

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance LLC and Asdak International

This Settlement Agreement is entered into by and between Ecological Alliance LLC (“Alliance”), on the one hand, and Asdak International (“Asdak”), on the other hand, with Alliance and Asdak collectively referred to as the (“Parties.”)

1.2. Asdak Allegations

Alliance alleges that Asdak manufactured and distributed and offered for sale in the State of California: Oggi winged corkscrews containing Di-n-butyl Phthalate [DBP] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). California has identified and listed DBP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are specifically defined as, and limited to, *Oggi Deluxe Winged Corkscrew UPC 7 64271 07650 7*, that are manufactured, sold, offered for sale or distributed for sale in California by Asdak International. All such items shall be referred to herein as the (“Products”).

1.4. Notice of Violation

On March 20, 2025, Alliance served Asdak, Ralphs Grocery Company, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (“Notice”) that provided Asdak and such public enforcers with notice that Asdak was allegedly in violation of

California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DBP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Asdak's compliance with Proposition 65. Asdak denies the material factual and legal allegations contained in Alliance's Notice and maintains that all products it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Asdak of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Asdak of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Asdak on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Asdak under this Settlement Agreement.

Notwithstanding the allegations in the Notice, Asdak maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

2.1. Reformulation of Products

Commencing within ninety (90) days of the Effective Date, and continuing thereafter, Asdak shall manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.2 below, unless such Products are labeled with a clear and reasonable Proposition 65 warning pursuant to Section 2.2 below. Products that were placed into the stream of commerce supplied to third parties by Asdak within 90-days of the Effective Date including, without limitation, Products in distribution centers, in inventory, or at retail locations, shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.2. Reformulation Standards

“Reformulated Products” are defined as those Products containing DBP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DBP content in a solid substance.

2.3. Clear and Reasonable Warning Language

Where required, Asdak shall provide Proposition 65 warnings on the Product’s label as follows:

- (a) Asdak may use either of the following warning statements in full compliance with this Section:

- (1)  **WARNING:** This product can expose you to chemicals including Di-n-butyl Phthalate [DBP], which are known to the

State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

- (2)  **WARNING:** Risk of Reproductive Harm from exposure to Di-n-butyl Phthalate [DBP], See www.P65Warnings.ca.gov.

(b) If Asdak uses either of the above warning statements to effectuate its compliance, it shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING."

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) Foreign Languages. Additionally, if a Product's labeling is provided in a language other than English, the warning will be provided in that language in addition to English.

(e) Online Sales. If Asdak sells Products via an internet website it controls to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; (c) on one or more web pages displayed to a California purchaser prior to purchase during the checkout process; or (d) via a hyperlink

taking the customer to a separate page containing the warning language, provided that the hyperlink appears on the same page as either the Products description or Products price are displayed, or appears prior to completion of the sale at checkout. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Products, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the Products to which the warning applies.

(f) If Proposition 65 warnings for DBP should no longer be required, Asdak shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Asdak shall pay a total of \$100 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Alliance. Alliance's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Alliance and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Asdak shall reimburse Alliance's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Asdak's attention. Asdak shall pay Alliance's counsel \$10,000 for all

attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. PAYMENT INFORMATION

By May 30, 2025, Asdak shall make a total payment of Ten Thousand One Hundred Dollars (\$10,100) for the civil penalties and attorney's fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

Bank: Bank of America, N.A.

Routing No.: 026009593

Account No.: 325149324377

Beneficiary: Custodio & Dubey LLP

Other than this payment, each side is to bear its own attorneys' fees and costs.

6. RELEASE OF ALL CLAIMS

6.1. Release of Asdak, Downstream Customers and Upstream Vendors

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Alliance, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against (a) Asdak, (b) each of Asdak's upstream or downstream distributors (including but not limited to Ralphs Grocery Company), wholesalers, vendors, licensors, licensees, auctioneers,

Alliance also, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides Asdak and the Releasees a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Asdak and the Releasees. Alliance acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Alliance, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

6.2. Asdak's Release of Alliance

Asdak waives any and all claims against Alliance, its attorneys and other representatives, for any and all actions taken, or statements made (or those that could have been taken or made) by Alliance and its attorneys and other representatives, whether in the course of investigating

claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
