29 **1. INTRODUCTION**

30 1.1 The Parties to this Consent Judgment are the Center for Environmental Health, a  
31 California non-profit corporation (“CEH”) and Pressed Juicery, Inc. (referred to herein as  
32 “Settling Defendant”). CEH and Settling Defendant (the “Parties”) enter into this Consent  
33 Judgment to settle certain claims asserted by CEH against Settling Defendant as set forth in the  
34 operative complaint (“Complaint”) in the above-captioned matter.

35 1.2 On April 11, 2025, CEH provided a 60-day Notice of Violation of Proposition 65  
36 to the California Attorney General, the District Attorneys of every county in California, the City

1 Attorneys of every California city with a population greater than 750,000, and to Settling  
2 Defendant, alleging that Settling Defendant violated Proposition 65 by exposing persons to  
3 Bisphenol S (“BPS”) contained in thermal receipt paper without first providing a clear and  
4 reasonable Proposition 65 warning.

5 1.3 Settling Defendant is a corporation that purchases for use, causes to be purchased  
6 for use, provides, or offers to provide thermal receipt paper in the State of California or has done  
7 so in the past.

8 1.4 On April 3, 2025, CEH filed the original Complaint in the above-captioned matter.  
9 On July 21, 2025, CEH filed the operative First Amended Complaint naming Settling Defendant  
10 as a defendant to the action.

11 1.5 For purposes of this Consent Judgment only, the Parties stipulate that this Court  
12 has jurisdiction over the allegations of violations contained in the Complaint and personal  
13 jurisdiction over Settling Defendant as to the acts alleged in the Complaint, that venue is proper  
14 in the County of San Francisco, and that this Court has jurisdiction to enter and enforce this  
15 Consent Judgment as a full and final resolution of all claims which were or could have been  
16 raised in the Complaint based on the facts alleged therein with respect to Covered Products that  
17 Settling Defendant manufactured, distributed, purchased for use, sold, offered to sell, provided, or  
18 offered to provide.

19 1.6 Nothing in this Consent Judgment is or shall be construed as an admission by the  
20 Parties of any fact, conclusion of law, issue of law, or violation of law, nor shall compliance with  
21 the Consent Judgment constitute or be construed as an admission by the Parties of any fact,  
22 conclusion of law, issue of law, or violation of law. Nothing in this Consent Judgment shall  
23 prejudice, waive or impair any right, remedy, argument, or defense the Parties may have in any  
24 other pending or future legal proceedings. This Consent Judgment is the product of negotiation  
25 and compromise and is accepted by the Parties solely for purposes of settling, compromising, and  
26 resolving issues disputed in this action.

1 **2. DEFINITIONS**

2 2.1 “Bisphenol” has the same meaning as set forth in Washington Annotated Code  
3 §173-337-025 and means a chemical with two phenol rings connected by a single linker atom.  
4 The linker atom and phenol rings may have additional substituents.

5 2.2 “Compliance Date” means ninety (90) days after the Effective Date.

6 2.3 “Covered Products” means thermal receipt paper.

7 2.4 “BPS Free” means Covered Products that have no intentionally added BPS or  
8 Bisphenol-A (“BPA”).

9 2.5 “Effective Date” means the date of entry of this Consent Judgment.

10 2.6 “Bisphenol Free Product” means a Covered Product that contain no intentionally  
11 added “Bisphenol” to a product as described in Washington Annotated Code §173-337-114(3)(c).

12 **3. INJUNCTIVE RELIEF**

13 3.1 **Reformulation of Covered Products.** As of the Compliance Date, Settling  
14 Defendant shall only purchase, distribute, or, cause to be distributed, for use in its California  
15 locations Covered Products that are Bisphenol Free and shall have notified each of its California  
16 locations to only accept for use Covered Products that are Bisphenol Free.

17 3.2 **Future Option to Change to BPS Free Covered Products.** If, at some time after  
18 the Compliance Date, Settling Defendant chooses to switch to the BPS Free reformulation option,  
19 Settling Defendant shall notify CEH in writing of such decision and then file a Notice of Change  
20 in Reformulation Election with the Court and pay the additional amounts set forth in Section  
21 5.2.5 below.

22 **4. ENFORCEMENT**

23 4.1 **General Enforcement Provisions.** The Parties may, by motion or application for  
24 an order to show cause before this Court, enforce the terms and conditions contained in this  
25 Consent Judgment. The Parties shall meet and confer on the alleged violation of this Consent  
26 Judgment before bringing any such motion or application.

27 4.2 **Enforcement of Section 3.**

1                   4.2.1       Prior to bringing any motion or application to enforce the requirements  
2 of Section 3 above, CEH shall provide Settling Defendant with a notice setting forth the factual  
3 basis for the alleged violation of Section 3 and any test results or other data establishing that the  
4 Covered Product was not BPS Free or Bisphenol Free, as applicable (“Notice of Violation”). For  
5 purposes of enforcement, a detection in excess of 200 parts per million (“ppm”) of total content  
6 of BPS or any other Bisphenol creates a rebuttable presumption that the Covered Product is not  
7 BPS Free or a Bisphenol Free Product. The Notice of Violation must include (i) a copy of the  
8 receipt(s) or other allegedly violative thermal paper, (ii) if a receipt does not contain a register  
9 number, a description and/or photograph of the location of the register from which such receipt  
10 was printed sufficient to allow Settling Defendant to identify the register, or a description of the  
11 location from which other allegedly violative Covered Products were found, and (iii) any test  
12 results or other data establishing that the Covered Product was not BPS Free or a Bisphenol Free  
13 Product.

14                   4.2.2       Settling Defendant shall provide its response to the Notice of Violation  
15 within 45 days.

16                   4.2.2.1    If Settling Defendant’s response to a Notice of Violation served  
17 under this Section 4 demonstrates the Covered Product used at the location identified in the  
18 Notice of Violation was obtained directly or indirectly from an upstream supplier that is a party to  
19 a consent judgment providing substantially equivalent or more protective reformulation  
20 requirements from this set of related cases, CEH shall take no further action against Settling  
21 Defendant except as set forth herein. If the upstream supplier successfully demonstrates the  
22 Covered Product was BPS Free, CEH shall notify Settling Defendant, which may then respond in  
23 accordance with Section 4.2.2.2 or clean the identified register.

24                   4.2.2.2    Settling Defendant may respond to a Notice of Violation by  
25 providing tests of the thermal receipt paper used in the register identified in the Notice of  
26 Violation before and after a receipt is printed.

- a) If the thermal receipt paper before printing contains less than 200 ppm of the total Bisphenol at issue in the Notice and the thermal receipt paper after printing contains less than 200 ppm of the total Bisphenol at issue in the Notice, Settling Defendant shall provide CEH with a sample of the Covered Product printed from the register so that CEH may confirm the testing. In the event that CEH’s test of the Covered Product shows that the product contains more than 200 ppm of the total Bisphenol at issue in the Notice, the Parties shall meet and confer regarding an appropriate remedy. In the event the Parties are unable to reach an agreement, CEH may bring a motion to enforce the Consent Judgment. In the event that CEH’s test of the Covered Product confirms that there is less than 200 ppm, CEH shall take no further action on the Notice of Violation.
- b) If the thermal receipt paper before printing contains more than 200 ppm of the total Bisphenol at issue in the Notice, Settling Defendant’s response to the Notice of Violation shall identify all known direct and indirect suppliers of the thermal receipt paper and provide CEH with a sample of the thermal receipt paper from the register identified in the Notice of Violation before printing. If the direct or indirect suppliers of the thermal receipt paper are not party to a consent judgment providing substantially equivalent or more protective reformulation requirements, Settling Defendant shall take commercially reasonable steps to obtain an alternative supplier or work with its current supplier to ensure compliant Covered Product is procured moving forward. If Settling Defendant is unable to do so within 90 days following its receipt of the NOV, it shall meet and confer with CEH regarding an appropriate remedy.
- c) If the thermal receipt paper before printing contains less than 200 ppm of the total Bisphenol at issue in the Notice and the thermal receipt paper after printing contains 200 ppm or more of the total Bisphenol at issue in the Notice,

1 had not previously received a Notice of Violation for Covered Products supplied by the same  
2 supplier.

3 4.3 **Remedies.** In the event that CEH and Settling Defendant are unable to resolve a  
4 Notice of Violation at a retail location that it owns or operates, CEH may seek injunctive relief in  
5 the form of an order from the Court requiring Settling Defendant to provide a clear and  
6 reasonable warning of exposures to BPS in thermal paper at the location(s) identified in the  
7 Notice of Violation, unless Settling Defendant changes suppliers of thermal paper or cleans the  
8 printer(s) identified in the Notice of Violation. Nothing in this Section 4 shall impact the Court’s  
9 authority in an enforcement proceeding to impose appropriate monetary remedies, if any,  
10 including penalties, Additional Settlement Payments and sanctions.

11 **5. PAYMENTS**

12 5.1 **Total Settlement Payment.** Within ten (10) days of the Effective Date, Settling  
13 Defendant shall pay the total settlement amount of \$18,750 and no cents as a settlement payment  
14 as further set forth in this Section. Any payment by Settling Defendant shall be deemed to be  
15 timely and not subject to a late charge and/or other penalty if (1) postmarked (if sent by the  
16 United States Postal Service) or (2) delivered to an overnight carrier (e.g. Fed Ex), on or before  
17 the deadline set forth in this paragraph.

18 5.2 **Allocation of Payments.** The total settlement amount for Settling Defendant shall  
19 be paid in five separate checks or in two electronic transfers, one to LLG’s IOLTA account and  
20 one to OEHHA, in the amounts specified below and delivered as set forth below. Any failure by  
21 Settling Defendant to comply with the payment terms herein shall be subject to a stipulated late  
22 fee to be paid by Settling Defendant in the amount of \$100 for each day the full payment is not  
23 received after the applicable payment due date set forth in Section 5.1. The late fees required  
24 under this Section shall be recoverable, together with reasonable attorneys’ fees, in an  
25 enforcement proceeding brought pursuant to Section 4 of this Consent Judgment. The funds paid  
26 by Settling Defendant shall be allocated as set forth below between the following categories and

25 the public about Bisphenols and other toxic chemicals in food, to work with the food industry and  
26 agriculture interests to reduce exposure to Bisphenols and other toxic chemicals in food, and to  
27 thereby reduce the public health impacts and risks of exposure to Bisphenols and other toxic  
28 chemicals in food sold in California. CEH shall obtain and maintain adequate records to

5 Section 5 hereof, CEH, for itself and its agents, successors, and assigns, releases, waives, and  
6 forever discharges any and all claims against Settling Defendant and Defendant Releasees arising  
7 from any violation of Proposition 65 or any other statutory or common law claims that have been  
8 or could have been asserted by CEH regarding the failure to warn about exposure to: (1) any  
9 substance listed in the definition of Bisphenol Free Product if Settling Defendant elects to comply  
10 with Section 3.1; or (2) BPA and BPS only, if Settling Defendant elects to exercise its option  
11 Section 3.2, arising from or in connection with Covered Products that Settling Defendant  
12 distributed, purchased for use, sold, offered to sell, provided, or offered to provide prior to the

14 Judgment as applicable.

9 proceeding, Settling Defendant may be awarded their reasonable attorneys' fees and costs against  
10 Plaintiff as a result of such motion or application upon a finding by the Court that Plaintiff's  
11 prosecution of the motion or application lacked substantial justification. For purposes of this  
12 Consent Judgment, the term substantial justification shall carry the same meaning as used in the  
13 Civil Discovery Act of 1986, Code of Civil Procedure §§ 2016, *et seq.*

14 11.2 Nothing in this Section 11 shall preclude a Party from seeking an award of  
15 sanctions pursuant to law.

16 **12. ENTIRE AGREEMENT**

17 12.1 This Consent Judgment contains the sole and entire agreement and understanding  
18 of the Parties with respect to the entire subject matter hereof, and any and all prior discussions,  
19 negotiations, commitments, or understandings related thereto, if any, are hereby merged herein  
20 and therein. There are no warranties, representations, or other agreements between the Parties  
21 except as expressly set forth herein. No representations, oral or otherwise, express or implied,  
22 other than those specifically referred to in this Consent Judgment have been made by any Party  
23 hereto. No other agreements not specifically contained or referenced herein, oral or otherwise,  
24 shall be deemed to exist or to bind any of the Parties hereto. Any agreements specifically  
25 contained or referenced herein, oral or otherwise, shall be deemed to exist or to bind any of the  
26 Parties hereto only to the extent that they are expressly incorporated herein. No supplementation,  
27 modification, waiver, or termination of this Consent Judgment shall be binding unless executed in  
28

1 writing by the Party to be bound thereby. No waiver of any of the provisions of this Consent  
2 Judgment shall be deemed or shall constitute a waiver of any of the other provisions hereof  
3 whether or not similar, nor shall such waiver constitute a continuing waiver.

4 **13. RETENTION OF JURISDICTION**

5 13.1 This Court shall retain jurisdiction of this matter to implement or modify the  
6 Consent Judgment.

7 **14. AUTHORITY TO STIPULATE TO CONSENT JUDGMENT**

11 **15. SUCCESSORS AND ASSIGNS**

12 15.1 This Consent Judgment shall apply to and be binding upon CEH and Settling  
13 Defendant, and their respective divisions, subdivisions, and subsidiaries, and the successors or  
14 assigns of any of them.

15 **16. NO EFFECT ON OTHER SETTLEMENTS**

16 16.1 Nothing in this Consent Judgment shall preclude CEH from resolving any claim  
17 against an entity that is not a Settling Defendant to this Consent Judgment on terms that are  
18 different from those contained in this Consent Judgment.

19 16.2 If CEH enters into any consent judgment (“Settlement Document”) with any other  
20 entity with respect to an alleged failure to warn of alleged exposures to BPS in receipts or thermal  
21 receipt paper in which it agrees to different injunctive terms, Settling Defendant may thereafter  
22 seek to modify this Consent Judgment to adopt those injunctive terms and comply with them  
23 instead of those presently set forth in Section 3. If Settling Defendant seeks to adopt these  
24 different injunctive terms, they shall provide notice to CEH consistent with Section 6 of this  
25 Consent Judgment and CEH agrees to meet and confer in accordance with that provision and not  
26 to oppose Settling Defendant’s request for modification provided that the products at issue in the  
27 Settlement Document are substantially similar to the Covered Products.
