warnings if it has reason to believe that the “Daily Lead Exposure Level” is greater than 15 micrograms of lead as determined pursuant to the methodology set forth in Section 2.1 or if it has reason to believe that another Proposition 65 chemical is present at a level requiring a cancer warning. If there is a chemical present at a level that requires a cancer warning, the chemical requiring use of the cancer phrase in the Warning shall always be identified. Where the warning is provided on the food product label, it must be set off from other surrounding information and enclosed in a box. Where a specific food product sign, label, placard, or shelf tag is used to provide a warning, it must be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. In no case shall a short form warning statement appear in a type size smaller than 6-point type. Where a sign, labeling, or label as defined in Section 25600.1 is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

To the extent Covered Products are sold online, a warning that complies with the content requirements of Cal. Code Regs Tit. 27, § 2507.2 must be provided via of the following methods: (1) A warning on the product display page; (2) A clearly marked hyperlink using the word

“WARNING” or the words “CA WARNING” or “CALIFORNIA WARNING” on the product display page that links to the warning; or (3) An otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If a warning is provided using the short-form label content, the warning provided on the website may use the same content. For purposes of this section, a warning is not prominently displayed if the purchaser must search for it in the general content of the website. These requirements extend to any websites under the exclusive control of Maine Crisp where Covered Products are sold into California. In addition, Maine Crisp shall instruct any third-party website to which it directly sells its Covered Products to include the same online warning, as set forth above, as a condition of selling the Covered Products in California.

There shall be no obligation for Maine Crisp to provide a warning for Covered Products that were manufactured by Maine Crisp prior to the Compliance Date, and the Section 4 release applies to all such Covered Products.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, Maine Crisp shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in this product are no longer required, a lack of warning by Maine Crisp will not thereafter be a breach of this Agreement.

**2.3 Grace Period for Existing Inventory of Covered Products**

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Effective Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

### **3. MONETARY SETTLEMENT TERMS**

#### **3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Maine Crisp agrees to pay two thousand dollars (\$2,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. ### **3.2 Attorney Fees and Costs**

Under these legal principles, Maine Crisp agrees to pay eighteen thousand dollars (\$18,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of Maine Crisp, and negotiating a settlement. The eighteen thousand dollars (\$18,000.00) is due according to the following payment plan:

### **3.3 Tax Documentation**

Maine Crisp agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that Maine Crisp cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Maine Crisp receives the requisite W-9 forms from EHA's counsel.

#### **4. CLAIMS COVERED AND RELEASED**

##### **4.1 EHA's Release of Maine Crisp**

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and Maine Crisp for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Maine Crisp and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom Maine Crisp directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers (including but not limited to Jimbo's Natural Family, Inc.), franchisees, cooperative members and licensees ("Releasees"), based on the failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by Maine Crisp before the Effective Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Maine Crisp and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by Maine Crisp, before the Effective Date.

##### **4.2 Maine Crisp's Release of EHA**

Maine Crisp, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against

EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

#### **4.3 California Civil Code Section 1542**

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and Maine Crisp on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

EHA and Maine Crisp each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

#### **5. PUBLIC BENEFIT**

It is Maine Crisp's understanding that the commitments it has agreed to herein, and actions to be taken by Maine Crisp under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Maine Crisp that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Maine Crisp's alleged failure to provide a warning concerning actual or alleged exposure to prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not

confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Maine Crisp is in material compliance with this Settlement Agreement.

**6. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

**8. ENFORCEMENT**

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

**9. NOTICE**

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:
