

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and The Ridge Wallet LLC (“Ridge Wallet”), on the other hand, with EHA and Ridge Wallet each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Ridge Wallet is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that Ridge Wallet manufactures, sells, and/or distributes for sale in California, pens products that contain lead and that it does so without first providing the alleged health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause developmental toxicity, and reproductive toxicity.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and expressly limited to Bolt Action Pen - Ridge (“Covered Products”), that are manufactured, sold and/or distributed for sale in California by Ridge Wallet.

1.4 Notice of Violation

On or around May 23, 2025, EHA served Ridge Wallet, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that Ridge Wallet had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to lead contained in Covered Products.

To the best of the parties’ knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

Ridge Wallet denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Ridge Wallet of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Ridge Wallet of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Ridge Wallet. Neither this Settlement Agreement nor any payment made pursuant to it shall be admissible as evidence of any fault, omission, or liability of Ridge Wallet in any administrative or judicial proceeding.

This Section shall not, however, diminish or otherwise affect Ridge Wallet's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

2. INJUNCTIVE RELIEF

2.1 General Warning Requirements

Commencing on the Effective Date, Ridge Wallet agrees any Brass Bolt Action Pen sold in California, shall contain a "clear and reasonable" Proposition 65 warning, within the meaning of Section 25249.6 of the Act. Ridge Wallet agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be seen, read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Brass Bolt Action Pen the warning applies, and which listed chemical(s) is/are implicated, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Brass Bolt Action Pen shall consist of a product-specific warning via one or more of the following methods: (1) A posted sign, shelf tag, or shelf sign for the consumer product at each point of display of the product;

(2) Any electronic device or process that automatically provides the warning to the purchaser (not applicable to internet purchases, which are subject to the provisions of § 25602(b)); (3) A warning directly affixed to the product’s label or tag; or (4) A short-form warning on the label that complies with the content requirements set forth in §§ 25603(b) and 25603(a). Specifically, pursuant to § 25603(a) – (d), one of the following statements must be utilized:

- 1)  **“WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:”** This product can expose you to lead which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

- 4)  **“WARNING: Reproductive Harm—www.P65Warnings.ca.gov.**

The triangle above shall be yellow on the warning statement. Where the sign, label, or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the warning text, in a size no smaller than the height of the word, “WARNING.” A short-form warning must be provided on a product in a type size that complies with Cal. Code Regs Tit. 27, § 25601(c). In no case shall a warning statement displayed on the Brass

Bolt Action Pen's packaging appear in a type size smaller than 6-point type. Where a sign, labeling, or label as defined in Section 256001.1 is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

As set forth in Cal. Code Regs. Tit. 27, § 25602(b), to the extent Brass Bolt Action Pens are sold online, a warning that complies with the content requirements of Cal. Code Regs Tit. 27, § 25603 must be provided via of the following methods: (1) A warning on the product display page; (2) A clearly marked hyperlink using the word "WARNING" or the words "CA WARNING" or "CALIFORNIA WARNING" on the product display page that links to the warning; or (3) An otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If a warning is provided using the short-form label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this section, a warning is not prominently displayed if the purchaser must search for it in the general content of the website. For internet purchases made prior to 1/1/28, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b). These requirements extend to any websites under the exclusive control of Ridge Wallet where Brass Bolt Action Pens are sold into California. In addition, Ridge Wallet shall instruct any third-party website to which it directly sells its Brass Bolt Action Pens to include the same online warning, as set forth above, as a condition of selling the Covered Products in California.

There shall be no obligation for Ridge Wallet to provide a warning for Brass Bolt Action Pens that entered the stream of commerce prior to the Effective Date, and the Section 4 release applies to all such Brass Bolt Action Pens.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Brass Bolt Action Pens and the chemical at issue, which are different than those set

forth above, Ridge Wallet shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in this product are no longer required, a lack of warning by Ridge Wallet will not thereafter be a breach of this Agreement.

2.2 Grace Period for Existing Inventory of Covered Products

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Effective Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture, and/or currently held in inventory by third-party retailers or in transit.

The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. The eighteen thousand dollars (\$18,000.00) in Attorney's Fees and Costs shall be payable to Entorno Law, LLP as one payment of \$18,000.00, due fourteen (14) days after the Effective Date.

The Parties acknowledge that Ridge Wallet cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Ridge Wallet receives the requisite W-9 forms from EHA's counsel. Any delay in payment resulting from EHA's failure to provide timely W-9 forms shall not constitute a breach of

this Agreement, and the 14-day payment clock shall be tolled until such forms are received.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of Ridge Wallet

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and Ridge Wallet and its Releasees (as defined below) for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Ridge Wallet and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom Ridge Wallet directly or indirectly distributes or sells the Covered Products, including, but not limited to: upstream entities such as all manufacturers, component suppliers, raw material providers, and fabricators of the Covered Products; downstream entities such as distributors, wholesalers, customers, retailers (including but not limited to The Ridge Wallet LLC), franchisees, cooperative members and licensees; E-commerce and Retail platforms, including but not limited to all third-party online marketplaces, e-commerce hosting providers, and any retail entity (including The Ridge Wallet LLC) that offers the Covered Products for sale to the public; franchisees and any and all successors in interest ("Releasees"), based on the failure to warn about exposures to any chemical required under Proposition 65 or any other statutory or common law in the Covered Products manufactured, sold or distributed for sale in California by Ridge Wallet, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Ridge Wallet and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 or any other alleged violation of statutory or common law with respect to the alleged or actual failure to warn about exposures to lead or any other chemical required under Proposition 65 or any other alleged

violation of statutory or common law in the Covered Products manufactured, distributed, sold or offered for sale by Ridge Wallet.

4.2 Ridge Wallet's Release of EHA

Ridge Wallet, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products, prior to the Effective Date.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and Ridge Wallet on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims regarding the Covered Products. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

EHA and Ridge Wallet each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5. PUBLIC BENEFIT

It is Ridge Wallet's understanding that the commitments it has agreed to herein, and actions to be taken by Ridge Wallet under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Ridge Wallet that to the extent any other private party serves a notice and/or

initiates an action alleging a violation of Proposition 65 with respect to Ridge Wallet's alleged failure to provide a warning concerning actual or alleged exposure to lead or any other chemical listed pursuant to Proposition 65 prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Ridge Wallet is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

9. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

10. COUNTERPARTS; FACSIMILE SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

14. REPRESENTATIONS AND WARRANTIES

EHA, on behalf of itself, its attorneys, and its agents, represents and warrants that: of the Effective Date, EHA is not aware of any other claims, potential claims, or facts that could give rise to a claim against Ridge Wallet or the Releasees under Proposition 65 or any other statutory or common law regarding the Covered Products or any other products manufactured, sold, or distributed by Ridge Wallet. EHA further represents and warrants that it has not served, and has no present intention to serve, any other 60-Day Notice of Violation on Ridge Wallet or any of its Releasees for any alleged violation of Proposition 65.

EHA has the full right, power, and legal authority to enter into this Settlement Agreement and to grant the releases provided in Section 4. EHA has not assigned, transferred, or purported to assign or transfer to any person or entity any portion of the claims being released herein.
