

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Ema Bell (“Bell”) and Fly By Jing Inc. (“Fly By Jing”). Together, Bell and Fly By Jing are collectively referred to as the “Parties.” Bell is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Bell alleges that Fly By Jing is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Bell alleges that Fly By Jing has exposed individuals to lead from its sales of Fly By Jing chili crisp noodles, UPC # 850052239510 without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Product Description. The products covered by this Settlement Agreement are Fly By Jing chili crisp noodles, UPC # 850052239510 (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Fly By Jing that expose consumers to lead.

1.4 Notice of Violation. On July 1, 2025, Bell served Mrs. Gooch’s Natural Food Markets, Inc., Whole Foods Market, Inc. (collectively, “Whole Foods”), Fly By Jing, and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided Fly By Jing and such others, including public enforcers, with notice that alleged that Fly By Jing was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Fly By Jing denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold

and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Fly By Jing of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Fly By Jing of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Fly By Jing. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Fly By Jing maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Products. Commencing within ninety (90) days after the Effective Date (the “Compliance Date”), and continuing thereafter, Products that Fly By Jing directly manufactures, imports, distributes, sells, or offers for sale in California shall either be: (a) reformulated Products pursuant to § 2.2, below; or (b) labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 - 2.4, below. For purposes of this Settlement Agreement, a “Reformulated Product” is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 - 2.4 shall not apply to any Reformulated Product.

2.2 Reformulation Standard. “Reformulated Products” shall mean Products that expose a person to an exposure level of less than 0.5 micrograms of lead per day. For the purpose of this Agreement, the amount of lead a person is exposed to from a Product shall be calculated using the following formula: micrograms of lead per gram of Product, multiplied by grams of Product per serving size of the Product (using the largest serving size appearing on the Product label), multiplied by servings of the Product per day (using the largest number of servings in a recommended dosage appearing on the label), which equates to micrograms of lead exposure per day. If the Product label

contains no recommended daily servings, then the number of recommended daily servings shall be one (1).

2.3 Clear and Reasonable Warning. By no later than the Compliance Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Fly By Jing manufacturers, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product. There shall be no obligation for Fly By Jing to provide an exposure warning for Products that entered the stream of commerce prior to the Compliance Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

CA WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

(b) **Alternative Warning:** Fly By Jing may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) (“**Alternative Warning**”) as follows:

CA WARNING: Risk of [cancer and] reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

Fly By Jing shall use the phrase “cancer and” in the **Warning** or **Alternative Warning** if the daily lead exposure level is greater than 15 micrograms of lead as determined pursuant to the test methodology identified in § 2.2.

2.4 A Warning or Alternative Warning provided pursuant to § 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process only if such electronic device or automatic process provides the **Warning** or **Alternative Warning** without the purchaser having to seek it out, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read

and understood by an ordinary individual under customary conditions of purchase or use. A **Warning** or **Alternative Warning** provided via an electronic device or automatic process does not apply to internet purchases, which are subject to the provisions of Section 25602(b). The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. Where the **Warning** or **Alternative Warning** is provided on the food product label, it must be set off from other surrounding information, and Fly By Jing shall enclose the **Warning** or **Alternative Warning** in a black box and comply with the content requirements specified in Section 25607.2. If “consumer information,” as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a foreign language, Fly By Jing shall provide the **Warning** or **Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”).

In addition to affixing the **Warning** or **Alternative Warning** to the Product’s packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Fly By Jing offers Products for sale to consumers in California. Fly By Jing shall also comply with Title 27, California Code of Regulations, Section 25600.2.

2.5 Compliance with Warning Regulations. The Parties agree that Fly By Jing shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning regulations adopted by the State of California’s OEHHA applicable to the Product and the exposure at issue.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Bell. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below

4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Bell and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Bell and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Fly By Jing shall reimburse Bell’s counsel for fees and costs incurred as a result of investigating and bringing this matter to the attention of Fly By Jing, and negotiating a settlement in the public interest. Within fifteen (15) business days of the Effective Date, Fly By Jing shall submit payment via wire transfer or issue a check payable to “Brodsky Smith” in the amount of \$60,000.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Fly By Jing and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Bell, acting on her own behalf, and Fly By Jing, of any violation of Proposition 65 that was or could have been asserted by Bell or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) for

failure to provide warnings for alleged exposures to lead from use of the Products, and Releasors hereby release any such claims against Fly By Jing and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to or from whom Fly By Jing directly or indirectly distributes procures materials, or sells the Products, including but not limited to both upstream and downstream distributors, wholesalers, customers, retailers, including but not limited to Whole Foods, its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the “Releasees”), from all claims for violations of Proposition 65 before the Effective Date or within 60 days after the Effective Date based on exposure to lead from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Bell, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to lead from use of the Products.

5.2 Fly By Jing’s Release of Bell. Fly By Jing, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Bell, her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Bell and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to lead from the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Bell on behalf of herself only, on one hand, and Fly By Jing, on the other hand, acknowledge that this

Agreement is expressly intended to cover and include all such claims up through 60 days after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HER OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HER OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Bell and Fly By Jing each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Fly By Jing with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to lead from use of the Products.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.
