

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Precila Balabbo (“Balabbo”) and Base4 Ventures, LLC (“Base4”). Together, Balabbo and Base4 are collectively referred to as the “Parties.” Balabbo is an individual who resides in the State of California and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Balabbo alleges that Base4 is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Balabbo alleges that Base4 has exposed individuals to diethanolamine (“DEA”) from its sales of *Glow Bloom*™ waterproof volumizing mascaras, UPC # 5033102891806 without first providing users and consumers of the product with a clear and reasonable warning as required pursuant to Proposition 65. DEA is listed under Proposition 65 as a chemical known to the State of California to cause cancer.

1.3 Product Description. The products covered by this Settlement Agreement are *Glow Bloom*™ waterproof volumizing mascaras, UPC # 5033102891806 (the “Products”) that Base4 has offered for sale and/or directly or indirectly sold in California.

1.4 Notices of Violation. On May 7, 2024, Balabbo served Sally Beauty Holdings, Inc., Sally Beauty Supply LLC (collectively, “Sally Beauty”), Base4, and various public enforcement agencies with documents entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “May Notice”). The May Notice provided Base4 and such others, including public enforcers, with notice that alleged that Bas4 was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEA. No public enforcer has diligently prosecuted the allegations set forth in the May Notice.

On December 17, 2024, Balabbo served Sally Beauty, Base 4, Evriholder Products, LLC, and various public enforcement agencies with documents entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “December Notice”). The December Notice provided

Base4 and such others, including public enforcers, with notice that alleged that Base4 was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEA. No public enforcer has diligently prosecuted the allegations set forth in the December Notice.

The May Notice and December Notice are collectively referred to herein as, the “Notices.”

1.5 No Admission. Base4 denies the material factual and legal allegations contained in the Notices and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission against interest by Base4 of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission against interest by Base4 of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Base4. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notices, Base4 maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date that both Parties have notice that this Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Clear and Reasonable Warning. Commencing within sixty (60) days after the Effective Date, and continuing thereafter, except as set forth in § 2.1, a clear and reasonable exposure warning as set forth in this §§ 2.1 and 2.2 must be provided for all Products that Base4 sells or offers for sale in California. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.1(a) or (b), respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

⚠ WARNING: This product can expose you to chemicals including diethanolamine (DEA), which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

(b) **Alternative Warning:** Base4 may, but is not required to, use the alternative short-form warning as set forth in this § 2.1(b) (“**Alternative Warning**”) as follows:

 **WARNING:** Cancer - www.P65Warnings.ca.gov.¹

 **WARNING:** Cancer risk from exposure to diethanolamine (DEA). See www.P65Warnings.ca.gov.

 **WARNING:** Can expose you to diethanolamine (DEA), a carcinogen. See www.P65Warnings.ca.gov.

2.2 A Warning or Alternative Warning provided pursuant to § 2.1 must print the word “**WARNING:**” or “**CA WARNING:**” or “**CALIFORNIA WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The **Warning or Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process only if such electronic device or automatic process provides the **Warning or Alternative Warning** without the purchaser having to seek it out, provided that the **Warning or Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The **Warning or Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. Where a sign or label used to provide the **Warning or Alternative Warning** includes “consumer information,” as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, in a foreign language, Base4 shall provide the **Warning or Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by OEHHA.

¹ This **Alternative Warning** may be used until January 1, 2028.

In addition to affixing the **Warning** or **Alternative Warning** to the Product's packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Base4 offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word "**WARNING**," appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, Base4 shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its third-party internet sellers, provide such sellers with written notice of the warning requirements of this Section in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released, prospectively, following the Effective Date, in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

2.3 Compliance with Warning Regulations. The Parties agree that Base4 shall be deemed to be in compliance with Proposition 65 and this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning regulations adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") applicable to the Product and the exposures at issue.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Base4 shall pay \$2,000.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Balabbo. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below. For all amounts due and owing that are not sent within the payment times set forth below, Base4 shall pay a late civil

penalty payment fee equal to \$100/day to be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d).

3.1 Civil Penalty. Within thirty (30) business days of the Effective Date, Base4 shall issue two (2) separate checks for the Civil Penalty payment: (a) one to “OEHHA” in the amount of \$1,500.00; and one to (b) “Precila Balabbo” in the amount of \$500.00. - (iii) “Office of Environmental Health Hazard Assessment” 1001 “I” Street, Sacramento, CA 95814.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Balabbo and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Balabbo and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the Effective Date. Under these legal principles, Base4 shall reimburse Balabbo’s counsel for fees and costs incurred as a result of investigating and bringing this matter to the attention of Base4, and negotiating a settlement in the public interest. Within thirty (30) business days of the Effective Date, Base4 shall send a check payable to “Brodsky Smith” in the amount of \$23,000.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Base4 and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Balabbo, acting on her own behalf, and Base4, of any violation of Proposition 65 that was or could have been asserted by Balabbo or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) for failure to provide warnings for alleged exposures to DEA from use of the Products, and Releasers hereby release any such claims against Base4 and its parents, subsidiaries, affiliated entities,

shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Base4 directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Sally Beauty, its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 within 60 days after the Effective Date, based on exposure to DEA from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Balabbo, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to DEA from use of the Products.

5.2 Base4's Release of Balabbo. Base4, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Balabbo, her attorneys and other representatives, for any and all actions taken or statements made by Balabbo and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to DEA from use of the Products within 60 days after the Effective Date.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notices and relating to the Products will develop or be discovered. Balabbo, on behalf of herself only, on the one hand, and Base4, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims within 60 days after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released

in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Balabbo and Base4 each respectively acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Base4 with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEA from use of the Products.

5.5. Public Benefit. It is the Parties' understanding that the commitments Base4 has agreed to herein, and the actions to be taken by Base4 under this Settlement Agreement, including payment of a civil penalty, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of the Parties that, to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Base4's failure to provide a warning concerning exposure to DEA prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Base4 is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Evriholder shall provide written notice to Bell of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any Party by the other Party to the following addresses:
