

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Keep America Safe and Beautiful and Falcon Trading Company:

This Settlement Agreement is entered into by and between Keep America Safe and Beautiful ("KASB"), represented by its attorneys KJT Law Group, LLP on the one hand, and Falcon Trading Company ("FTC"), on the other hand, with KASB and FTC collectively referred to as the "Parties."

1.2. General Allegations

KASB alleges that FTC manufactured, distributed, and offered for sale in the State of California, certain products containing lead and cadmium and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed lead and cadmium under Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

1.3. Product Description

The product covered by this Settlement Agreement is defined as Sunridge Farms – Organic Sunflower Seeds – Unroasted & Unsalted – UPC #: 0 86700 68215 9, that FTC has sold, offered for sale, manufactured, or distributed in California. All such items shall be referred to herein as the "Covered Product."

1.4. Notice of Violation

On June 25, 2025, KASB served FTC and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided FTC and such public

enforcers with notice that FTC was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Covered Product exposed users in California to lead and cadmium. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. **No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning FTC's compliance with Proposition 65. Specifically, FTC denies the allegations contained in KASB's Notice and maintains that all products that it has placed for sale and distribution in California, including the Covered Product, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by FTC of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by FTC of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by FTC. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of FTC under this Settlement Agreement.

1.6. **Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. **INJUNCTIVE RELIEF:**

2.1 Beginning on the Effective Date, FTC shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, any Covered Product that expose a person to (a) a "Daily Lead Exposure

Level” of more than 0.5 micrograms of lead per day, (b) a “Daily Cadmium Exposure Level” of more than 4.1 micrograms of cadmium per day, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that FTC knows or has reason to know will sell the Covered Product in California. The injunctive relief in Section 2 does not apply to any Covered Product that was packaged or distributed by FTC prior to or on the Effective Date and all claims as to such Covered Product is released in this Settlement Agreement.

For purposes of this Consent Judgment, the "Daily Lead Exposure Level" and "Daily Cadmium Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead or cadmium per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of recommended daily servings appearing on the label), which equals micrograms of lead or cadmium exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

2.2 Clear and Reasonable Warnings

If FTC is required to provide a warning pursuant to Section 2.1, one of the following warnings must be utilized ("Warning").

Option 1:

WARNING: Consuming this product can expose you to chemicals including [lead, which is known to the State of California to cause cancer] and [lead and/or cadmium], which is [are] known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

Option 2:

WARNING: Risk of [cancer from exposure to lead and] birth defects or other reproductive harm from exposure to [lead, or cadmium]. See www.P65Warnings.ca.gov/food

Option 3:

WARNING: Can expose you to [lead, a carcinogen, and] [lead or cadmium], a reproductive toxicant. See www.P65Warnings.ca.gov/food

FTC shall use the phrase "cancer and" or "carcinogen and" in the Warning if FTC has reason to believe that the "Daily Lead Exposure Level" is greater than 15 micrograms of lead.

The Warning shall be securely affixed to or printed upon the label of each Covered Product and it must be set off from other surrounding information. For purposes of this Settlement Agreement, the term "label" means a display of written, printed or graphic material that is printed on or affixed to a Covered Product or its immediate container or wrapper. The warning must be set off from other surrounding information, enclosed in a box. If consumer information on the package is in a foreign language, the warning must also be provided in the foreign language. In addition, for any Covered Product sold over the internet, the Warning shall appear on the checkout page in full text or through a clearly marked hyperlink using the word "WARNING" in all capital and bold letters when a California delivery address is indicated for any purchase of any Covered Product. If a hyperlink is used, the hyperlink must go directly to a page prominently displaying either the Option 1 Warning, Option 2 Warning, or the Option 3 Warning without content that detracts from the Warning. An asterisk or other identifying method must be utilized to identify which products on the checkout page are subject to the Warning. The

Warning shall comply with the Safe Harbor Provisions, applicable to the Covered Product and chemical at issue, as those regulations may be amended from time to time.
