

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Gabriel Espinoza (“Espinoza”) and George Delallo Company (“George Delallo”). Together, Espinoza and George Delallo are collectively referred to as the “Parties.” Espinoza is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Espinoza alleges that George Delallo is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Espinoza alleges that George Delallo has exposed individuals to lead from its sales of Delallo gluten free pasta fusilli, UPC# 072368551951 without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Product Description. The products covered by this Settlement Agreement are Delallo gluten free pasta fusilli, UPC# 072368551951 (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by George Delallo that expose consumers to lead.

1.4 Notice of Violation. On July 1, 2025, Espinoza served Bristol Farms, Good Food Holdings, LLC (collectively “Bristol Farms”), George Delallo, and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided George Delallo, and such others, including public enforcers, with notice that alleged that George Delallo was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. George Delallo denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by George Delallo of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by George Delallo of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by George Delallo. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, George Delallo maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Products. Commencing within sixty (60) days after the Effective Date, and continuing thereafter, Products that George Delallo directly manufactures, imports, distributes, sells, or offers for sale in California shall either be: (a) reformulated Products pursuant to § 2.2, below; or (b) labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 - 2.4, below. For purposes of this Settlement Agreement, a “Reformulated Product” is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 - 2.4 shall not apply to any Reformulated Product.

2.2 Reformulation Standard. “Reformulated Products” shall mean Products that expose a person to an exposure level of less than 0.5 micrograms of lead per day. For the purpose of this Agreement, the amount of lead a person is exposed to from a Product shall be calculated using the following formula: micrograms of lead per gram of Product, multiplied by grams of Product per serving size of the Product (using the largest serving size appearing on the Product label), multiplied by servings of the Product per day (using the largest number of servings in a recommended dosage

appearing on the label), which equates to micrograms of lead exposure per day. If the Product label contains no recommended daily servings, then the number of recommended daily servings shall be one (1). A test performed by a certified lab of the Products in the foregoing year, which shows an exposure level below 0.5 micrograms of lead per day, is sufficient to meet the requirements of this paragraph.

2.3 Clear and Reasonable Warning. Commencing within 60 days after the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that George Delallo manufacturers, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product. There shall be no obligation for George Delallo to provide an exposure warning for Products that entered the stream of commerce within 60 days after the Effective Date. The warning shall consist of one of the following statements:

OPTION 1) **WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

OPTION 2) **WARNING:** [Cancer and] Reproductive Harm.
www.P65Warnings.ca.gov/food.

OPTION 3) **WARNING:** Risk of [cancer and] reproductive harm from exposure to lead.
See www.P65Warnings.ca.gov/food.

or

WARNING: Can expose you to lead, a [carcinogen and] reproductive toxicant. See www.P65Warnings.ca.gov/food.

For all Warning options, George Delallo may, at its option, use the words “**CA WARNING:**” or “**CALIFORNIA WARNING:**” instead of the word “**WARNING:**”.

George Delallo shall use the phrase “cancer and” in the Option 1 and Option 2 Warnings or “carcinogen and” in the Option 3 Warning (each phrase referred to individually as a “Cancer Phrase”) if George Delallo has reason to believe that the “Daily Lead Exposure Level” is greater than 15

micrograms of lead or if George Delallo has reason to believe that another Proposition 65 chemical is present at a level requiring a cancer warning.

The Option 2 Warning may only be used until January 1, 2028. Any Product that is manufactured and labeled prior to January 1, 2028, may use the Option 2 Warning regardless of when the product is sold to a consumer.

2.4 A **Warning** or **Alternative Warning** provided pursuant to § 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process only if such electronic device or automatic process provides the **Warning** or **Alternative Warning** without the purchaser having to seek it out, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A **Warning** or **Alternative Warning** provided via an electronic device or automatic process does not apply to internet purchases, which are subject to the provisions of Section 25602(b). The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. Where the **Warning** or **Alternative Warning** is provided on the food product label, it must be set off from other surrounding information, and George Delallo shall enclose the **Warning** or **Alternative Warning** in a black box and comply with the content requirements specified in Section 25607.2. If “consumer information,” as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a foreign language, George Delallo shall provide the **Warning** or **Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”).

For internet purchases, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word “**WARNING**” or “**CA WARNING**” or “**CALIFORNIA**

WARNING” on the Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase.

For Products that George Delallo provides for a downstream entity to sell on the internet, George Delallo shall include an instruction that the entity comply with the warning requirements of this section.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

George Delallo also shall be in compliance with Title 27, California Code of Regulations, Section 25600.2.

2.5 Compliance with Warning Regulations. The Parties agree that George Delallo shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning regulations adopted by the State of California’s OEHHA applicable to the Product and the exposure at issue. In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, George Delallo shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Products is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, George Delallo shall pay \$500.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Espinoza. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below

4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Espinoza and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Espinoza and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, George Delallo shall reimburse Espinoza’s counsel for fees and costs incurred as a result of investigating and bringing this matter to the attention of George Delallo, and negotiating a settlement in the public interest. Within fifteen (15) business days of the Effective Date, George Delallo shall issue a check payable to “Brodsky Smith” in the amount of \$17,000.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of George Delallo and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Espinoza, acting on his own behalf, and George Delallo, of any violation of Proposition 65 that was or could have been asserted by Espinoza or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) for failure to provide warnings for alleged exposures to lead from use of the

Products, and Releasers hereby release any such claims against George Delallo and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom George Delallo directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Bristol Farms, its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 before the Effective Date or within 60 days after the Effective Date based on exposure to lead from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Espinoza, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to lead from use of the Products.

5.2 George Delallo's Release of Espinoza. George Delallo, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Espinoza, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Espinoza and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to lead from the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Espinoza on behalf of himself only, on one hand, and George Delallo, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through 60 days

after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Espinoza and George Delallo each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by George Delallo with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to lead from use of the Products.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California.
