

PROPOSITION 65 SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement (“**Agreement**”) is entered into by and between Keep America Safe and Beautiful (“**KASB**”) and Pioneer Interstate, Inc. dba Tiger Claw (“**Tiger Claw**”), with KASB and Tiger Claw each individually referred to as a “**Party**” and, collectively, the “**Parties**.” KASB is a California-based non-profit organization proceeding in the public interest pursuant to California Health & Safety Code § 25249.7(d) to ensure that chemicals known to the State of California to cause cancer, birth defects or other reproductive harm are disclosed in or eliminated from consumer products sold in California. Tiger Claw is a person in the course of doing business for purposes of California Health & Safety Code § 25249.11(b).

1.2 Consumer Product Description

KASB alleges that Tiger Claw manufactures, imports, sells, and distributes for sale in California exercise equipment with vinyl components containing di(2-ethylhexyl) phthalate (“**DEHP**”) and di-n-butyl phthalate (“**DBP**”) including, but not limited to, *Tiger Claw Foam Kicking Shield*, without providing the health hazard warning that KASB alleges is required by California Health & Safety Code § 25249.5 *et seq.* (“**Proposition 65**”). Exercise equipment with vinyl components are referred to hereinafter as the “**Products**.” DEHP and DBP are listed pursuant to Proposition 65 as chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Notice of Violation

On February 18, 2025, KASB served Tiger Claw, the California Attorney General, and the requisite public enforcement agencies with a 60-Day Notice of Violation (“**Notice**”), alleging Tiger Claw violated Proposition 65 by failing to warn its customers and consumers in California that its Products can expose users to DEHP and DBP. No public enforcer has commenced or is diligently prosecuting an action to enforce the allegations in the Notice.

1.4 No Admission

Tiger Claw denies the factual and legal allegations contained in the Notice and maintains that all products it has sold or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Agreement shall constitute or be construed as, nor shall compliance with this Agreement constitute or be construed as, an admission by Tiger Claw of any fact, finding, conclusion of law, issue of law, or violation of law.

1.5 Effective Date

For purposes of this Agreement, “**Effective Date**” shall mean the date this Agreement is fully executed by all Parties.

2. INJUNCTIVE RELIEF: REFORMULATION

2.1 Reformulation Commitment

Commencing on the Effective Date and continuing thereafter, all Products Tiger Claw manufactures, imports, sells, ships, or distributes for sale in or into California, directly or through one or more third party retailers or e-commerce marketplaces, shall meet the Reformulation Standard for Reformulated Products, as defined by Section 2.2, except any such product already in inventory as of the Effective Date, which shall be sold only if accompanied by a compliant Proposition 65 Warning, as provided in Section 2.4.

2.2 Reformulation Standard

For purposes of this Agreement, “Reformulated Products” are defined as Products which, if they contain di(2-ethylhexyl) phthalate (“DEHP”), di-n-butyl phthalate (“DBP”), diisononyl phthalate (“DINP”), butyl benzyl phthalate (“BBP”), di-isodecyl phthalate (“DIDP”) or di-n-hexyl phthalate (“DnHP”), contain any or all such chemicals each in a maximum concentration of less than 0.1 percent (1,000 parts per million) when analyzed by a laboratory certified or accredited by the State of California, the United States Food and Drug Administration/Environmental Protection Agency, the National Environmental Laboratory Accreditation Program, or a member accreditation body of the International Laboratory

Accreditation Cooperation ("ILAC"). For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission ("CPSC") methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency methodology 8270D, or other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

2.3 Certification to Compliance with Reformulation Standard

On or before the Effective Date, an officer of Tiger Claw shall provide Seven Hills LLP with a written attested declaration stating, as of the Effective Date, and continuing thereafter, any and all Products manufactured or imported by Tiger Claw for sale to (a) consumers in California directly including through its own website, affiliated websites or a third party website, to consumers located in California, and (b) customers with nationwide distribution and e-commerce websites, are Reformulated Products as defined by Section 2.2. Along with its attested declaration, Tiger Claw shall provide a recent test result performed after the date of the Notice, showing the Products were tested and analyzed according to the parameters set forth in the preceding Section 2.2 and are Reformulated Products. Failure to comply with this section shall render this agreement null and void.

2.4 Customer Notification

No later than 90-days after the Effective Date, Tiger Claw shall send a letter, electronic or otherwise ("**Notification Letter**") to: (1) each customer in California to which it supplied Products between February 18, 2024 and February 18, 2025 and whose contact information Tiger Claw has in its records as a result of any purchase; and (2) any other customer that is a retailer or distributor that has any inventory of Products, which Tiger Claw supplied between February 18, 2022 and February 18, 2025, for sale to consumers in California. The Notification Letter shall advise the recipient that the Products contain DEHP and DBP, chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. The Notification letter shall inform the recipient that all Products must either (1) be returned to Tiger Claw for a full refund or (2) have a label, attached to the packaging of each Product before it is

sold in the California market or to a customer in California, expressly referring to the Product with the following warning statement:

 **WARNING** [or] **CA WARNING** [or] **CALIFORNIA WARNING**: This product can expose you to chemicals including di(2-ethylhexyl)phthalate (DEHP), which is known to the State of California to cause cancer and birth defects or other reproductive harm, and di-n-butyl phthalate (DBP), which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

The foregoing warning must print the word “**WARNING:**” in all capital letters and in bold font. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline. The entire warning shall appear in at least 6-point type and no smaller than the largest type size used for other consumer information on the Products. The Notification Letter shall enclose a shipping label with the return address and postage paid by Tiger Claw. If the customer is a retailer or distributor of the Products, the Notification Letter shall include a sheet of white background and adhesive stickers with the foregoing warning statements.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty

Pursuant to Health and Safety Code § 25249.7(b), Tiger Claw agrees to pay a civil penalty of \$5,000 within five (5) business days of the Effective Date. Tiger Claw’s civil penalty payment will be allocated according to Health and Safety Code §§ 25249.12(c)(1) and (d), with seventy-five percent (75%) of the penalty paid to the California Office of Environmental Health Hazard Assessment (“**OEHHA**”), and the remaining twenty-five percent (25%) retained by KASB. Tiger Claw shall issue its payment in two checks made payable to: (a) “**OEHHA**” in the amount of \$3,750; and (b) “**Seven Hills LLP in Trust for Keep America Safe and Beautiful**” in the amount of \$1,250. KASB’s counsel shall deliver to OEHHA and KASB their respective portion of the penalty payment.

3.2 Reimbursement of Attorneys' Fees and Costs

KASB and its counsel offered to resolve the allegations in the Notice without reaching terms on the amount of reimbursement of attorneys' fees and costs. Shortly after the Parties finalized the other material settlement terms, they negotiated and reached an accord on the amount of reimbursement to be paid to KASB's counsel, under general contract principles and the private attorney general doctrine, codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution and reporting of this Agreement to the Office of the California Attorney General.

Tiger Claw shall pay a total sum of \$20,000 for all fees and other costs incurred investigating, bringing this matter to Tiger Claw's attention, negotiating a settlement in the public interest, and reporting its terms to Office of the California Attorney General pursuant to Section 9. The attorneys' fees and costs payments shall be made as detailed in subsection (a) and shall be deposited according to the schedule detailed there and subject to its terms.

(a) Attorneys' Fees & Costs: Installment Agreement Terms & Timing

Tiger Claw agrees to provide all attorneys' fees and costs payments due under this Agreement within thirty (30) days of the Effective Date. The Parties agree the payment of attorneys' fees and costs, totaling \$20,000, shall be broken into two even installment payments of \$10,000. All payments under this Section shall be made in the form of individual checks payable to "Seven Hills LLP" and delivered to the address below, in Section 3.3. Seven Hills LLP will deposit the initial payment of \$10,000 upon receipt. Seven Hills LLP agrees to hold the remaining installment payment of \$10,000 and deposit it approximately 30 days after the initial payment is deposited.

Tiger Claw agrees and understands, should any installment payment due under this Section or this Agreement fail due to insufficient funds, KASB shall advise Tiger Claw in the manner set forth in Section 7, and will provide Tiger Claw ten (10) business days, calculated from the date notice is provided, to cure any non-compliance under this Agreement, pursuant to this Section, before any remaining payments become due and payable. In the event Seven

Hills LLP incurs fees for any returned checks, Tiger Claw agrees to reimburse KASB's counsel for such fees.

Tiger Claw acknowledges that, until the last installment payment is deposited and clears with sufficient funds, KASB reserves the right to institute a proceeding under Proposition 65, including the filing of a complaint based on the allegations in the Notice, a suit based on breach of or failure to perform under a contract, or any other remedy allowable under law. In the event any such action is brought, Tiger Claw retains all defenses and does not hereby waive any potential defenses.

3.3 Payments

All payments payable and due under this Agreement shall be delivered to KASB's counsel at following address:

Seven Hills LLP
Attn: Laralei Paras
1 Embarcadero Center, Suite 1200
San Francisco, CA 94111

4. CLAIMS COVERED AND RELEASED

4.1 KASB's Release of Tiger Claw

This Agreement is a full, final and binding resolution between KASB, as an individual and *not* on behalf of the public, and Tiger Claw, of any violation of Proposition 65 that was or could have been asserted by KASB on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, against Tiger Claw and each entity to whom Tiger Claw directly or indirectly distributes or sells Products, including, but not limited to, downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (collectively, "**Releasees**"), based on their failure to warn under Proposition 65 about alleged exposures to DEHP and DBP contained in the Products that were manufactured, distributed, sold and/or offered for sale by Tiger Claw in California before the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, KASB as an individual and *not* on behalf of the public, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of KASB's rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that KASB may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys' fees arising under Proposition 65 with respect to DEHP and DBP in the Products manufactured, distributed, sold and/or offered for sale by Tiger Claw, before the Effective Date (collectively, "**Claims**"), against Tiger Claw and Releasees.

The Parties further understand and agree that this Section 4.1 release shall neither extend (a) upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Tiger Claw, nor (b) to Releasees who have been instructed by Tiger Claw pursuant to Section 2.4 to provide a warning on Products that are not Reformulated Products and have failed to do so. Nothing in this Section affects KASB's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Tiger Claw's Products.

4.2 Tiger Claw's Release of KASB

Tiger Claw, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against KASB and its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by KASB and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.
