1. INTRODUCTION

1.1 Clean Product Advocates, LLC and PT Organics Ltd.

This Joint Stipulated Consent Judgment ("Consent Judgment") is entered into by and between Clean Products Advocates, LLC ("CPA"), on the one hand, and PT Organics Ltd. ("PT Organics"), on the other hand, with CPA and PT Organics collectively referred to as the "Parties."

1.2 Defendant and Covered Products

CPA alleges that PT Organics manufactured organic fruit and vegetable purees including "Pumpkin Tree Organic Fruit and Vegetable Puree" (UPC 815367010025) ("Covered Products") that were offered for sale in the State of California by retailers including Sprouts Farmers Market, LLC ("Sprouts"). CPA alleges, and PT Organics denies, that the Covered Products contained Lead exceeding "safe harbor exposure level" applicable here (defined in Section 2.2, below) established by California's Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code Sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"), and that such sales have not included warnings pursuant to Proposition 65. California has identified and listed lead under Proposition 65 as chemicals known to the State of California to cause cancer and birth defects or other reproductive harm at certain levels of exposure.

1.3 Recitals

WHEREAS, CPA maintains that its testing of lead in one or more of the Covered Products supported the issuance of a Certificate of Merit for a Proposition 65 Notice of Violation for an exposure level of one serving per day;

WHEREAS, PT Organics denies CPA's allegations and maintains that (i) the Covered Products were not in violation of Proposition 65 in any respect, (ii) the laboratory testing relied on by CPA is unreliable and contradicted by repeated testing conducted by multiple independent laboratories, and (iii) the actual measure of exposure is not one serving of a Covered Product per day, but a less frequent consumption interval based on actual consumption data pursuant to Title 27 of the California Code of Regulations, Section 25821;

Docusign Envelope ID: B70C49C5-6A8D-870C-817C-0B234B3FA00E

WHEREAS, the Parties desire to resolve their differences amicably and provide a public benefit in accordance with Proposition 65, and therefore agree as follows in this Consent Judgment.

1.4 Notice of Violation

On or about February 16, 2025, CPA served a "60-Day Notice of Violation" ("Notice") on PT Organics and Sprouts, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California. The Notice provided PT Organics and Sprouts and such public enforcers with notice that the Covered Products were allegedly in violation of California Health & Safety Code Section 25249.6 for failing to warn consumers and customers that the Covered Products exposed users in California to lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

The Parties enter into this Consent Judgment to settle disputed claims between them as set forth herein and in the Notice concerning PT Organics' and Sprouts' compliance with Proposition 65. PT Organics denies the material factual and legal allegations contained in CPA's Notice, and maintains that all products that it has manufactured for sale that were distributed in California, including the Covered Products, have been and are in compliance with Proposition 65 and any other statutory, regulatory, common law or equitable doctrine. Nothing in this Consent Judgment shall be construed as an admission by PT Organics of any fact, finding, issue of law, or violation of law; nor shall compliance with this Consent Judgment constitute or be construed as an admission by PT Organics of any fact, binding conclusion, issue of law, or violation of law, such being specifically denied by PT Organics. However, nothing in this Section shall diminish or otherwise affect the obligations, responsibilities, and duties of PT Organics under this Consent Judgment.

1.6 Compliance Date

For purposes of this Consent Judgment, the term "Compliance Date" shall mean the date three (3) months after the entry of this Consent Judgment.

Docusign Envelope ID: B70C49C5-6A8D-870C-817C-0B234B3FA00E

1.7 Consent to Jurisdiction

For purposes of this Consent Judgment only, the Parties stipulate that the Superior Court of the State of California, County of Los Angeles, has jurisdiction over the allegations of violations contained in the Notice, personal jurisdiction over PT Organics as to the acts alleged in the Notice, that venue is proper in the County of Los Angeles, and that the Court has jurisdiction to enter this Consent Judgment as a full and final settlement and resolution of the allegations against PT Organics contained in the Notice, and of all claims which were or could have been raised by any person or entity based in whole or in part, directly or indirectly, on the facts alleged therein or arising therefrom or related thereto with respect to Covered Products.

2. INJUNCTIVE RELIEF: COMPLIANCE AND WARNINGS

As of the Compliance Date, PT Organics, at its sole discretion, agrees to: a) for Covered Products that it understands will be offered for sale in California, sell, offer for sale or distribute Compliant Products (defined in Section 2.1, below); b) manufacture, import, or otherwise source for authorized sale in California only Compliant Products, as defined pursuant to Section 2.1 below; or c) provide a clear and reasonable Proposition 65 warning on Non-Compliant Covered Products, pursuant to Section 2.2 below.

2.1 Compliance Standards

The Covered Products shall be deemed to comply with Proposition 65 with regard to lead and be exempt from any Proposition 65 warning requirements if the lead in the Products to which the average California consumer is exposed does not exceed 0.5 micrograms of lead per day as of the Compliance Date ("Compliant Products"). For the purpose of this Consent Judgment, the amount of lead to which a person is exposed from the Covered Products shall be calculated using the following formula: micrograms of lead per gram of Covered Product as calculated in Section 2.2 multiplied by the gram weight in one serving of Covered Product as set forth on the product label, which equals micrograms of lead exposure per day based on the assumed consumption of one serving per day. Covered Products that cause an exposure to lead in excess of this amount as of the Compliance Date are referred to as "Non-Compliant Covered Products."

Docusign Envelope ID: B70C49C5-6A8D-870C-817C-0B234B3FA00E

PT Organics contends that no Non-Compliant Covered Products were supplied or contracted to be supplied to third parties by PT Organics or sold by PT Organics prior to the Compliance Date, but if any were, they shall be exempt from the compliance requirements of this Section 2 and the agreed upon warning requirements set forth in Sections 2.3 and 2.4, below, and shall be permitted to be sold through as previously manufactured, packaged and labeled, regardless of whether or when they are sold by such third parties.

2.2 Testing Protocols Required To Trigger Warnings

Product testing for heavy metals must comply with the following protocol:

(i) A single serving of product is sent to each of two named accredited laboratories (see below), each capable of guaranteeing heavy metal testing results accurately and repeatably down to 1 part per billion ("ppb") – one single serving to be sent to each laboratory.

(ii) Each single serving sent for testing must be of the same Best By Date ("BBD") codes denoted on the packaging and purchased from the same retail outlet.

(iii) Each laboratory shall prepare a single sample for heavy metal analysis in accordance with the accredited methodologies and test that sample in triplicate. Acceptable testing methodologies/laboratories include:

(a) Eurofins Official Methods of Analysis, Methods 2011.19 and 993.14, and 2015.01, AOAC INTERNATIONAL (Modified); and

(b) Ginesta Official Method of Analysis 2015.01, AOAC INTERNATIONAL.

(c) Other accredited laboratories utilizing the identical accredited methodology and guaranteeing results accurately and repeatably down to a level of 1 ppb would also be acceptable. For the avoidance of doubt however, using 2015.01 AOAC testing methodology without the capability to guarantee results down to 1 ppb would not suffice.

(iv) All six test results along with the original packaging and residual contents to be made available to PT Organics for its own review.

Docusign Envelope ID: B70C49C5-6A8D-870C-817C-0B234B3FA00E

If: (i) the results from the two laboratories statistically accord; and (ii) the geometric mean is above the Proposition 65 "safe harbor exposure level" applicable here, defined as 0.5 micrograms for lead calculated using an assumed consumption of 1 single serving (pouch) per day, the result only then can form the basis for a violation of this Consent Judgment. To assert a violation of this Consent Judgment, the claimant must provide the following to PT Organics:

(1) Proof of Purchase

(2) The 3 test results obtained from each laboratory.

(3) One retained sealed sample from each pouch plus the physical pouches.

2.3 Warning Options

Non-Compliant Covered Products supplied or contracted to be supplied to third parties by PT Organics or sold by PT Organics after the Compliance Date shall be accompanied by a warning as described in Section 2.4 below.

2.4 Warning Language

2.4.1 A clear and reasonable exposure warning must be provided for Non-Compliant Covered Products that PT Organics distributes into the State of California after the Compliance Date. The warning shall consist of either the Standard Warning (under Section 2.3.1. (a)) or the Short-Form Warning (under Section 2.3.1. (b)). Alternatively, PT Organics or its downstream partners may arrange for placement of a shelf or freezer warning at retail locations in California, as indicated below. Where PT Organics provides warnings to retail sellers in compliance with Section 25600.2(b) and (c) of Title 27 of the California Code of Regulations, it shall have no obligation to provide warnings for the Covered Products beyond those obligations specified in this Consent Judgment.

2.4.2 Product Package Label. The agreed upon package label warnings are as follows, with PT Organics having the option to use any of the alternate "warning" signal words, to be contained within a box, as indicated below:

a. Standard Warning. The Standard Warning shall consist of the statement:

> **WARNING** [or] **CA WARNING** [or] **CALIFORNIA WARNING:** Consuming this product can expose you to chemicals including Lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food

or

b. Short-Form Warning. The Short-Form Warning shall be as follows:

> **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov/food

The font size of the Short-Form Warning must be a minimum of 6 points, and it cannot be smaller than the largest size font used for Consumer Information.

c. New Short-Form Warning. Short-Form Warnings on Covered Products manufactured on or after **January 1, 2028** must use the Short-Form Warnings set forth below. These warnings may also be used prior to January 1, 2028:

> **WARNING** [or] **CA WARNING** [or] **CALIFORNIA WARNING:** Risk of cancer and reproductive harm from exposure to Lead. See www.P65Warnings.ca.gov/food

or

> **WARNING** [or] **CA WARNING** [or] **CALIFORNIA WARNING:** Can expose you to Lead, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food

Docusign Envelope ID: B70C49C5-6A8D-870C-817C-0B234B3FA00E

d. The product package warning shall be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use.

2.4.3. Warning Signs, Placards, Shelf Tags, or Shelf Sign. A Standard Warning or Short-Form Warning provided pursuant to Section 2.4.2 in print form must: contain the word **"WARNING"** [or] **"CA WARNING"** [or] **"CALIFORNIA WARNING"** in all capital letters, in bold font, followed by a colon and;

a. be affixed to or printed on a placard, shelf tag, sign or electronic device that automatically provides the warning to the purchaser prior to or during the purchase of the consumer product, without requiring the purchaser to seek out the warning;

b. be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use.

2.4.4. Online/Internet Warning. If PT Organics or an authorized distributor sells Covered Products via Internet websites to customers located in California, a warning meets the requirements of this subsection if it complies with the content requirements of Title 27 of the California Code of Regulations Section 25602.7, and the warning uses one or more of the following Internet methods in addition to a warning on the physical product:

a. a warning on the product display page, or

b. a clearly marked hyperlink on the product display page, using the words **"WARNING"**, **"CA WARNING"**, or **"CALIFORNIA WARNING"** on the product display page that links to the warning, or

c. an otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If the warning is provided using the short-form warning label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this subsection, the warning is not prominently displayed if the purchaser must search for it in the general content of the website.

Docusign Envelope ID: B70C49C5-6A8D-870C-817C-0B234B3FA00E

2.4.5. For Internet purchases made before January 1, 2028, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b).

2.4.6. FOREIGN LANGUAGE - Where a sign, labeling, or label, as defined in Section 25600.1, is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

2.4.7. The requirements for warnings, set forth in this Section, are imposed pursuant to the terms of this Consent Judgment. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations. PT Organics shall be deemed to be in compliance with the warning requirements of this Consent Judgment by either adhering to the requirements of this Section, or by complying with the Proposition 65 warning requirements applicable to the product and chemical at issue, adopted by the State of California Office of Environmental health Hazard Assessment ("OEHHA") on or after entry of this Consent Judgment by the Court (the "Effective Date"), including, but not limited to, Section 25600.2 of Title 27 of the California Code of Regulations.

3. SETTLEMENT AMOUNT PURSUANT TO CAL. HEALTH & SAFETY CODE SECTION 25249.7(b)

In full satisfaction of all potential civil penalties and attorney's fees, costs and any other expenses incurred by CPA or its counsel, PT Organics has agreed to pay (and has paid, where noted below), the total settlement amount of Eighteen Thousand Dollars ($18,000) ("Settlement Amount") as set forth below.

3.1 Civil Penalties to Health & Safety Code 25249.7(B):

One Thousand Five Hundred Dollars ($1,500) of the Settlement Amount shall be considered a "civil penalty" pursuant to California Health and Safety Code Section 25249.7. If not completed

Docusign Envelope ID: B70C49C5-6A8D-870C-817C-0B234B3FA00E

already, PT Organics shall issue two separate checks within ten (10) days of the Effective Date for a total amount of One Thousand Five Hundred Dollars ($1,500) as follows, and all payments shall be delivered to the addresses listed below.

3.1.1. One check made payable to OEHHA in the amount of One Thousand One Hundred Twenty Five Dollars ($1,125), representing 75% of the total civil penalty, which PT Organics has paid in full as evidenced by the cashing of the check; and

3.1.2. One check payable to "Clean Product Advocates, LLC" in the amount of Three Hundred Seventy-Five Dollars ($375), representing 25% of the total civil penalty.

3.2 Attorney's Fees and Costs:

Sixteen Thousand Five Hundred Dollars ($16,500) of the total Settlement Amount paid to Cliffwood Law Firm for reasonable investigation fees, and costs, attorney's fees, and any other cost incurred as a result of investigating and bringing this matter to PT Organics' attention, payment of which the Cliffwood Law firm hereby acknowledges has been made in full prior to entering into this Consent Judgment.

4. PAYMENT PROCEDURES

4.1 All payments owed to OEHHA pursuant to section 3.1(a), if not completed already, shall be delivered directly to OEHHA (Memo line "Prop 65 Penalties NOV #2025-03699") at the following address:

5. RELEASE OF ALL CLAIMS

5.1 Release of PT Organics, Its Downstream Customers, and Upstream Vendors

Provided that Defendant complies in full with its obligations under Sections 3 and 4 above, this Consent Judgment is a full, final, and binding resolution between Plaintiff on behalf of itself and the public interest and Defendant and its parents, subsidiaries, affiliated entities that are under common ownership, doing business as entities ("DBAs"), directors, officers, employees, agents, shareholders, equity owners, predecessors, successors, assigns, attorneys, franchisees, and licensees ("Defendant Releasees"), of any violation of Proposition 65 based on failure to warn about alleged exposure to lead contained in Covered Products for all conduct that occurred prior to the Compliance Date.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, CPA, on behalf of itself and its respective owners, principals, shareholders, officers, directors, employees, parents, subsidiaries its past and current agents, representatives, attorneys, successors and/or assignees (collectively, "Releasors"), hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and fully releases all claims relating to the Covered Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent

Docusign Envelope ID: B70C49C5-6A8D-870C-817C-0B234B3FA00E

(collectively "Claims"), against: (a) Defendant Releasees; (b) each of the upstream and downstream entities in the stream of commerce of the Covered Products (including but not limited to, manufacturers, wholesalers, vendors, licensors, licensees, auctioneers, retailers including Sprouts Farmers Market, LLC, franchisees, dealers, shareholders, cooperative members, customers, owners, purchasers, third-party re-sellers, and users); and (c) the employees, shareholders, officers, directors, members, managers, equity owners, insurers, attorneys, predecessors, successors and assigns of any of the entities identified in subsection (a) and (b), above (collectively "Releasees"). CPA also, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against PT Organics and the Releasees.

5.2 PT Organics' Release of CPA

PT Organics, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against CPA, its attorneys and other representatives, for any and all actions taken or statements made by CPA and/or its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code Section 1542.

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. CPA on behalf of itself only, on one hand, and PT Organics, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights and causes of action thereof. The Parties acknowledge that the claims released in Sections 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code Section 1542 as to any such unknown claims. California Civil Code Section 1542 reads as follows:

Docusign Envelope ID: B70C49C5-6A8D-870C-817C-0B234B3FA00E

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

CPA and PT Organics each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code Section 1542.

6. ENTRY OF CONSENT JUDGMENT

6.1 CPA shall file a motion seeking approval of this Consent Judgment pursuant to California Health & Safety Code Section 25249.7(f). The Parties agree to act in good faith to obtain Court approval of the Consent Judgment. Upon entry of the Consent Judgment, CPA and PT Organics waive their respective rights to a hearing, trial, or appeal on the allegations in the Notice.

6.2 If this Consent Judgment is not approved in full by the Court: (a) this Consent Judgment and any and all prior agreements between the Parties merged herein shall terminate and become null and void, and the actions shall revert to the status that existed prior to the execution date of this Consent Judgment; (b) no term of this Consent Judgment or any draft thereof, or of the negotiation, documentation or other part or aspect of the Parties' settlement discussions, shall have any effect, nor shall any such matter be admissible in evidence for any purpose in this action, or in any other proceeding; and (c) the Parties agree to meet and confer to determine whether to modify the terms of the Consent Judgment and to resubmit it for approval.

7. ENFORCEMENT

7.1 Any alleged violation of the terms of this Consent Judgment shall be enforced exclusively hereunder by the Parties hereto. Before CPA moves to enforce the terms of this Consent Judgment against PT Organics or any downstream entity, CPA must provide written notice to PT Organics of any alleged violation, and must provide all evidence supporting the alleged violation as specified in Section 2.2, above, including any applicable test results, product photographs, and purchase receipts. The Parties will thereafter meet and confer for a minimum period of thirty (30) days to allow time for the named entity or entities to present to CPA any relevant compliance

Docusign Envelope ID: B70C49C5-6A8D-870C-817C-0B234B3FA00E

information and/or corrective action taken related to the alleged violation, including if applicable, the date of manufacture, import, distribution or sale of the Covered Products at issue for purpose of determining the applicability of the release hereunder. If the Parties cannot resolve the alleged violation, any Party may move to enforce the terms of this Consent Judgment consistent with the terms hereof.

8. RETENTION OF JURISDICTION

8.1 This Court shall retain jurisdiction of this matter to implement and enforce the terms of this Consent Judgment under Code of Civil Procedure Section 664.6.

8.2 In any proceeding brought by any Party to enforce this Consent Judgment, the prevailing party shall be entitled to recover its reasonable attorney's fees and costs.

9. SERVICE ON THE ATTORNEY GENERAL

9.1 CPA shall serve a copy of this Consent Judgment, signed by all Parties, on the California Attorney General so that the Attorney General may review this Consent Judgment prior to its submittal to the Court for approval. No sooner than forty-five (45) days after the Attorney General has received the aforementioned copy of this Consent Judgment, CPA may then submit it to the Court for approval.

10. ATTORNEY FEES

10.1 Except as specifically provided in Section 3.2, PT Organics and CPA shall bear their own attorneys' fees and costs in connection with the claims alleged in the Notice and resolved in this Consent Judgment.

11. GOVERNING LAW

11.1 The terms of this Consent Judgment shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Covered Products, including based on court-imposed injunctions or appellate court decision, then PT Organics shall be entitled to move the Court for modification of this Consent Judgment.
