

## **SETTLEMENT AGREEMENT**

### **1. INTRODUCTION**

#### **1.1 Parties**

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Roland Foods, LLC (“Roland”), on the other hand, with EHA and Roland each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Roland is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

#### **1.2 General Allegations**

EHA alleges that Roland manufactures, sells, and/or distributes for sale in California, jackfruit and artichoke hearts products that contain cadmium and lead, and that it does so without first providing the health hazard warning required by Proposition 65. Cadmium and lead are listed pursuant to Proposition 65 as chemicals known to cause cancer and/or reproductive toxicity.

#### **1.3 Product Description**

The products covered by this Settlement Agreement are defined as, and expressly limited to “Roland Young Green Jackfruit in Brine” and “Roland Quartered Artichoke Hearts” (“Covered Products”), that are manufactured, sold and/or distributed for sale in California by Roland.

#### **1.4 Notice of Violation**

On or around April 11, 2025 and April 25, 2025, EHA served Roland, the California Attorney General, and certain other public enforcement agencies with two 60-Day Notice of Violation of Proposition 65 (“Notices”). The Notices alleged that Roland had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to cadmium and lead contained in Covered Products.

To the best of the parties' knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

### **1.5 No Admission**

Roland denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Roland of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Roland of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Roland. This Section shall not, however, diminish or otherwise affect Roland's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

### **1.7 Compliance Date**

For purposes of this Settlement, the term "Compliance Date" means 90 days from the Effective Date.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulation Standard**

Beginning on or before the Compliance Date, Roland shall be permanently enjoined from manufacturing, distributing, or directly selling in the State of California, any Covered Product that exposes a person to (a) a "Daily Cadmium Exposure Level" of more than 4.1 micrograms of cadmium per day based on a single serving per day or (b) a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead based on a single serving per day, unless such Covered Products comply with the warning requirements of Section 2.2. The "Daily Cadmium Exposure Level" and "Daily Lead Exposure Level" shall be calculated by multiplying the recommended serving size in Covered Product by the concentration of cadmium or lead in Covered Products. As used in this

Section 2, “distributed for sale in California” means to directly ship Covered Products into California or to sell Covered Products to a distributor Roland knows will sell Covered Products in California.

## **2.2 General Warning Requirements**

Commencing on the Compliance Date, Roland agrees any Covered Product sold that was not reformulated pursuant to paragraph 2.1 shall contain a Proposition 65 warning. Roland agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Products sold in California by Roland, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

**8) WARNING:** Cancer and reproductive harm –  
[www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

Pursuant to Section 25607.1, where the warning is provided on the food product label, it must be set off from other surrounding information and enclosed in a box. Where a specific food product sign, label, placard, or shelf tag is used to provide a warning, it must be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. In no case shall a warning statement appear in a type size smaller than 6-point type. Where a sign, labeling, or label as defined in Section 25600.1 is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

As set forth in Cal. Code Regs. Tit. 27, § 25602(b), to the extent Covered Products are sold online, a warning that complies with the content requirements of Cal. Code Regs Tit. 27, § 25603 must be provided via of the following methods: (1) A warning on the product display page; (2) A clearly marked hyperlink using the word “WARNING” or the words “CA WARNING” or “CALIFORNIA WARNING” on the product display page that links to the warning; or (3) An otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If a warning is provided using the short-form label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this section, a warning is not prominently displayed if the purchaser must search for it in the general content of the website. For internet purchases made prior to 1/1/28, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content

compliant with Section 25603(b). These requirements extend to any websites under the exclusive control of Roland where Covered Products are sold into California. In addition, Roland shall instruct any third-party website to which it directly sells its Covered Products to include the same online warning, as set forth above, as a condition of selling the Covered Products in California.

There shall be no obligation for Roland to provide a warning for Covered Products that entered the stream of commerce prior to the Effective Date, and the Section 4 release applies to all such Covered Products.

(i) **Changes in Warning Regulations or Statutes**

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, Roland shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in this product are no longer required, a lack of warning by Roland will not thereafter be a breach of this Agreement.

**2.3 Grace Period for Existing Inventory of Covered Products**

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Effective Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

**3. MONETARY SETTLEMENT TERMS**

**3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Roland agrees to pay three thousand dollars (\$3,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid

to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. Roland shall issue two separate checks for the initial civil penalty payment to (a) “OEHHA” and (b) Environmental Health Advocates, Inc. as follows:

- One payment of \$2,250.00 to OEHHA, due fourteen (14) days after the Effective Date.

### **3.2 Attorney Fees and Costs**

The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Roland agrees to pay twenty-nine thousand five hundred dollars (\$29,500.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of

Roland, and negotiating a settlement. The twenty-nine thousand five hundred dollars (\$29,500.00) is due fourteen (14) days after the Effective Date.

All payments required under this Section shall be made payable to Entorno Law, LLP and delivered to:

### **3.3 Tax Documentation**

Roland agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that Roland cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Roland receives the requisite W-9 forms from EHA's counsel.

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 EHA's Release of Roland**

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf, and Roland for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Roland and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom Roland directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees ("Releasees"), based on the failure to warn about exposures to cadmium and lead required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by Roland before the Effective Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees

hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Roland and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to cadmium and lead required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by Roland, before the Effective Date.

#### **4.2 Roland's Release of EHA**

Roland, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

#### **4.3 California Civil Code Section 1542**

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and Roland on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

EHA and Roland each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

**5. PUBLIC BENEFIT**

The Parties agree and stipulate that the commitments made by Roland herein, and the actions taken and to be taken by Roland pursuant to this Settlement Agreement, confer a significant benefit on the general public within the meaning of Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. Accordingly, any subsequent private party action alleging a violation of Proposition 65 with respect to Roland's alleged failure to provide a warning concerning actual or alleged exposure to cadmium or lead in the artichoke product and/or the jackfruit product — including any such exposure occurring prior to the Effective Date — shall not confer a significant benefit on the general public as to the Covered Products addressed in this Settlement Agreement, and Roland expressly reserves the right to assert this Settlement Agreement as a complete defense to any such action. This provision applies to all Covered Products that Roland has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, provided that Roland is not in material breach of this Settlement Agreement at the time such action is filed..

**6. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

**8. ENFORCEMENT**

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

**9. NOTICE**

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.
