

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between CalSafe Research Center, Inc. ("CRC"), on the one hand, and Nasoya Foods USA, LLC ("Nasoya") on the other hand, with CRC and Nasoya each individually referred to as a "Party" and collectively as the "Parties."

1.2 General Allegations

CRC alleges that Nasoya sells and/or distributes in California certain products, specified in Section 1.3 below, containing lead without a warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm. Nasoya denies these allegations.

1.3 Product Descriptions

The products covered by this Settlement Agreement are defined as, and expressly limited to "Nasoya, Plantspired Plant-Based Steak Gochujang Flavor (UPC# 025484007703)" and "Nasoya, Plantspired Plant-Based Steak Korean BBQ Flavor (UPC# 025484007666)" (the "Products") that contain lead and that are manufactured, sold or distributed for sale by Nasoya.

1.4 Notice of Violation

On March 7, 2025, CRC served a 60-Day Notice of Violation ("the Notice") on Nasoya, the California Attorney General and the other requisite public enforcers, alleging that Nasoya and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Products.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

Nasoya denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Nasoya or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Nasoya or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Nasoya. This Section shall not, however, diminish or otherwise affect Nasoya's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. **INJUNCTIVE RELIEF**

2.1 **Clear and Reasonable Warnings**

Beginning on the Effective Date, Nasoya shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, Products that expose a person to an exposure level of more than 0.5 micrograms of lead per serving, with serving size measured by the serving size specified on the label of the Products, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship the Products into California for sale in California or to sell the Products to a distributor that Nasoya knows or has reason to know will sell the Products in California.

2.2 **General Warning Requirements**

Nasoya agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For the purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Products sold or distributed in California by Nasoya that contains one of the following statements:

- 1) **WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

Nasoya may, at its option, use the words "**CA WARNING:**" or "**CALIFORNIA WARNING:**" instead of the word "**WARNING:**".

- 2) **WARNING:** Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

or

WARNING: Can expose you to lead, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food.

Nasoya may, at its option, use the words "**CA WARNING:**" or "**CALIFORNIA WARNING:**" instead of the word "**WARNING:**".

The warning shall be offset in a box with black outline.

For internet purchases, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word "**WARNING**" or "**CA WARNING**" or "**CALIFORNIA WARNING**" on the Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase.

For Products that Nasoya provides for a downstream entity to sell on the internet, Nasoya shall include an instruction that the entity comply with the warning requirements of this section.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above or if current regulations provide for different wording or symbols, Nasoya shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Products is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Product that is already in the stream of commerce as of the Effective Date, which Product is expressly subject to the releases provided in Section 4.1.

3. MONETARY SETTLEMENT TERMS

3.1 Total Settlement Payment

In full satisfaction of all potential civil penalties, attorneys' fees, and costs, Nasoya shall make a total settlement payment of Twenty-One Thousand Dollars (**\$21,000.00**) ("Total Settlement Amount"). The Total Settlement Amount shall be apportioned into a Civil Penalty and Attorney's Fees and Costs as set forth in Sections 3.2 and 3.3 below.

CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges Nasoya and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors (the "Nasoya Releasees") and the following: (a) All entities to which Nasoya Releasees directly or indirectly distribute or sell the Product, and any other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees, including but not limited to Sprouts Farmers Market, LLC ("Downstream Releasees"), and (b) any and all entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Nasoya Releasees ("Upstream Releasees"). The Downstream Releasees and Upstream Releasees are collectively referred to herein as the "Released Parties" and individually, a "Released Party"). 4.2 Nasoya's Release of CRC

Nasoya on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all claims against CRC and its attorneys and other representatives, for any and all actions taken, or statements made by CRC and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.
