

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Cotran Corporation (“Cotran”). Johnson and Cotran shall each be referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Johnson alleges that Cotran is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Johnson alleges that Cotran manufactures, sells, and distributes for sale in California, stethoscopes with PVC components containing the phthalate chemical di(2-ethylhexyl) phthalate (“DEHP”). DEHP is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Johnson alleges that Cotran failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP.

1.3 Product Description

The products covered by this Settlement Agreement are specifically defined as, *Head Stethoscopes, including UPC: 7 49394 23287 0*, manufactured, sold, or distributed for sale in California by Cotran (hereinafter the “Products”).

1.4 Notices of Violation

On December 6, 2024, Johnson served Tractor Supply Company and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that the notice recipients violated Proposition 65 by failing to warn their customers and consumers in California of the health hazards associated with exposures to DEHP from the Products.

Cotran was subsequently identified as the manufacturer/supplier of the Products.

On March 7, 2025 Johnson served Cotran and the requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), alleging that the notice recipients violated Proposition 65 by failing to warn their customers and consumers in California of the health hazards associated with exposures to DEHP from the Products. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Cotran denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Cotran of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Cotran of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Cotran. This Section shall not, however, diminish or otherwise affect Cotran’s obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean August 19, 2025.

2. INJUNCTIVE RELIEF

2.1 Reformulation/Warning Commitment

As of the Effective Date, Cotran shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless: (i) the Products are Reformulated Products pursuant to Section 2.2; or (ii) Cotran provides a clear and reasonable warning pursuant to Section 2.3. The Parties agree and intend that Cotran’s

compliance with the terms of this Settlement Agreement shall constitute its compliance with Proposition 65 with respect to exposures to DEHP from the Products.

2.2 Reformulation Standards

“Reformulated Products” are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C, or any other methodologies utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

2.3 Warnings.

To the extent that Products manufactured, imported, or otherwise acquired by Cotran after the Effective Date do not meet the standard for Reformulated Products, a clear and reasonable warning shall be provided, as set forth herein. There shall be no obligation for Cotran to provide a warning for Products manufactured prior to the Effective Date and the Section 4 release applies to all such Products as they have been included in the calculation of civil penalties due pursuant to Section 3.1.

2.3.1 Warning Content. For purposes of this Settlement Agreement, the parties agree that a clear and reasonable warning shall consist of one of the following warning statements:

 **WARNING:** Risk of cancer and reproductive harm from exposure to di(2-ethylhexyl) phthalate (DEHP). See www.P65Warnings.ca.gov

OR

 **WARNING:** Can expose you to di(2-ethylhexyl) phthalate (DEHP), a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov

OR

 **WARNING:** This product can expose you to chemicals including di(2-ethylhexyl) phthalate (DEHP), which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

The above warning statements must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word

“WARNING:” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word **“WARNING:”**.

2.3.2 Method of Transmission

Product Labeling. Cotran shall affix one of the foregoing warning statements to the packaging, labeling or directly to a specific Product. The warning statement shall be affixed to the Products, Products’ packaging or labeling and placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. Where the short-form warning statement is provided on the label, the entire warning must be in a type size no smaller than the largest type size used for other consumer information on the product label. In no case shall the short-form warning statement appear in a type size smaller than six-point type.

Internet. In addition to the product labeling, where Cotran offers Products to California customers via its own proprietary internet website or any third-party website over which Cotran has control, Cotran shall provide a clear and reasonable internet web page warning to customers located in California. The warning statement shall appear either: (i) on the same web page on which a Product is displayed and/or described; (ii) on the same page as the price for the Product; or (iii) on one or more web pages displayed to a California purchaser prior to completion of the checkout process. Alternatively, the warning statement shall be provided using a clearly marked hyperlink using the word **“WARNING”** on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. If the product label warning is provided using the short-form warning statement, the warning provided on the website may use the same content. A warning is not prominently displayed if the purchaser must search for it in the general content of the website. Where

Cotran does not have control over the content of third-party internet sellers, Cotran shall provide such sellers with written notice, in accordance with Title 27, California Code of Regulation, Section 25600.2, of their warning obligations. Third-party internet sellers who receive notice pursuant to Section 25600.2 and fail to provide a clear and reasonable Proposition 65 warning pursuant to this section, shall not be deemed in compliance with this Settlement Agreement and shall not receive any benefit or protection afforded hereunder.

Catalog. In addition to the product labeling, if Cotran sells Products via its own proprietary catalog or any third-party catalogue over which Cotran has control, to customers located in California, one of the foregoing warnings statements must also be provided in the catalog in a manner that clearly associates it with the *specific* item being purchased. The catalog warning statement shall be placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase. If a short-form warning is being provided on the label, the warning provided in the catalog may use the same content. Where Cotran does not have control over the content of third-party catalog sellers, Cotran shall provide such sellers with written notice, in accordance with Title 27, California Code of Regulation, Section 25600.2, of their warning obligations. Third-party catalog sellers who receive notice pursuant to Section 25600.2 and fail to provide a clear and reasonable Proposition 65 warning pursuant to this section, shall not be deemed in compliance with this Settlement Agreement and shall not receive any benefit or protection afforded hereunder.

Languages. Where a label or tag used to provide a warning statement includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

2.3.3 Safe Harbor Warnings. The parties acknowledge that the warnings required by this section are not the exclusive methods of providing Proposition

65 warnings and agree that Cotran may utilize “safe harbor” warning language and methods promulgated by the Office of Environmental Health Hazard Assessment and contained in 27 CCR §§ 25602-25603, applicable to DEHP and the Products, in effect on or after the Effective Date, without being deemed in breach of this Settlement Agreement.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, Cotran agrees to pay \$1,000 in civil penalties no later than August 26, 2025. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson. Cotran shall make its payment in two checks, delivered to the address in Section 3.3, as follows: (1) to “OEHHA” in the amount of \$750; and (2) to “Dennis Johnson” in the amount of \$250.

3.2 Attorneys’ Fees and Costs

The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to his counsel, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Cotran expressed a desire to resolve Johnson’s fees and costs. The Parties reached an accord on the compensation due to Johnson’s counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, Cotran agrees to pay, no later than August 26, 2025, \$14,500, in the form of a check made payable to “Voorhees

& Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of Cotran’s management, and negotiating a settlement.

3.3 Payment Address and Tax Documentation

All checks under this Settlement Agreement shall be delivered to the following address and shall, thereafter, be delivered by Johnson to the respective payees:

Voorhees & Bailey, LLP
24 W Elm Street; Suite A
Lodi, CA 95240

Johnson shall provide IRS W-9 forms for: (i) “Office of Environmental Health Hazard Assessment”, (ii) Dennis Johnson, and (iii) Voorhees & Bailey, LLP. The Parties acknowledge that Cotran cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Cotran receives the requisite W-9 forms from Johnson. Cotran shall issue complete IRS 1099 forms to each payee for their respective payment amount, including an IRS 1099-MISC form to Johnson.

4. CLAIMS COVERED AND RELEASED

4.1 Johnson’s Release of Proposition 65 Claims

Johnson acting on his own behalf, and not on behalf of the public, releases Cotran, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents employees, attorneys, and each entity to whom Cotran directly or indirectly distributes or sells Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers including, but not limited to Tractor Supply Company, franchisees, cooperative members, importers, and licensees (collectively, “Releasees”), from all claims for violations of Proposition 65 through the Effective Date relating to unwarned exposures to DEHP in the Products.

4.2 Johnson’s Individual Release of Claims

Johnson, in his individual capacity only and not in his representative capacity, provides a release herein which shall be effective as a full and final accord and

satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities, and demands of Johnson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, arising out of alleged or actual exposures to DEHP in the Products manufactured, imported, distributed, or sold by Cotran prior to the Effective Date.

4.3 Cotran's Release of Johnson

Cotran, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Johnson and his attorneys and other representatives, for any and all actions taken or statements made by Johnson and his attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

4.4 California Civil Code § 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products may develop or be discovered. Johnson on behalf of himself only, on one hand, and Cotran, on the other hand, acknowledge that this Settlement Agreement is expressly intended to include any and all such claims up to the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 4.1 to 4.3, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims.

California Civil Code § 1542 states as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Parties each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5. PUBLIC BENEFIT

It is the Parties' understanding that the commitments they have agreed to herein, and actions to be taken by Cotran under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of the Parties that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Cotran's alleged failure to provide a warning concerning actual or alleged exposure to DEHP in the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Cotran is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Cotran may provide written notice to Johnson of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.

8. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal

delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

For Johnson:

Any Party may, from time to time, specify in writing to the other a change of address to which all notices and other communications shall be sent.

9. COUNTERPARTS; FACSIMILE SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Johnson and his attorneys agree to comply with the reporting form requirements referenced in California Health and Safety Code section 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by written agreement of the Parties.

12. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof.
