

# PROPOSITION 65 SETTLEMENT AGREEMENT

## 1. INTRODUCTION

### 1.1 The Parties

This Settlement Agreement (“**Agreement**”) is entered into by and between Keep America Safe and Beautiful (“**KASB**”) and Hinspergers Poly Industries Inc. (“**Hinspergers**”), with KASB and Hinspergers each individually referred to as a “**Party**” and, collectively, the “**Parties**.” KASB is a California-based non-profit organization proceeding in the public interest pursuant to California Health & Safety Code § 25249.7(d) to ensure that chemicals known to the State of California to cause cancer, birth defects or other reproductive harm are disclosed in or eliminated from consumer products sold in California. Hinspergers is a person in the course of doing business for purposes of California Health & Safety Code § 25249.11(b).

### 1.2 Consumer Product Description

KASB alleges that Hinspergers manufactures, imports, sells, and distributes for sale in California pool covers with vinyl cables containing di(2-ethylhexyl) phthalate (“**DEHP**”) including, but not limited to, *Hinsperger 15’ Armor Kote Winter Cover, Model: AK15R4, Barcode: 056622000959, Item: HPI2012T*, without providing the health hazard warning that KASB alleges is required by California Health & Safety Code § 25249.5 *et seq.* (“**Proposition 65**”). Pool covers with vinyl cables are referred to hereinafter as the “**Products**.” DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

### 1.3 Notice of Violation

On February 5, 2025, KASB served Hinspergers, the California Attorney General, and the requisite public enforcement agencies with a 60-Day Notice of Violation (“**Notice**”), alleging Hinspergers violated Proposition 65 by failing to warn its customers and consumers in California that its Products can expose users to DEHP. No public enforcer has commenced and is diligently prosecuting an action to enforce the allegations in the Notice.

#### **1.4 No Admission**

Hinspergers denies the factual and legal allegations contained in the Notice and maintains that all products it has sold or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Agreement shall constitute or be construed as, nor shall compliance with this Agreement constitute or be construed as, an admission by Hinspergers of any fact, finding, conclusion of law, issue of law, or violation of law. This section shall not, however, diminish or otherwise affect Hinspergers' obligations, responsibilities, and duties under this Agreement.

#### **1.5 Effective Date**

For purposes of this Agreement, "**Effective Date**" shall mean the date this Agreement is fully executed by all Parties.

### **2. INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS**

#### **2.1 Commitment to Reformulate or Warn**

Commencing on the Effective Date and continuing thereafter, all Products Hinspergers manufactures, imports, sells, ships, or distributes for sale in or into California, directly or through one or more third party retailers or e-commerce marketplaces, shall meet the Reformulation Standard for Reformulated Products, as defined by Section 2.2 or be accompanied by a clear and reasonable warning pursuant to Section 2.3.

#### **2.2 Reformulation Standard**

For purposes of this Agreement, "Reformulated Products" are defined as Products which, if they contain di(2-ethylhexyl) phthalate ("DEHP"), contains such chemical in a maximum concentration of less than 0.1 percent (1,000 parts per million) when analyzed by a laboratory certified or accredited by the State of California, the United States Food and Drug Administration/Environmental Protection Agency, the National Environmental Laboratory Accreditation Program, or a member accreditation body of the International Laboratory Accreditation Cooperation ("ILAC"). For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety

Commission (“CPSC”) methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency methodology 8270D, or other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

## **2.3 Clear and Reasonable Warnings**

Commencing on the Effective Date, Hinspergers shall provide clear and reasonable warnings for all Products that are not Reformulated Products provided for sale to customers in or into the State of California in accordance with this Section pursuant to Title 27 California Code of Regulations § 25600, et seq. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use and shall be provided in a manner such that it clearly associated with the specific Products to which the warning applies.

### **(a) Warnings**

Hinspergers shall affix a warning to the Product label or otherwise directly on Products provided for sale to consumers located in California and to customers with retail outlets in California, nationwide distribution, or e-commerce platforms. For the purpose of this agreement, "Product label" means a display of written, printed, or graphic material printed on or affixed to each of the Products or its immediate container or wrapper. **(d) Internet Warnings.**

For all Products sold in or into California through third-party websites over which Hinspergers has the ability to control the application of warnings, Hinspergers shall additionally prominently display the warning to customers on the internet website prior to purchase or during the checkout process such that the consumer does not have to seek out the information being provided. The warning or a clearly marked hyperlink to the warning using the word "**WARNING**" and given in conjunction with the sale of the Products via the internet, shall

If the on-Product warning is one of the warning statements set forth in Options 2-4 in Section 2.3, the Internet Warning may use the corresponding warning statement.

Where Hinspergers sells, ships, or distributes Products to third-party retailers or e-commerce marketplaces over which it has no control, Hinspergers will advise them of the internet warning requirements under this Agreement as a condition of sale of the Products.

#### **2.4 Customer Notification**

No later than the Effective Date, Hinspergers shall send a letter, electronic or otherwise (“**Notification Letter**”) to: (1) each customer in California to which it supplied Products between February 5, 2024 and February 5, 2025; and (2) any other customer that is a retailer or distributor that has any inventory of Products, which Hinspergers supplied between February 5, 2022 and February 5, 2025, for sale to consumers in California. The Notification Letter shall advise the recipient that the Products contain DEHP, a chemical known to the State of California to cause cancer and birth defects or other reproductive harm. The Notification letter shall inform the recipient that all Products must either (1) be returned to Hinspergers for a full refund or (2) have a label, attached to the packaging of each Product before it is sold in the California market or to a customer in California, expressly referring to the Product with the following warning statement:

**⚠WARNING:** This product can expose you to di(2-ethylhexyl) phthalate (DEHP), which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline. The entire warning shall appear in at least 6-point type and no smaller than the largest type size used for other consumer information on the Products. The Notification Letter shall enclose a shipping label with the return address and postage paid by Hinspergers. If the customer is a retailer or distributor of the Products, the Notification Letter shall include a sheet of white background, adhesive stickers with the forgoing warning statements.

#### 3.1 **Civil Penalty**

Pursuant to Health and Safety Code § 25249.7(b), Hinspergers agrees to pay a civil penalty of \$2,500 within five (5) business days of the Effective Date. Hinspergers’ civil penalty payment will be allocated according to Health and Safety Code §§ 25249.12(c)(1) and (d), with seventy-five percent (75%) of the penalty paid to the California Office of Environmental Health Hazard Assessment (“**OEHHA**”), and the remaining twenty-five percent (25%) retained by KASB. Hinspergers shall issue its payment in two checks made payable to: (a) “**OEHHA**” in the amount of \$1,875; and (b) “**Seven Hills LLP in Trust for Keep America Safe and Beautiful**” in the amount of \$625. #### 3.2 **Reimbursement of Attorneys’ Fees and Costs**

KASB and its counsel offered to resolve the allegations in the Notice without reaching terms on the amount of reimbursement of attorneys’ fees and costs. Shortly after the Parties finalized the other material settlement terms, they negotiated and reached an accord on the amount of reimbursement to be paid to KASB’s counsel, under general contract principles and the private attorney general doctrine, codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution and reporting of this Agreement to the

Office of the California Attorney General. Within five (5) business days of the Effective Date, Hinspergers agrees to issue a check in the amount of \$16,500 payable to “Seven Hills LLP” for all fees and costs incurred investigating, bringing this matter to Hinspergers’ attention, negotiating a settlement in the public interest, and reporting its terms to Office of the California Attorney General pursuant to Section 9.

### **3.3 Payments**

All payments payable and due under this Agreement shall be delivered to KASB’s counsel at following address:

Seven Hills LLP

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 KASB’s Release of Hinspergers**

This Agreement is a full, final and binding resolution between KASB, as an individual and *not* on behalf of the public, and Hinspergers, of any violation of Proposition 65 that was or could have been asserted by KASB on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, against Hinspergers and each entity to whom Hinspergers directly or indirectly distributes or sells Products, including, but not limited to, downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (collectively, “**Releasees**”), based on their failure to warn under Proposition 65 about alleged exposures to DEHP contained in the Products that were manufactured, distributed, sold and/or offered for sale by Hinspergers in California before the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, KASB as an individual and *not* on behalf of the public, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of KASB’s rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims

that KASB may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys' fees arising under Proposition 65 with respect to DEHP in the Products manufactured, distributed, sold and/or offered for sale by Hinspergers, before the Effective Date (collectively, "**Claims**"), against Hinspergers and Releasees.

The Parties further understand and agree that this Section 4.1 release shall neither extend (a) upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Hinspergers, nor (b) to Releasees who have been instructed by Hinspergers pursuant to Sections 2.3(d) and 2.4 to provide a warning on Products that are not Reformulated Products and have failed to do so. Nothing in this Section affects KASB's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Hinspergers' Products.

#### **4.2 Hinspergers' Release of KASB**

Hinspergers, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against KASB and its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by KASB and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.
