

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Biosphere Watch Group SPC (referred to herein as “BWG”) represented by its attorneys, Omar Figueroa, Esq. and Lauren Mendelsohn, Esq., of the Law Offices of Omar Figueroa, Inc.; and Erth Wellness, Inc. (referred to herein as “Noticed Party”) represented by its attorney, Philip D. Dracht of Dracht Law, PC.

BWG is a social purpose corporation domiciled in California that seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Noticed Party employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

BWG alleges that the Noticed Party manufactures and sells, in the State of California, products containing Delta-9-THC without first providing the clear and reasonable exposure warning required by Proposition 65. Delta-9-THC is listed pursuant to Proposition 65 as a chemical that is known to the State of California to cause birth defects or other reproductive harm (hereinafter the “Listed Chemical”).

1.3 Product Description

The products covered by this Settlement Agreement are gummies and softgels containing the Listed Chemical that are manufactured and sold to consumers in the State of California by the Noticed Party, including: Full Spectrum Daily Softgels with Whole Plant Extract, SLEEP Gummies, and Delta-9-THC Gummies (the “Products”).

1.4 Notice of Violation

On or about December 18, 2024, BWG served Noticed Party and certain requisite public enforcement agencies with a 60-Day Notice of Violation (the “Notice”), a document that informed the recipients of BWG’s allegation that Noticed Party violated Proposition 65 by failing to warn its customers and consumers in California that the Products expose users to the Listed Chemical. To the best of BWG’s knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Noticed Party denies the material, factual, and legal allegations contained in the Notice and maintain that all of the products manufactured and sold in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by the Noticed Party of any fact, finding, conclusion of law, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by the Noticed Party of any fact, finding, conclusion of law, issue of law, or violation of law, the same being specifically denied by the Noticed Party. This section shall not, however, diminish or otherwise affect the Noticed Party’s obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the day the final requisite signature is applied to the Settlement Agreement.

2. INJUNCTIVE RELIEF: PRODUCT WARNINGS

2.1 Product Warnings. Commencing within thirty (30) days of the Effective Date, for any of the Noticed Party’s Products that contain the Listed Chemical and are shipped to any California resident consumer, or any agent, distributor, or affiliated company working on behalf of Noticed Party, for potential sale to California consumers, Noticed Party shall provide a clear and reasonable warning on the label of each Product as set forth in Section 2.3.

Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which specific Product the warning applies, so as to minimize the risk of consumer confusion.

2.2 Internet Warnings. In addition to the warning specified in Section 2.1 above, for all Products that Noticed Parties offer for sale directly to consumers in California via the internet, Noticed Parties shall provide a warning for such Products by including the warning set forth below in Section 2.3 on one or more of the following: (a) on the same web page on which a Covered Product is displayed; (b) on the same web page as the order form for a Covered Product; (c) on the same web page as the price for any Covered Product; or (d) on one or more web pages displayed to a purchaser during the checkout process. The internet warning described above can also be delivered through a hyperlink using the word “[California Prop 65] WARNING” (language in brackets optional), which then takes the user to a display of the warning set out in Paragraph 2.3.

2.3 Text of the Warning. The Noticed Parties shall use the warnings set forth below, which shall include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline, and the specific language as shown below (the triangular symbol may be black and white if the color yellow is otherwise not used on the Product’s packaging):

For Products which contain Delta-9-THC but no listed carcinogens:

WARNING: Consuming this product during pregnancy exposes your child to delta-9-THC, which can affect your child’s behavior and learning ability. For more information go to www.P65Warnings.ca.gov/cannabis

For Products which contain Delta-9-THC and one or more listed carcinogens:

WARNING: Consuming this product during pregnancy exposes your child to delta-9-THC, which can affect your child's behavior and learning ability, and exposes you to carcinogens including [name one or more listed carcinogens]. For more information go to www.P65Warnings.ca.gov/cannabis

Foreign Language Requirement: Where a product sign, label or shelf tag used to provide a warning includes consumer information in a language other than English, the Warning must also be provided in that language in addition to English.

3. PENALTIES & PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

3.1 Civil Penalty Payment Pursuant to Health & Safety Code § 25249.7(b). The Noticed Party shall make a civil penalty payment of One Thousand United States Dollars (\$1,000.00 USD) as a component of this settlement. The penalty payment will be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) & (d), with 75% of the penalty funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to BWG.

4. REIMBURSEMENT OF LEGAL FEES AND COSTS

The Noticed Party shall pay a total of Nine Thousand United States Dollars (\$9,000.00 USD) for legal fees and costs incurred as a result of the time and resources BWG and its enforcement team have spent on this matter, including but not limited to: research and investigation, bringing this matter to the Noticed Party's attention, document preparation, negotiating a settlement in the public interest, and post-settlement compliance.

6. CLAIMS COVERED AND RELEASED

6.1 BWG’s Release of Noticed and Related Parties

This Settlement Agreement is a full, final, and binding resolution between BWG and the Noticed Party of any violation of Proposition 65 that was or could have been asserted by BWG, on behalf of itself, or on behalf of its past and current agents, representatives, attorneys, successors, and assignees, against any of the Noticed Party, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, attorneys, and each entity to whom either Noticed Party directly or indirectly distributes or sells the Products (“Releasees”), including its downstream distributors and retailers, but not including its upstream suppliers and manufacturers, for unwarned exposures to the Listed Chemical from the Products manufactured, distributed, sold or distributed for sale in California by the Noticed Party prior to the Effective Date.

In further consideration of the promises and agreements herein contained, BWG, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby covenants not to sue and waives all rights to institute or participate in, directly or indirectly, any form of legal action, and releases all claims that it may have against the Noticed Party and Releasees, including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses, including, without limitation, investigation fees, expert fees, and attorneys’ fees arising under Proposition 65 for exposures to the Listed Chemical from Products distributed, sold, or distributed for sale in California by the Noticed Party prior to the Effective Date.

6.2 Noticed Party’s Release of BWG

Noticed Party, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims that it may have against BWG and its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by BWG and its attorneys and other representatives, whether in the course of investigating Proposition 65 claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

6.3 Unknown Claims

The release in this Settlement Agreement extends to claims that the Parties do not know or suspect to exist in their favor and which, if known by them, would have materially affected their decisions to enter into this Settlement Agreement. The Parties acknowledge that they are familiar with Section 1542 of the California Civil Code, which provides as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

The Parties, having been advised by counsel, expressly waive and relinquish any right or benefit that they have or may have under Section 1542 of the California Civil Code and under any other statute, rule or legal principle of similar effect of any jurisdiction, to the full extent that they may waive all such rights and benefits pertaining to the matters released in this Settlement Agreement.

7. REPRESENTATIONS, WARRANTIES, AND COVENANTS

BWG represents and warrants to Noticed Party that it has not heretofore assigned or otherwise transferred, or attempted to assign, or transfer, any present or threatened claim or claims against Noticed Party, and that there is no other person or legal entity that has not executed this Agreement as a releasing party that has any interest in any such claim or claims against Noticed Party.

BWG and the Law Offices of Omar Figueroa further represent and warrant to Noticed Party that neither BWG nor the Law Offices of Omar Figueroa represent or know of any other specific individuals who intend to make demands or bring litigation concerning the Products or against Noticed Party. BWG and the Law Offices of Omar Figueroa represent and warrant that neither BWG nor the Law Offices of Omar Figueroa have been notified or otherwise informed of any such intention or consideration thereof.

9. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then the Noticed Party may provide written notice to BWG of any asserted change in the law, and have no further obligations pursuant to this Settlement Agreement, with respect to, and to the extent that, the Products are so affected.
