

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Nature’s Fusions, LLC, a Utah limited liability company (“Nature’s Fusions”), on the other hand, with EHA and Nature’s Fusions each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Nature’s Fusions is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that Nature’s Fusions sells and/or distributes for sale in California the Covered Products (defined below) that allegedly contain elevated levels of lead, and that it does so without first providing the health hazard warning required by Proposition 65. Nature’s Fusions contends that the Covered Products do not contain elevated levels of lead, do not require health hazard warnings as required by Proposition 65, and are otherwise in compliance with Proposition 65. Nature’s Fusions also contends that, out of an abundance of caution, upon receiving the Notice (defined below), it immediately implemented Proposition 65-compliant warnings for newly labeled Covered Products under its control and ceased shipping unlabeled Covered Products into California, which mitigated any alleged damage. Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and developmental/reproductive toxicity.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and expressly limited to, Nature’s Fusions Nutri Sea Moss Complex with Black Pepper Dietary Supplements (collectively “Covered Products”), that are sold and/or distributed for sale in California by Nature's

Fusions.

1.4 Notice of Violation

On or around July 25, 2025, EHA served Nature's Fusions, LLC, a Montana limited liability company, Target Corporation, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 ("Notice"). On August 11, 2025, Nature's Fusions received by mail a letter addressed to a separate Montana entity, containing the Notice. The Notice alleged that Nature's Fusions had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to lead allegedly contained in Covered Products.

To the best of the Parties' knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

Nature's Fusions denies all factual and legal allegations in the Notice and maintains that all of its products, including the Covered Products, sold and/or distributed for sale in California, have been, and are, in material compliance with all laws, including Proposition 65. Nothing in this Settlement Agreement shall be construed as an admission by Nature's Fusions of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Nature's Fusions of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Nature's Fusions. This Section shall not, however, diminish or otherwise affect Nature's Fusions' obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

1.7 Compliance Date

For purposes of this Settlement, the term "Compliance Date" means 30 days from the Effective Date.

2. INJUNCTIVE RELIEF

2.1 Reformulation Standard

Beginning on or before the Compliance Date, Nature's Fusions shall be permanently enjoined from distributing or directly selling in the State of California any Covered Products that expose a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead based on a single serving per day unless such Covered Products comply with the warning requirements of Section 2.2. The "Daily Lead Exposure Level" shall be calculated by multiplying the recommended serving size of the Covered Product by the concentration of lead in Covered Products. As used in this Section 2, "distributed for sale in CA" means to directly ship Covered Products into California or to sell Covered Products to a distributor Nature's Fusions knows will sell Covered Products in California.

2.2 General Warning Requirements

Commencing on the Compliance Date, if Nature's Fusions decides to sell or distribute the Covered Products to customers in California, Nature's Fusions shall provide warnings in accordance with Proposition 65 and consistent with the following: each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Product sold in California, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

	1) “WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:”: Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.
	OR
SHORT FORM	2) “WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:” Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.
	OR
SHORT FORM	3) “WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:” Can expose you to lead, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food.
	OR
SHORT FORM ON A PRODUCT MANUFACTURED/ LABELED PRIOR TO 1/1/28, REGARDLESS OF DATE OF SALE	4) WARNING: Cancer and Reproductive Harm – www.P65Warnings.ca.gov/food.

Pursuant to Section 25607.1, where the warning is provided on the food product label, it must be set off from other surrounding information and enclosed in a box. Where a specific food product sign, label, placard, or shelf tag is used to provide a warning, it must be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. In no case shall a warning statement appear in a type size smaller than 6-point type. Where a sign, labeling, or label as defined in Section 25600.1 is used to provide a warning that includes consumer information about a

product in a language other than English, the warning must also be provided in that language in addition to English.

As set forth in Cal. Code Regs. Tit. 27, § 25602(b), to the extent Covered Products are sold online, a warning that complies with the content requirements of Cal. Code Regs Tit. 27, § 25603 must be provided via one of the following methods: (1) A warning on the product display page; (2) A clearly marked hyperlink using the word “WARNING” or the words “CA WARNING” or “CALIFORNIA WARNING” on the product display page that links to the warning; or (3) An otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If a warning is provided using the short-form label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this section, a warning is not prominently displayed if the purchaser must search for it in the general content of the website. For internet purchases made prior to 1/1/28, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b). These requirements extend to any websites under the exclusive control of Nature’s Fusions where Covered Products are sold into California. In addition, Nature’s Fusions shall instruct any third-party website to which it directly sells its Covered Products to include the same online warning, as set forth above, on a product display page for the Covered Products sold in California.

There shall be no obligation for Nature’s Fusions to provide a warning for Covered Products that entered the stream of commerce prior to the Effective Date, and the Section 4 release applies to all such Covered Products. To the extent that these warning requirements conflict with Proposition 65, Proposition 65 controls.

(i) Changes in Warning Regulations or Statutes

In the event that the State of California promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered

Products and the chemical at issue, which are different than those set forth above, Nature's Fusions shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in this product are no longer required, a lack of warning by Nature's Fusions will not thereafter be a breach of this Agreement.

2.3 Grace Period for Existing Inventory of Covered Products

Covered Products that are already in the stream of commerce as of the Effective Date are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture, distribution or sale.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Nature's Fusions agrees to pay two thousand dollars (\$2,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by EHA. 3.2 Attorney Fees and Costs

The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Nature's Fusions agrees to pay twenty-one thousand dollars (\$21,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of Nature's Fusions, and negotiating a settlement. The twenty-one thousand dollars (\$21,000.00) is due fourteen (14) days after the Effective Date.

All payments required under this Section shall be made payable to Entorno Law, LLP and delivered to:

3.3 Tax Documentation

Nature's Fusions agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that Nature's Fusions cannot issue any settlement payments pursuant to Sections 3.1 and 3.2 above until after Nature's Fusions receives the requisite W-9 forms from EHA's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of Nature's Fusions

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf, and Nature's Fusions for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Nature's Fusions and each of its respective parents, subsidiaries, affiliated entities under common ownership, Nature's Fusions, LLC, a Montana limited liability company, directors, officers, members, employees, attorneys, and any entity, including, but not limited to, each entity to whom Nature's Fusions directly or indirectly distributes or sells the Covered Products, including, but not limited to, all its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees, including Target Corporation, and Unitrex/SpaRoom (collectively, "Releasees"), based on the alleged failure to warn about exposures to lead required under Proposition 65 in the Covered Products sold or distributed for sale in California before the Effective Date, including Covered Products that entered the stream of commerce prior to the Effective Date, regardless of the date of any subsequent downstream or retail sale, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Nature's Fusions and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations,

damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to lead required under Proposition 65 in the Covered Products, before the Effective Date.

4.2 Nature's Fusions' Release of EHA

Nature's Fusions, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA, on behalf of itself only, on one hand, and Nature's Fusions, on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

EHA and Nature's Fusions each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5. PUBLIC BENEFIT

The Parties acknowledge that the commitments Nature's Fusions has agreed to herein, and actions to be taken by Nature's Fusions under this Settlement Agreement, confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Nature's Fusions that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Nature's Fusions' alleged failure to provide a warning concerning actual or alleged exposure to lead prior to use of the Covered Products it has distributed, sold, or offered for sale in California, or will distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Nature's Fusions is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

Prior to initiating any action to enforce this Settlement Agreement, the non-breaching Party shall provide written notice to the breaching Party specifying the alleged breach. The breaching Party shall have thirty (30) days from receipt of such notice to cure the alleged breach.

9. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier to any Party at the following addresses:
