

## SETTLEMENT AGREEMENT

### 1. INTRODUCTION

**1.1 The Parties.** This Settlement Agreement is entered into by and between Gabriel Espinoza (“Espinoza”) and LMS Manager LLC (“LMS”). Together, Espinoza and LMS are collectively referred to as the “Parties.” Espinoza is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Espinoza alleges that LMS is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

**1.2 General Allegations.** Espinoza alleges that LMS has exposed individuals to di(2-ethylhexyl) phthalate (DEHP) from its sales of Mockins bags, UPC # 819867022182, without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

**1.3 Product Description.** The products covered by this Settlement Agreement are Mockins bags, UPC # 819867022182, and any and all substantially similar bags manufactured, imported, distributed, offered for sale, or sold in California by LMS that are made of the same or similar materials and that expose users to DEHP (the “Products”).

**1.4 Notice of Violation.** On April 28, 2025, Espinoza served Home Depot U.S.A., Inc., New Home Depot Product Authority, LLC (collectively, “Home Depot”), LMS, and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided LMS and such others, including public enforcers, with notice that alleged that LMS was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

**1.5 No Admission.** LMS denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and

distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by LMS of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by LMS of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by LMS. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, LMS maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

**1.6 Effective Date.** For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

## **2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS**

**2.1 Reformulation of Products.** Commencing within sixty (60) days after the Effective Date, and continuing thereafter, Products that LMS directly manufactures, imports, distributes, sells, or offers for sale in California shall either be: (a) reformulated Products pursuant to § 2.2, below; or (b) labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 and 2.4, below. For purposes of this Settlement Agreement, a “Reformulated Product” is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 and 2.4 shall not apply to any Reformulated Product.

**2.2 Reformulation Standard.** “Reformulated Products” shall mean Products that contain concentrations less than or equal to 0.1% (1,000 parts per million (ppm)) of DEHP when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining the phthalate content in a solid substance.

**2.3 Clear and Reasonable Warning.** Commencing within 60 days after the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that LMS manufactures, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product. There shall be no obligation for LMS to

provide an exposure warning for Products that entered the stream of commerce within 60 days after the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The “Warning” shall consist of the following or other language that is in compliance with Section 25603:

 **WARNING:** This product can expose you to chemicals including di(2-ethylhexyl) phthalate (DEHP), which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) **Alternative Warning:** LMS may, but is not required to, use the alternative short-form warning<sup>1</sup> as set forth in this § 2.3(b) (“**Alternative Warning**”) as follows:

 **WARNING:** Cancer and Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**2.4** A **Warning** or **Alternative Warning** provided pursuant to § 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process only if such electronic device or automatic process provides the **Warning** or **Alternative Warning** without the purchaser having to seek it out, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. If

---

<sup>1</sup> An **Alternative Warning** on a Product manufactured and labeled after January 1, 2028 shall be provided in accordance with Title 27, California Code of Regulations, § 25603(b).

“consumer information,” as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a foreign language, LMS shall provide the **Warning** or **Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”). In addition, the reference to “www.P65Warnings.ca.gov” in the Warning may be substituted with an equivalent reference to the official Proposition 65 Warnings Website.

In addition to affixing the **Warning** or **Alternative Warning** to the Product’s packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where LMS offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word “**WARNING**,” appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, LMS shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its third-party internet sellers, provide such sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

**2.5 Compliance with Warning Regulations.** The Parties agree that LMS shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning regulations adopted by the State of California’s OEHHA applicable to the Product and the exposures at issue.

### **3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, LMS shall pay \$500.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty

remitted to OEHHA and the remaining 25% of the Penalty remitted to Espinoza. The Civil Penalty payment(s) may be made by check or electronic payment, including ACH, wire transfer, or other automatic electronic transfer methods. LMS shall ensure all payments are received by Espinoza's counsel and OEHHA within 10 days of the Effective Date. #### **4. REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that Espinoza and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Espinoza and his counsel under general contract principles and the private attorney general doctrine and

principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, LMS shall reimburse Espinoza's counsel for fees and costs incurred as a result of investigating and bringing this matter to the attention of LMS, and negotiating a settlement in the public interest. Within ten (10) days of the Effective Date, LMS shall issue a check payable to "Brodsky Smith" in the amount of \$10,000.00 for delivery to the address identified in § 3.2(a)(i), above.

## **5. RELEASE OF ALL CLAIMS**

**5.1 Release of LMS and Downstream Customers and Entities.** This Settlement Agreement is a full, final and binding resolution between Espinoza, acting on his own behalf, and LMS, of any violation of Proposition 65 that was or could have been asserted by Espinoza or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns ("Releasors") for failure to provide warnings for alleged exposures to DEHP from use of the Products, and Releasors hereby release any such claims against LMS and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom LMS directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Home Depot, and its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 through 60 days after the Effective Date based on exposure to DEHP from use of the Products. This release includes all substantially similar bags with the same or comparable materials, function, and exposure pathway to DEHP. Provided LMS is in material compliance with this Settlement Agreement, no additional Proposition 65 enforcement action concerning the same products and chemical shall confer a significant benefit under Cal. Code Civ. Proc. § 1021.5.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Espinoza, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims

that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to DEHP from use of the Products.

**5.2 LMS's Release of Espinoza.** LMS, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Espinoza, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Espinoza and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to DEHP from use of the Products.

**5.3 California Civil Code § 1542.** It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Espinoza on behalf of himself only, on one hand, and LMS, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through 60 days after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HIS, WOULD HAVE MATERIALLY AFFECTED HIS OR HIS SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Espinoza and LMS each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

**5.4 Deemed Compliance with Proposition 65.** The Parties agree that compliance by LMS with this Settlement Agreement constitutes compliance by LMS with Proposition 65 with respect to exposure to DEHP from use of the Products.

**5.5. Public Benefit.** It is LMS's understanding that the commitments it has agreed to herein, and actions to be taken by LMS under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of LMS that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to LMS's failure to provide a warning concerning exposure DEHP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that LMS is in material compliance with this Settlement Agreement.

**6. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California.

**8. NOTICES**

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

For Espinoza:

Either party, from time to time, may specify in writing to the other party a change of address to which all notices and other communications shall be sent.

**9. COUNTERPARTS: SIGNATURES**

This Settlement Agreement may be executed in counterparts and by facsimile or .pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

**10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)**

Espinoza agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f). The Parties agree that if the Office of Environmental Health Hazard Assessment (OEHHA) changes its warning regulations affecting subsections 2.3 through 2.5 above, then LMS may conform with the revised law. In doing so, LMS will be in compliance with this Settlement Agreement as long as it continues to fulfill any warning obligations unaffected by such new changes. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or if any of the provisions of this Settlement Agreement are rendered inapplicable or no longer required as a result of any such repeal or preemption or rendered inapplicable by reason of law generally as to the Products, then LMS shall have no further injunctive

obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.

**11. MODIFICATION**

This Settlement Agreement may be modified only by a written agreement of the Parties.

**12. ENTIRE AGREEMENT**

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof.

**13. NOTICE AND OPPORTUNITY TO CURE**

**13.1** A Party may enforce any of the terms and conditions of this Settlement Agreement only for Product that LMS and/or Releasees directly manufactures, imports, distributes, sells, or offers for sale in California 60 days after the Effective Date that Espinoza or his representatives has tested and certified that the Product does not comply with Reformulation and/or Warnings pursuant to Section 2 of this Settlement Agreement only after that Party first provides sixty (60) days written notice to the Party allegedly failing to comply with the terms and conditions of this Settlement Agreement and attempts to resolve such Party's failure to comply in an open and good faith manner without the alleged non-complying Party having to pay any settlement amount.

**13.2 Notice of Violation.** Prior to bringing any proceeding to enforce the terms of this Settlement Agreement only for Product that LMS and/or Releasees directly manufactures, imports, distributes, sells, or offers for sale in California 60 days after the Effective Date that Espinoza or his representatives has tested and certified that the Product does not comply with Reformulation and/or Warnings pursuant to Section 2 of this Settlement Agreement, Espinoza shall provide a written notice of violation ("NOV") to LMS that includes information sufficient for them to be able to understand and correct the violation without payment of any settlement amount or monetary payment, including but not limited to: (a) the name of the product, (b) specific dates when the product was sold in California, (c) the store, website, or other place at which the product was

available for sale to California consumers, and (d) any other evidence or other support for the allegations in the NOV, including all test data obtained by Espinoza regarding the Product.

**13.3** Within thirty (30) days of receiving an NOV, LMS shall notify Espinoza/his representative of the following: (a) whether the Product was shipped by LMS for sale in California before 60 days after the Effective Date, or (b) since receiving the NOV, LMS has taken corrective action by either taking all steps necessary to bring the sale of the Product into compliance under the terms of this Settlement Agreement, or requested that its customers in California remove the Products identified in the NOV from sale in California and destroy or return the Products to LMS.

Upon receiving such notification from LMS, Espinoza shall take no further action regarding the alleged violation against LMS including, without limitation, requiring a monetary payment.
